A P P E A R A N C E S:

UNITED STATES COMMISSION ON CIVIL RIGHTS  
NEW MEXICO ADVISORY COMMITTEE

MS. LYNDA B. EATON, CHAIRPERSON

MR. STANLEY AGUSTIN

MR. MICHAEL P. ANTIPORDA

MS. REBECCA BUSTAMANTE

MR. VINCENT GALLEGOS

MR. JAMES A. NEZ

MS. MADELINE L. PARRY

MS. LORELLA MONTOYA SALAZAR

MS. ANNE B. THOMAS

ALSO PRESENT:

STELLA G. YOUNGBLOOD, ESQUIRE  
CIVIL RIGHTS ANALYST  
--- UNITED STATES COMMISSION ON CIVIL RIGHTS  
WESTERN REGIONAL OFFICE  
3660 WILSHIRE BOULEVARD  
SUITE 810  
LOS ANGELES, CA 90010

1 SEPTEMBER 15, 1997 --

2 THE CHAIRPERSON: I want to wish everybody a  
3 good morning. Meeting of the New Mexico Advisory Committee  
4 to the United States Commission on Civil Rights will now  
5 come to order.

6 I am Lynda Eaton, Chairperson of the New Mexico  
7 Advisory Committee to the U.S. Commission on Civil Rights.

8 The U.S. Commission on Civil Rights is a  
9 bipartisan fact-finding agency first established under the  
10 Civil Rights Act of 1957.

11 And before I go any further, I would like to let  
12 everybody know how we are going to go on our agenda. Nine  
13 o'clock we were to convene the meeting. We are running a  
14 little late already. But we will begin now.

15 Commission activities and an administrative  
16 report from the Western Regional Office and headquarters  
17 will be given. At 9:30, civil rights issues in Clovis,  
18 New Mexico: Operation Stampede, food stamp fraud sting  
19 operation.

20 We will have opening statements. And I will give  
21 the opening statement; and individuals affected by the  
22 sting operation will also be giving statements.

23 12 o'clock we had planned on a 30-minute break;  
24 however, because of conflicting schedules and due to three  
25 of our members having to leave early, we will omit the

1 30-minute break. We will go right through lunch to cover  
2 as many items as we can.

3 And then Part Two will be response of officials  
4 participating in Operation Stampede. And we will adjourn  
5 by 3 o'clock this afternoon.

6 Okay. Continuing with the opening statement.

7 MS. STELLA YOUNGBLOOD: My name is Stella  
8 Youngblood. I am the Western Regional Staff Representative  
9 for the U.S. Commission on Civil Rights.

10 To the Advisory Committee members. First of all,  
11 activities within the Western Region since our last  
12 meeting. First, there have been two reports released  
13 within the Western Region. Many of you are aware of the  
14 Four-State Border Violence Report, of which the New Mexico  
15 Advisory Committee participated on. That report was  
16 released on May the 22nd in Tucson, Arizona, and it was  
17 very well received. And I believe copies of that report  
18 have been mailed to each of you.

19 In addition to that, another report was recently  
20 released by the Western Regional Office. That was prepared  
21 by the Washington State Advisory Committee. And that was a  
22 report dealing with the handling of juvenile justice issues  
23 in that state.

24 Presently other advisory committees within the  
25 Regional variety of other activities. The Texas Advisory

1 Committee held a public meeting in April on the decision by  
2 the Fifth Circuit Court of Appeals in HOPWOOD v. TEXAS,  
3 which deals with new admissions criteria for institutes of  
4 higher education in that state which mandate that race  
5 cannot be used as a criteria either in admissions or  
6 financial aid. A transcript was prepared for that meeting,  
7 and the report is forthcoming.

8           The Arizona Advisory Committee held a public  
9 fact-finding meeting in March dealing with issues and  
10 grievances of employees of the Arizona Department of  
11 Transportation and allegations of discrimination based on  
12 race and ethnicity against several employees there. A  
13 report is forthcoming from that state.

14           Another fact-finding meeting was held by the  
15 California State Advisory Committee in Orange County  
16 dealing with, again, juvenile justice issues and  
17 implementation of a state-wide gain database system.  
18 And many concerns were raised by members of the Orange  
19 County Committee that minority youth, particularly Asian  
20 and Latino youth, were being unfairly placed within this  
21 gang mug book without probable cause, without parents being  
22 present, and they were having a great deal of difficulty  
23 getting out of this database once being identified as  
24 possible gang members. A report is forthcoming on that as  
25 well.

1           And there are a number of other fact-finding  
2 projects under way that have not been voted upon in other  
3 states; and after they have been voted upon and approved,  
4 I will provide the Advisory Committee with further  
5 information.

6           Finally, with regard to the Western Regional  
7 Office, progress on the Farmington project. As many of you  
8 will recall, at the January meeting a project proposal was  
9 approved by the Advisory Committee on how to carry out  
10 additional fact-finding activity in the Farmington area. I  
11 regret to report that very little activity, if any, has  
12 taken place with regard to that; and it is anticipated that  
13 the Farmington subcommittee will meet very soon again to  
14 discuss further activity on that. So no additional action  
15 has taken place.

16           With regard to our headquarters. First of all,  
17 the President of the United States appointed a new staff  
18 director who took office on June the 30th of this year,  
19 Ruby Moya. She comes to us with a great deal of White  
20 House experience. We welcome her aboard and we look  
21 forward to working further with her.

22           The status of the New Mexico charter is still  
23 tentative at best. A package was submitted to headquarters  
24 prior to the expiration of the current New Mexico Advisory  
25 Committee charter. However, that package was rejected by

1 headquarters for further appointments. There appear to be  
2 a problem regarding the composition. And headquarters was  
3 concerned that there were too many minority members on the  
4 Advisory Committee. And, therefore, we need to take a look  
5 at additional demographic data in the state and find out  
6 how best to solve that problem. Each of you individually  
7 to find out if you have any additional recommendations for  
8 persons who you think would be helpful to serve on the  
9 Advisory Committee. And that is all that I have to report.

