Committee Chair Robert George said, "The testimony we receive in these briefings will inform our understanding of the definition of antisemitism. It will also help us to think about how to combat anti-Jewish bias and animus while honoring the constitutional right to freedom of speech. We invite interested members of the public to attend and share their perspectives during the public comment session."

Members of the public will be invited to participate during an open comment period at the end of each briefing. Written comments on the issue may be submitted via <https://wkf.ms/4de4nCi> until July 25, 2026. Individuals requiring special accommodations should contact ebohor@usccr.gov at least 10 days prior to the meeting. Meeting materials will be available at the Committee's [public records folder](#).

Chair Robert George and Vice Chair Miranda Jane Safir can be available to speak with the media upon request.
