The Louisiana State Advisory Committee to the U.S. Commission on Civil Rights will convene a planning meeting to continue planning a future civil rights project. The Committee will meet with and receive a briefing from a representative of the Louisiana Commission on Law Enforcement to provide preliminary information concerning potential racial disparities in the high incarceration of African-Americans in state-operated prisons.

Congress has directed the Commission to establish advisory committees in all 50 states and the District of Columbia to study issues and forward advisory reports to the Commission on matters within agency's jurisdiction that reflect the views of the majority of SAC members producing the report.

The SACs' reports to the Commission may rely on studies and data generated by third parties, which are not subject to an independent review by Commission staff. The views expressed in reports are those of a majority of the State Advisory Committee members and do not necessarily represent the views of the Commission or its individual members, nor do they represent the policies of the U.S. government.

Gregory Grimsal, Esq., of New Orleans is Chairman of the Louisiana State Advisory Committee. Other members of the Committee are Lorna Bourg of New Iberia; Robert A. Garda, Neely S. Griffith, Esq., Nolan V. Rollins and James E. Viator of New Orleans; and Jason M. DeCuir, Esq., Michelle W. Ghetti, Esq., Gwendolyn P. Hamilton, Nadia E. Nedzel, Esq. and Dr. James R.