10 If you have any questions?

11 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

12 THE CHAIRPERSON: Please state your name.

13 COMMITTEE MEMBER BUSTAMANTE: Rebecca  
14 Bustamante.

15 Is Mr. Montez still with us?

16 MS. YOUNGBLOOD: I am Stella Youngblood,  
17 again.

18 Yes, Mr. Montez is still with the Regional  
19 Office. And his activities, he is primarily responsible  
20 for activities in Arizona and California at this time; but,  
21 he is still overseeing all of the activities of our office,  
22 yes.

23 THE CHAIRPERSON: Do we have any further  
24 questions from the Committee members?

25 (No audible response.)

1 THE CHAIRPERSON: No more questions. Then I  
2 will thank Ms. Youngblood for giving the report on both the  
3 Western Regional Office and headquarters.

4 And with those reports given, we will go ahead  
5 and proceed. I will go into the opening statement of our  
6 meeting.

7  
8 OPENING STATEMENT

9 BY THE CHAIRPERSON:

10 The Commission on Civil Rights is an independent  
11 agency of the United States government established by  
12 Congress in 1957 and directed to:

- 13 1. Investigate complaints alleging that  
14 citizens are being deprived of their right  
15 to vote by reason of their race, color,  
16 religion, sex, age, handicap, or national  
17 origin, or by reason of fraudulent  
18 practices;
- 19 2. Study and collect information concerning  
20 legal developments constituting discrimi-  
21 nation or denial of equal protection of the  
22 laws under the Constitution because of race,  
23 color, religion, sex, age, handicap, or  
24 national origin, or in the administration of  
25 justice;

- 1           3. Appraise federal laws and policies with  
2           respect to discrimination or denial of equal  
3           protection of the laws;
- 4           4. Serve as a national clearinghouse for  
5           information about discrimination; and,
- 6           5. Submit reports, findings, and recommenda-  
7           tions to the President and Congress.

8           Advisory committees were established in each  
9           state and the District of Columbia in accordance  
10          with enabling legislation and the Federal Advisory  
11          Committee Act, to advise the Commission on matters  
12          pertaining to discrimination or denials of equal  
13          protection of the laws because of race, color,  
14          religion, sex, national origin, age, handicap, or  
15          in the administration of justice, and to aid the  
16          Commission in its statutory obligation to serve as  
17          a national clearinghouse for information on those  
18          subjects.

19          Commission regulations call for each advisory  
20          committee to:

- 21           1. Advise the Commission in writing of any  
22           information it may have respecting any  
23           alleged deprivation of citizens' right to  
24           vote and to have the vote counted, by reason  
25           of color, race, religion, sex, national

- 1 origin, age, or disability, or that citizens  
2 are being accorded or denied the right to  
3 vote in federal elections as a result of  
4 patterns or practices of fraud or  
5 discrimination;
- 6 2. Advise the Committee concerning legal  
7 developments constituting discrimination or  
8 a denial of equal protection of the laws  
9 under the Constitution because of race,  
10 color, religion, sex, national origin, age,  
11 or disability, or in the administration of  
12 justice; and as to the effect of the laws  
13 and policies of the federal government with  
14 respect to equal protection of the laws;
- 15 3. Advise the Commission upon matters of mutual  
16 concern in the preparation of reports of  
17 the Commission to the President and the  
18 Congress;
- 19 4. Receive reports, suggestions, and recommen-  
20 dations from individuals, public and private  
21 organizations, and public officials about  
22 matters pertinent to inquiries conducted by  
23 the State Advisory Committee;
- 24 5. Initiate and forward advice and recommenda-  
25 tions to the Commission about matters that

the Advisory Committee has studied; and,

- 6. Assist the Commission in the exercise of its clearinghouse function.

The primary purpose of this meeting will be to gather data regarding multiple civil rights complaints received by the Western Regional Office of the U.S. Commission on Civil Rights, involving allegations of possible civil rights violations arising from the manner in which a food stamp fraud sting operation was carried out in Clovis in September 1996. Affected individuals and officials having a role in the sting operation are invited to address the Advisory Committee. In January 1997, the Committee voted to make further inquiry into these complaints.

Participants in today's fact-finding forum have been requested to address the following issues:

- \* Federal and state oversight in carrying out food stamp fraud operations, including goals, guidelines, coordination, and penalties;
- \* Federal, state, and local use of informants in food stamp sting operations, and other means of identifying fraud and abuse;
- \* Methodology and implementation of similar welfare fraud sting operations carried out

- 1 within the federal region including Texas  
2 and New Mexico; and,  
3 \* Methodology and implementation of arrests  
4 and prosecution of individuals in Clovis and  
5 other regions in New Mexico.  
6 \* Community concerns regarding the administra-  
7 tion of justice as it relates to Curry  
8 County;  
9 \* Law enforcement concerns regarding public  
10 safety and controlling welfare fraud in the  
11 state of New Mexico and Curry County;  
12 \* Recommendations for matching public safety  
13 objectives with community concerns for  
14 objective treatment.

15 Among those invited to address the New Mexico  
16 Advisory Committee today are federal, state, and local  
17 law enforcement officials, and individuals affected by  
18 the sting operation.

19 Based upon the information collected at this  
20 meeting, a summary report will be prepared for the  
21 United States Commission on Civil Rights.

22 Members of the New Mexico Advisory Committee in  
23 attendance during this meeting are: Stanley Agustin,  
24 Michael Antiporda, Rebecca Bustamante, Vincent  
25 Gallegos, James Nez, Lorella Montoya Salazar, and Anne

1 Thomas. Emma Armendariz, Cindy Lovato-Farmer,  
2 Madeline Parry, and Bishop Ricardo, also Advisory  
3 Committee members, were not able to attend today's  
4 meeting.

5 And also with us we do have Adrian Martinez from  
6 Senator Bingaman's office.

7 If you would, please, raise your hand.

8 (Mr. Adrian Martinez complies.)

9 THE CHAIRPERSON: Do we have Philip Montez,  
10 Director of the Commission's Western Regional Office?

11 (No audible response.)

12 THE CHAIRPERSON: He is not with us today.

13 And we also have Stella Youngblood, a Civil  
14 Rights Analyst with that office. Stella is the one  
15 that was sitting here.

16 Okay. This fact-finding meeting is being held  
17 pursuant to federal rules applicable to state advisory  
18 committees and regulations promulgated by the U.S.  
19 Commission on Civil Rights. All inquiries regarding  
20 these provisions should be directed to Commission  
21 staff.

22 And I would like to emphasize that this is a  
23 fact-finding meeting and not an adversarial proceed-  
24 ing. Individuals have been invited to come and share  
25 with the Committee information relevant to the subject

1 of today's inquiry. Each person who will participate  
2 has voluntarily agreed to meet with the Committee.

3 Since this is a public meeting, the press, as  
4 well as individuals, are welcome. Persons meeting  
5 with the Committee, however, may specifically request  
6 they not be televised. In this case, we will comply  
7 with their wishes.

8 We are concerned that no defamatory material be  
9 presented at this meeting. In the unlikely event that  
10 this situation should develop, it will be necessary  
11 for me to call this to the attention of the persons  
12 making these statements and request that they desist  
13 in their action. Such information will be stricken  
14 from the record if necessary.

15 Every effort has been made to invite persons who  
16 are knowledgeable in the area to be dealt with here  
17 today. Persons wishing to address the Committee may  
18 also submit information in writing. Those wishing to  
19 participate must sign up with Commission staff as soon  
20 as possible.

21 In addition, the record of this meeting will  
22 remain open for a period of thirty days following its  
23 conclusion. The Committee welcomes additional written  
24 statements and exhibits for inclusion in the record.  
25 These should be submitted to the Western Regional

1 Division, United States Commission on Civil Rights,  
2 3660 Wilshire Boulevard, Suite 810, Los Angeles,  
3 California 90010.

4 We thank you for joining us this morning and we  
5 will proceed with today's meeting.

6 \* \* \* \* \*

7 THE CHAIRPERSON: I will be giving you the  
8 guidelines before we call our first speaker.

9 The speakers will be allowed three to five  
10 minutes to give their presentation. And again, I will  
11 instruct the speakers that this is a fact-finding meeting  
12 and the speakers need to refrain from making any derogatory  
13 remarks or any adversarial remarks. It is a fact-finding  
14 meeting and that is what we would like to keep the meeting  
15 to.

16 Okay. So our first speaker, then, will be  
17 Michael Mendez. Is Michael Mendez here?

18 (No audible response.)

19 THE CHAIRPERSON: Okay. Do we have a Benny  
20 Pacheco?

21 (A spectator stands.)

22 THE CHAIRPERSON: If you would, please step  
23 to the podium. And I need you to give your name and also  
24 the organization that you are with, so we can get it on  
25 record, please.

1 MR. BENNY PACHECO: My name is Benny  
2 Pacheco. I am just a citizen of Clovis. I represent no  
3 organization.

4 I wish to make a statement maybe of patterns that  
5 have affected me in the community. In 1982 I was also  
6 targeted for a sting operation on food stamp fraud. I was  
7 subpoenaed as a witness. Judge Santiago Campos in Roswell  
8 in 1982 asked the public officials, the police, why I was  
9 targeted. The only reason they had is because I ran with  
10 the Mexican hoods. I have no criminal records. I have no  
11 police records. I just wish to make this statement to  
12 establish a pattern of things that happen in this  
13 community. And that is all I have to say.

14 THE CHAIRPERSON: Before you are seated,  
15 Mr. Pacheco, I will ask any Committee members if they have  
16 any questions for Mr. Pacheco.

17 COMMITTEE MEMBER THOMAS: Anne Thomas.

18 Could you describe that sting operation that you  
19 were caught up in?

20 MR. BENNY PACHECO: I own a used car lot  
21 there on Grand Street called Grand Traders, about three  
22 blocks from here. Not Grand Traders, I am sorry. It was  
23 called Balmake Auto Sales.

24 Federal agents approached me; offered me \$1700.00  
25 for a \$300.00 car. I had no idea that food stamps were

1 illegal to possess. But my first question to them was,  
2 "Where did you get this \$1700.00 worth of food stamps?"  
3 They said, "It's okay, man. We stole them in Texas."

4 If they had offered me maybe \$40.00 worth of food  
5 stamps and \$200.00 for the car, I might have went for it.  
6 Unbeknownst to me, I wouldn't have been breaking the law.

7 Well, when I didn't go for it, they asked me if  
8 another car dealer might. I said, "Go ask him."

9 Later on I was subpoenaed as a witness. I was  
10 deemed a hostile witness; and I, very rightly so, because I  
11 felt that my civil rights were violated. Judge Santiago  
12 Campos also stated that my rights had been violated because  
13 I was not known to do things like this. But federal  
14 agents, on the advice of local police officials, targeted  
15 me. There were several people targeted. Several people  
16 were prosecuted and they were also stung.

17 COMMITTEE MEMBER THOMAS: Thank you.

18 THE CHAIRPERSON: Mr. Agustin, do you have  
19 any questions?

20 COMMITTEE MEMBER AGUSTIN: No.

21 COMMITTEE MEMBER SALAZAR: Lorella Salazar.

22 When did this hearing take place before Judge  
23 Campos?

24 MR. BENNY PACHECO: It wasn't a hearing. It  
25 was a trial.

1 COMMITTEE MEMBER SALAZAR: I meant the  
2 litigation.

3 MR. BENNY PACHECO: In 1982. The particular  
4 -- It has been so long. I have copies of the court  
5 transcripts, I believe, somewhere at the house.

6 COMMITTEE MEMBER SALAZAR: And you were  
7 exonerated?

8 MR. BENNY PACHECO: I was exonerated, yes.

9 COMMITTEE MEMBER SALAZAR: How long did the  
10 trial take?

11 MR. BENNY PACHECO: Uhm, probably lasted a  
12 month.

13 COMMITTEE MEMBER SALAZAR: Thank you.

14 THE CHAIRPERSON: Thank you, Mr. Pacheco,  
15 for your statements. You may be seated.

16 Frank Sena?

17 MS. FRANCES JOHNSON: My uncle has asked me  
18 to speak on his behalf, if that is all right.

19 THE CHAIRPERSON: You need to state your  
20 name, please; and the position and organization that you  
21 are with. Please step to the podium.

22 MS. FRANCES JOHNSON: Is it all right if I  
23 speak here, or do you want me to go there?

24 THE CHAIRPERSON: You may stand there.

25 MS. FRANCES JOHNSON: Okay. My name is

1 Frances Johnson. And my mother and my uncle have both  
2 asked me to speak on their behalf.

3 Both of them were arrested during this sting  
4 operation that occurred on September 19th of 1996.

5 THE CHAIRPERSON: What is your mother's  
6 name?

7 MS. FRANCES JOHNSON: Averella Martinez.

8 First of all, neither of these persons had ever  
9 been arrested, hadn't ever had a criminal record -- my  
10 uncle fought in World War II. My mother is a gold mother;  
11 she lost a son to the Vietnam War -- and are very law-  
12 abiding citizens.

13 When this occurred, my uncle was arrested and  
14 taken to the Armory -- National Guard Armory, where he was  
15 held handcuffed for a number of hours, was not allowed to  
16 go to the bathroom. When he couldn't hold it anymore, he  
17 had an accident. And the officers present laughed at him,  
18 as many people can testify to. He suffered a lot of  
19 humiliation and pain, and was already in failing health at  
20 that time and still has not been able to recover. Suffered  
21 a lot of pain and humiliation.

22 My mother also had never been arrested. And the  
23 day that this occurred, I took her into the armory myself.  
24 I was not aware why she was being arrested. I thought to  
25 myself that perhaps maybe she had applied for food stamps

1 and maybe there was something going on there with food  
2 stamps on her behalf and she hadn't told me. Well, I came  
3 to find out later on that it was, in fact, that an agent  
4 had been out in the neighborhood selling food stamps to  
5 many people there. My mother has also suffered a lot of  
6 pain and humiliation over this operation that took place.

7           It has hurt the whole family. Everybody has had  
8 one opinion or the other. But we all agree that it was  
9 wrong for this to have taken place. Because, in fact, at  
10 the end of the operation, most of the people involved were  
11 not on food stamps, as my uncle and mother were not. There  
12 was no welfare fraud and the people weren't out selling  
13 their stamps, or EBT, whatever that was. But, in fact,  
14 somebody from the D.A.'s office was going out to the  
15 community and selling food stamps to a neighborhood that  
16 was already poor.

17           These people were already on fixed incomes, low  
18 incomes. Many of the women arrested were single parents.  
19 My mother is a widow. My uncle is a widower. These people  
20 live on fixed incomes. And there was no need for this to  
21 have ever occurred. They were not aware that buying stamps  
22 is illegal. Nobody in that neighborhood knows that --  
23 Well, they know now. But at that time they did not know it  
24 was illegal to buy food stamps.

25           I also have a letter that my daughter, who could

1 not be here today, wrote; and she wanted me to share this  
2 with the Commission. She couldn't get the day off; but,  
3 she asked me to read this for her. And it was in response  
4 to an article regarding the investigation Operation  
5 Stampede.

6 "Mr. Harris stated that he was perplexed  
7 over the protest that had surfaced. I am very  
8 perplexed over his perplexity. So maybe I can  
9 clear up some of the confusion that he or anyone  
10 may be grappling with.

11 "I am currently working in a local office  
12 through a Project Forward program." (This letter  
13 was written like sometime after this operation  
14 took place.)

15 "I am a divorced mother of four and I have  
16 been fortunate enough to obtain a bachelor's  
17 degree; and a master's degree is not far from my  
18 grasp.

19 "My intensive drive to make that upward move  
20 was in full force before Project Forward become a  
21 mandated contingency for AFDC eligibility. This  
22 drive was fueled by a desperate desire to rescue  
23 my children from the claws of a progressive state  
24 of poverty.

25 "The decision was made after having waited

1 tables, scrubbed other people's floors, ironing  
2 clothes and working the potato fields under a  
3 blistering hot sun.

4 "There were periods when I had to juggle  
5 four or more jobs to attend school. And a cloud  
6 of guilt always hovered over me for never having  
7 ample time to give to my children.

8 "I painfully came to realize that my  
9 children were virtually being raised by baby-  
10 sitters.

11 "One of the many painful dilemmas that a  
12 struggling single parent may face is the shame of  
13 having to ask the neighbors if they can spare  
14 this or that, and maybe if you bug them long  
15 enough you can begin to sense their apprehension  
16 when they peek through the peephole to discover  
17 that, 'It's them again.'

18 "Worse than that is something I call the  
19 request dilemma. It regards the agony of looking  
20 into your child's eyes to find them bulging with  
21 tears over the denial of yet one more request.  
22 It hurts a parent to have to speak the words,  
23 'I'm sorry. We just can't afford that.'

24 "Sometimes the request is for something as  
25 basic as a new pair of shoes -- shoes that look

nice and fit well. Other times it is for a decent pair of pants that aren't worn or torn at the knees, or maybe a T-shirt emblazoned with the latest Disney character.

"It hurts to have your toddler tug at your skirt, trying to bend your attention towards the ad he is holding that pictures a colorful delightful treat. Another request is denied.

"And worse still is the pain that comes from having to tell your child no to a second helping of food. This being the ultimate agony, second only to actually watch someone starve to death. When a mother experiences the horror of having to ration her children's food like that, she might easily become vulnerable to unleashing her innermost maternal instinct to take a deal, especially a two-for-one that will put much needed food on the table. Her maternal instinct takes precedence over all else.

"One of the most ironic things about human nature is that the experience of deprivation makes you keenly aware of life's most precious values: empathy, compassion and generosity.

"Despite their assistance, poor people generally feel compelled to extend a hand to

1 others who are also in need. They will do what  
2 they can to try to ease a pain they know too  
3 well.

4 "This is a factor that came into play when  
5 the undercover agent approached many of those  
6 arrested in Operation Stampede. Most of them  
7 were not on welfare, but were struggling never-  
8 theless. The elderly were on fixed incomes; and  
9 most of them were single mothers, and all but a  
10 handful were minorities, black and Hispanic."  
11 And this is by my daughter, Ramona Altery.

12 THE CHAIRPERSON: What is your daughter's  
13 name again?

14 MS. FRANCES JOHNSON: Ramona Altery.

15 THE CHAIRPERSON: Thank you.

16 MS. FRANCES JOHNSON: I want to also say  
17 that my mother at the time that this accident occurred was  
18 seventy-seven years old. My uncle was --

19 (The speaker confers with her uncle.)

20 UNIDENTIFIED MAN: Eighty-five.

21 MS. FRANCES JOHNSON: He was eighty-five at  
22 the time that this happened.

23 THE CHAIRPERSON: We thank you again.

24 MS. FRANCES JOHNSON: Her primary language  
25 is Spanish, as is my uncle's. And she did not understand

1 -- neither one of them understood a lot of the legal  
2 proceedings that took place that day. And I just want to  
3 make that point there.

4 THE CHAIRPERSON: Thank you.

5 Are there any questions from the Committee  
6 members?

7 MS. FRANCES JOHNSON: One more thing. I  
8 think I have said this to you-all before in Las Cruces  
9 about how her property was destroyed.

10 Her house was literally destroyed. They threw  
11 smoke bombs in there; burnt the carpet, the furniture. A  
12 person already on a fixed income has to somehow come up to  
13 correct all the things that were done in her house. Her  
14 house needed painting all over again, and many things  
15 needed replacing.

16 THE CHAIRPERSON: Please remain standing.  
17 We have a question from Vincent Gallegos.

18 COMMITTEE MEMBER GALLEGOS: Frances, could  
19 you describe -- I know that you said a little bit about the  
20 damage in the house -- the force that was taken on both  
21 your uncle and your mom during the time of the arrest. Can  
22 you tell me about that to this Commission?

23 MS. FRANCES JOHNSON: You mean what her  
24 house looked like?

25 COMMITTEE MEMBER GALLEGOS: No. How they

1 forced the arrest. How they were treated. How they were  
2 handled.

3 MS. FRANCES JOHNSON: Okay. My mother was  
4 treated well. I was with her throughout the whole thing,  
5 even though I sometimes was not next to her.

6 But my uncle was -- I feel like he was really,  
7 really treated bad. My uncle was not allowed to use the  
8 bathroom. He hadn't had anything to eat since the night  
9 before. And he had to sit there with his hands handcuffed  
10 for many hours, as many of these people did. They didn't  
11 have anything to eat since the night before. Nothing to  
12 eat and drink, because many of them were arrested early in  
13 the morning.

14 And yet the officers that were there, it looked  
15 like they were having a party. They were celebrating their  
16 operation. They had pizzas and sodas that they did not  
17 share with these elderly or people -- all the people that  
18 were there.

19 COMMITTEE MEMBER GALLEGOS: How long did the  
20 arrest take?

21 MS. FRANCES JOHNSON: My mother was there  
22 for probably about two hours.

23 COMMITTEE MEMBER GALLEGOS: And your uncle?

24 MS. FRANCES JOHNSON: And my uncle was  
25 there --

1                   How many hours were you there (the speaker  
2 addressing her uncle)?

3                   MS. FRANCES JOHNSON: About four or five  
4 hours.

5                   COMMITTEE MEMBER GALLEGOS: And they  
6 arrested everybody and took them to the armory, National  
7 Guard Armory?

8                   MS. FRANCES JOHNSON: Most of the people  
9 that I have come to know since, they were taken to the  
10 armory first. And I was there. I saw it. There were a  
11 lot of people there in handcuffs. They had plastic  
12 handcuffs.

13                   COMMITTEE MEMBER GALLEGOS: So apparently  
14 nobody was arrested through the normal process and taken to  
15 a police agency?

16                   MS. FRANCES JOHNSON: No.

17                   COMMITTEE MEMBER GALLEGOS: It was already  
18 set up at the National Guard Armory?

19                   MS. FRANCES JOHNSON: Not that I know of.  
20 Everybody that I have spoken with was taken to the armory.

21                   And I saw that -- Many of these people I saw,  
22 they had cracked lips. They were thirsty there, and they  
23 couldn't even get a drink of water.

24                   I saw women there that had soiled clothing from  
25 being on their period, their monthly period. And that is

1 just -- there is no need for that. For food stamps? I  
2 don't think so.

3 COMMITTEE MEMBER GALLEGOS: All right.  
4 Thank you.

5 That is all, Judge.

6 THE CHAIRPERSON: Before we go any further,  
7 we would like to welcome Madeline Parry. She is another  
8 Advisory Committee member. We want to welcome her to our  
9 meeting.

10 The next person -- the next Committee member that  
11 will be offering a question will be Stanley Agustin.

12 COMMITTEE MEMBER AGUSTIN: Mrs. Johnson,  
13 could you give us a little bit more information about the  
14 circumstances as far as how many times were they  
15 approached, once, twice, three times, to buy food stamps?

16 MRS. FRANCES JOHNSON: My mother was not  
17 approached by the Indian himself. He had a young girl in  
18 the neighborhood going around doing his work for him.

19 (The speaker confers with her mother.)

20 MRS. FRANCES JOHNSON: Just the one time.

21 COMMITTEE MEMBER AGUSTIN: Just one time.

22 And your uncle?

23 (The speaker confers with her uncle.)

24 MRS. FRANCES JOHNSON: He just said they  
25 told him they were legal and they were not stolen.

1 COMMITTEE MEMBER AGUSTIN: Was he approached  
2 once?

3 MRS. FRANCES JOHNSON: Uh-huh.

4 COMMITTEE MEMBER AGUSTIN: I have one more  
5 question. At what point during the arrest were they  
6 advised of their rights?

7 (The speaker confers with her uncle.)

8 MRS. FRANCES JOHNSON: He says that this  
9 person told him that he brought them from the reservation  
10 to sell over here.

11 COMMITTEE MEMBER AGUSTIN: Was it the --  
12 And you say that it was the agent?

13 MRS. FRANCES JOHNSON: The agent --

14 (The speaker confers with her uncle.)

15 MRS. FRANCES JOHNSON: Yeah.

16 COMMITTEE MEMBER AGUSTIN: Did you hear the  
17 second question?

18 MRS. FRANCES JOHNSON: Would you repeat it,  
19 please?

20 COMMITTEE MEMBER AGUSTIN: At what point  
21 during the investigation were they advised of their rights?

22 MRS. FRANCES JOHNSON: Okay. On my uncle, I  
23 don't know. I will ask him in a second. On my mother, I  
24 believe it was through a TV monitor.

25 (The speaker confers with her uncle.)

1 MRS. FRANCES JOHNSON: I don't think that is  
2 understood; and he has trouble hearing anyway.

3 COMMITTEE MEMBER AGUSTIN: Did they have a  
4 translator there also?

5 MRS. FRANCES JOHNSON: Not for my uncle, nor  
6 for my mom. I translated as best I could; but, I am not a  
7 professional translator.

8 THE CHAIRPERSON: We will have Anne Thomas  
9 ask a follow-up question. After Anne Thomas, then will be  
10 Michael Antiporda will have another question.

11 And I will instruct people that are giving  
12 statements to pay close attention to the questions. The  
13 Committee needs you to answer the question that is being  
14 asked. Please stay with the issue. Pay attention to the  
15 question.

16 And I give these instructions so that we can be  
17 fair to everybody on the time. You are taking up time when  
18 you don't listen and answer directly to the questions that  
19 are being asked of you. So please pay attention.

20 And with those instructions, Anne Thomas will ask  
21 a question.

22 COMMITTEE MEMBER THOMAS: Thank you.

23 Ms. Johnson, you said that they received their  
24 notice of their legal rights via a television monitor. Did  
25 they receive that soon after they got to the armory, before

1 they were questioned; or was it at the end or in the  
2 middle?

3 MRS. FRANCES JOHNSON: With my mother, from  
4 what I recall, we walked in and she was told what her  
5 charges were. And then she was immediately taken to  
6 another station where she was fingerprinted.

7 (Extremely loud noises are coming from  
8 outside the meeting room.)

9 THE COURT REPORTER: I am sorry. I am  
10 having trouble hearing.

11 THE CHAIRPERSON: Ms. Johnson, the reporter  
12 is having problems in picking up your statements. So if  
13 you would, please, step to the podium over here.

14 THE COURT REPORTER: Thank you.

15 (Mrs. Johnson approaches the podium.)

16 COMMITTEE MEMBER THOMAS: So Ms. Johnson,  
17 they were told what the charges were. They were not asked  
18 any question; they were just told what the charges were.  
19 Fingerprinted. And then they were --

20 MRS. FRANCES JOHNSON: -- taken to a room  
21 where there was TV monitors with a judge on there.

22 COMMITTEE MEMBER THOMAS: And then after  
23 that were they asked questions?

24 MRS. FRANCES JOHNSON: Then after that she  
25 was taken to another room where she was interrogated by a

1 Secret Service agent.

2                   And after that she went before the judge to enter  
3 her plea.

4                   COMMITTEE MEMBER THOMAS: Did she ever ask  
5 for a lawyer?

6                   MRS. FRANCES JOHNSON: No, we didn't.

7                   COMMITTEE MEMBER THOMAS: Did the rights  
8 include that, that you have the right to have a lawyer  
9 present if you choose?

10                  MRS. FRANCES JOHNSON: Well, I am sure if it  
11 was said there, we didn't -- I didn't hear it. I don't  
12 remember it.

13                  COMMITTEE MEMBER THOMAS: Thank you.

14                  THE CHAIRPERSON: Michael Antiporda.

15                  COMMITTEE MEMBER ANTIPORDA: Michael  
16 Antiporda.

17                  Ms. Johnson, in your statements you have said  
18 that they threw smoke bombs into your mother's home. Could  
19 you please explain to me how this happened in the course of  
20 events? Did they go to your mother's home to arrest her,  
21 and is that when this happened?

22                  MRS. FRANCES JOHNSON: They went to my  
23 mother's home to arrest my brother. And my mother, thanks  
24 be to God, was not there. She was staying the night at my  
25 sister's house.

1           But my brother was asleep on the couch. And he  
2 said that what he heard was windows breaking. And he  
3 immediately got up and just started running for the back  
4 door. He didn't know what was happening.

5           But when I got there in the morning, after one of  
6 the neighbors called me to let me know that her house had  
7 been wrecked, you know that police and SWAT teams were all  
8 around, I went and that is what I saw.

9           COMMITTEE MEMBER ANTIPORDA: And what is  
10 your brother's name?

11          MRS. FRANCES JOHNSON: Jerry Martinez.

12          COMMITTEE MEMBER ANTIPORDA: And did he not  
13 hear -- Did the officers knock on the door?

14          MRS. FRANCES JOHNSON: They didn't identify  
15 themselves or knock or anything. He didn't hear any  
16 knocking. They just burst in the house. That is what he  
17 says.

18          COMMITTEE MEMBER ANTIPORDA: Thank you.

19          THE CHAIRPERSON: James Nez.

20          COMMITTEE MEMBER NEZ: Just one question.

21                 This agent, did he indicate what tribal  
22 reservation he was from?

23          MRS. FRANCES JOHNSON: I don't know. I  
24 never met him. I don't think they have ever said.

25          COMMITTEE MEMBER NEZ: All right.

1 THE CHAIRPERSON: Rebecca Bustamante.

2 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

3 Ms. Johnson, you have indicated that they were  
4 taken in and interrogated. Because they didn't have grasp  
5 of the English language, were you allowed to go in with  
6 them?

7 MRS. FRANCES JOHNSON: Well, I was allowed  
8 to go with my mother. And I interpreted the best way I  
9 knew how. But there is a lot of words that I have never  
10 even heard in Spanish, you know, like -- just certain legal  
11 words that are used, you know. But I did what I could, as  
12 far as interpreting

13 COMMITTEE MEMBER BUSTAMANTE: Thank you.

14 THE CHAIRPERSON: Madeline Parry.

15 COMMITTEE MEMBER PARRY: Mrs. Johnson, may I  
16 ask how old your mother is and how old your uncle is?

17 MRS. FRANCES JOHNSON: Okay, my mother was  
18 seventy-six at the time and my uncle was eighty-five.

19 COMMITTEE MEMBER PARRY: Let's remember they  
20 are senior citizens.

21 MRS. FRANCES JOHNSON: Yes. Exactly.

22 THE CHAIRPERSON: I don't believe there is  
23 any more questions. You may have a seat, Ms. Johnson.  
24 Thank you.

25 Helen Dee Walker? Helen Walker?

1 (A lady approaches the podium.)

2 THE CHAIRPERSON: You may begin.

3 MRS. HELEN DEE WALKER: My name is Helen Dee  
4 Walker. I am seventy years old.

5 I was approached last year of 1996. I purchased  
6 food stamps. I bought them out of need. I am a sick  
7 woman, a single parent. I have a 33-year-old brain-damaged  
8 son. We only get ten dollars a month food stamps. When  
9 the opportunity came for me to buy some food stamps, quite  
10 naturally I bought them.

11 I was arrested, not when the rest of the people  
12 was arrested, because I had moved. But they went to the  
13 address of my previous address. I was arrested the next  
14 day.

15 The officer that arrested me, I think his name  
16 was Pitcock. But it was around 3:30 or 4 o'clock in the  
17 afternoon. And I don't have anything to say about him. He  
18 treated me very decently. I was arrested and taken up here  
19 to the city hall and questioned by Mr. Casarez, I guess is  
20 his name. I gave my statement.

21 And they told me I could go home, but they didn't  
22 have no way to get me home. So -- They didn't have a car  
23 or anything available. So I said, "Well, I guess I will  
24 have to walk." So they said, "Well, we don't have a car  
25 available." I said, "Well, everybody in town know me, so I

1 will catch a ride between here and there." So I started  
2 out the door, and sure enough I caught a ride.

3           Since then, on the advice of my doctor, I have  
4 taken the plea bargain because it was interfering with my  
5 health. As you can see, I take 41 pills a day (holding up  
6 a pill box). This procedure, I may get sick. I just got  
7 through taking medication. I cannot stand to be upset or  
8 anything like that due to my illness.

9           I have suffered, I guess -- my doctor said  
10 subconsciously -- about being arrested for trying to feed  
11 me and my child on ten dollars a month. My son eat ten  
12 dollars' worth in one meal. Just for breakfast he drink  
13 twelve cups of coffee; four or five eggs. He is brain  
14 damaged. He was hit by a car in Hobbs, New Mexico, when he  
15 was sixteen years old. So he don't have any memory. And  
16 so he just eats and eats. Well, with our income, I can't  
17 afford anything but hamburger meat; chicken, when I can;  
18 pork steak or something like that. I don't know when we  
19 have had roast, brown steak or anything. We don't eat  
20 anything like that, because we couldn't afford it. So that  
21 is what happened.

22           So as of now I feel humiliated as being a woman,  
23 a mother. I have been a citizen of this community for over  
24 fifty years. I have served this community in a lot of  
25 capacities. I still work at the senior citizens' complex.

1 COMMITTEE MEMBER THOMAS: What did he tell  
2 you about them?

3 MRS. HELEN DEE WALKER: He told me that he  
4 came from the reservation and that he needed some money to  
5 get him an apartment. And I am very liberal about that.

6 At the time I had a little money saved up. I was  
7 going on a senior citizens' trip here out of the senior  
8 citizens' complex here. So I had taken my food stamp money  
9 and bought food stamps instead of the trip.

10 So when he came back the second time I said,  
11 "Well, I don't have but a little money." I said, "Dern,  
12 you must belong to the whole Indian Nation. Where are you  
13 getting all these food stamps?" He never say, and I didn't  
14 ask him. He didn't say anything, so I didn't ask anymore.

15 COMMITTEE MEMBER THOMAS: Thank you

16 COMMITTEE MEMBER NEZ: Let me ask. Did he  
17 indicate what tribal reservation he was from?

18 MRS. HELEN DEE WALKER: He just said he came  
19 from the Indian reservation. And he didn't have any money  
20 and they gave him -- these people gave him food stamps to  
21 come to Clovis to sell to get him a place to stay.

22 COMMITTEE MEMBER NEZ: That is it.

23 THE CHAIRPERSON: Lorella Salazar.

24 COMMITTEE MEMBER SALAZAR: Lorella Salazar.

25 Mrs. Walker, I have a short question. What is

1 the closest reservation that you know of here?

2 MRS. HELEN DEE WALKER: Well, to tell the  
3 truth, I don't know. I have been up to Albuquerque and  
4 around. But I don't know what tribes or anything. You  
5 know what tribe of Indians they are. I have been up there  
6 to the casinos, you know, and around; but, I don't know  
7 what kind of Indians they are. All I know, they are  
8 Indians.

9 COMMITTEE MEMBER SALAZAR: Let me ask you  
10 another question. Was this the first time anyone in your  
11 lifetime had approached you?

12 MRS. HELEN DEE WALKER: Yes.

13 COMMITTEE MEMBER SALAZAR: And you indicated  
14 that you were treated well at the police station.

15 MRS. HELEN DEE WALKER: Yes. I was taken to  
16 the police station. I wasn't at the armory. They went to  
17 where I lived previously the day that the sting was held.  
18 But I did not live there anymore. They didn't know where I  
19 stayed. So I was arrested the following day.

20 COMMITTEE MEMBER SALAZAR: Yes. And you  
21 plea bargained.

22 MRS. HELEN DEE WALKER: Yes.

23 COMMITTEE MEMBER SALAZAR: On the advice of  
24 your doctor.

25 MRS. HELEN DEE WALKER: Yes.

1 COMMITTEE MEMBER SALAZAR: Did you have an  
2 attorney with you?

3 MRS. HELEN DEE WALKER: No.

4 COMMITTEE MEMBER SALAZAR: You did this with  
5 the --

6 MRS. HELEN DEE WALKER: I did it with  
7 myself, after my doctor told me I could not continue with  
8 the stress and the things that I was going through.

9 COMMITTEE MEMBER SALAZAR: And with whom did  
10 you conduct this plea bargaining session?

11 MRS. HELEN DEE WALKER: With the --

12 COMMITTEE MEMBER SALAZAR: Was it the  
13 District Attorney or the assistant --

14 MRS. HELEN DEE WALKER: I guess it was one  
15 of his staff members, or whoever it is over there. Craig  
16 --

17 COMMITTEE MEMBER SALAZAR: Craig somebody?

18 MRS. HELEN DEE WALKER: Yeah, whoever that  
19 is. I have got it in my purse, the name.

20 COMMITTEE MEMBER SALAZAR: That is all  
21 right.

22 That is all I have.

23 THE CHAIRPERSON: Any more questions?

24 Michael Antiporda.

25 COMMITTEE MEMBER ANTIPORDA: Mrs. Walker,

1 COMMITTEE MEMBER ANTIPORDA: Thank you.

2 COMMITTEE MEMBER SALAZAR: Lorella Salazar.

3 For clarification, you get that for your son,  
4 because of his disability?

5 MRS. HELEN DEE WALKER: Yes. He gets the  
6 SSI also in the same amount.

7 COMMITTEE MEMBER SALAZAR: So a total of  
8 \$120.00 for you; and for him?

9 MRS. HELEN DEE WALKER: \$504.00. He gets  
10 \$504.00; I get \$504.00.

11 THE CHAIRPERSON: Vincent Gallegos.

12 COMMITTEE MEMBER GALLEGOS: Mrs. Walker,  
13 when you were arrested, what was your charge?

14 MRS. HELEN DEE WALKER: I was charged with  
15 possession -- I mean, the buying of food stamps.

16 COMMITTEE MEMBER GALLEGOS: And then after  
17 the plea bargain, what was your sentence?

18 MRS. HELEN DEE WALKER: Six months  
19 probation.

20 COMMITTEE MEMBER GALLEGOS: So that is  
21 supervised probation?

22 MRS. HELEN DEE WALKER: Unsupervised  
23 probation. I am not on probation at all now. I have  
24 completed the probation.

25 COMMITTEE MEMBER GALLEGOS: Thank you.

1 (A spectator stands in the audience.)  
2 MR. JACOB SANCHEZ: Madam Chairman? My name  
3 is Jacob Sanchez.  
4 I am not on the list, but I needed to answer -- I  
5 think I have the answer to the question where the gentleman  
6 -- which reservation he was from, if they will permit me to  
7 hear that.  
8 THE CHAIRPERSON: With what organization are  
9 you with?  
10 MR. JACOB SANCHEZ: I am the attorney for  
11 Averella Martinez. I am an attorney in private practice in  
12 Albuquerque. I am her attorney. And I am here basically  
13 on her behalf. I had no intention of addressing the  
14 Committee.  
15 But in my preparation for trial, I came to find  
16 out where the gentleman is from, if you-all wish to hear.  
17 COMMITTEE MEMBER NEZ: Sure.  
18 THE CHAIRPERSON: Yes, sir.  
19 MR. JACOB SANCHEZ: It is my understanding  
20 he is from the Laguna Reservation.  
21 THE CHAIRPERSON: Thank you, Mr. Sanchez.  
22 MR. JACOB SANCHEZ: Yes, ma'am. Thank you.  
23 THE CHAIRPERSON: Michael Merholz? Michael  
24 Merholz?  
25 UNIDENTIFIED SPECTATOR: He just stepped out

1 of the room. Here he comes.

2 (A man approaches the podium.)

3 THE CHAIRPERSON: Please state your name and  
4 the organization you are with.

5 MR. MICHAEL MERHOLZ: I am Mike Merholz. I  
6 am a citizen.

7 First thing I would like to state, I am presently  
8 on Medicaid with my children. I was on food stamps. I  
9 have never been arrested in this state. And I know for  
10 a fact that I could have been tempted, just like these  
11 people, because of the problems that we have in Human  
12 Services.

13 Vincent Gallegos helped my family get fed when I  
14 couldn't feed them. And I find it very atrocious, because  
15 I have been through the Medicaid process. I have been  
16 through the food stamp process. And I know what these  
17 individuals are going through.

18 The biggest problem, really, is not to the sting,  
19 but the pattern and the war on poverty on these people.  
20 The ethnicity, if you want to call it that. It is a  
21 problem. For example, when you fill out the application  
22 and you don't want to have a race. I refuse to have a race  
23 listed. I am American. That is my -- my right. Teresa  
24 Carson, one of the representatives, said, "Well, even if  
25 you don't list it, we have to observe it and mark it."

1           Now, that is how they got this list of people.  
2 These are people that I have known. Some I have dealt with  
3 quite a bit. Some I don't know at all.

4           My son is deaf and I have had a daughter with  
5 reconstructed kidneys. And I tell you what, I had to go  
6 to his food bank; I had to get him to intercede with Human  
7 Services to help my family. And I sit here and watch what  
8 these people went through and it appalls me.

9           I used to work at the jail and I have seen what  
10 happens to the inmates. They are not telling lies. I lost  
11 a job for reporting it. Refusing to give medication to  
12 people. Giving their own medication to people. I find it  
13 atrocious.

14           It is documented. You have a gentleman that is  
15 the attorney general for Human Services that ran a hearing  
16 that was a mock.

17           I went through every channel I could. I got help  
18 from Vincent Gallegos. I could have been one of these  
19 people. Luckily, I was never approached when my kids were  
20 hungry. And luckily, people like Vincent Gallegos were  
21 around to help me.

22           Every one of these people has a child. Every one  
23 of these people -- if you will look around, most of them  
24 are minorities. I am white, so why would I say this? What  
25 benefit do I get?

1 who is deaf. If he was hungry, I would have fed him any  
2 way, any means I could. I have been luckier than most.

3 But I know a lot of individuals out there that  
4 have parents who are young; the dad's ran off. And grand-  
5 mothers and mothers are trying to help their kids support  
6 grandkids.

7 Not one person has addressed the big problem.  
8 The food stamp issue, in my opinion, has been created by  
9 this county. And it is also not being helped by an  
10 adversarial Human Services. That instead of helping people  
11 get the food stamps they deserve and are legally liable  
12 for, they made comments that I have tape-recorded. That,  
13 "Oh, we overspent last year, so we are going to cut it  
14 back."

15 You have got a governor who has made it very  
16 clear he is making a war on poverty. That is my statement.  
17 And if you have any questions, I will be glad to prove it  
18 to you.

19 THE CHAIRPERSON: Thank you.

20 Do we have any questions from any Committee  
21 members?

22 (No audible response.)

23 THE CHAIRPERSON: Thank you for your  
24 statement.

25 MR. MICHAEL MERHOLZ: I appreciate the time.

1 And when you listen to these people, I hope you listen with  
2 the added thought that, "What is the problem and how was it  
3 created in the first place?" And what are you going to do  
4 about it in the long run? I know you are not a governing  
5 agency, but you have got their ear. This is the only ear  
6 these people have.

7 THE CHAIRPERSON: Thank you, Mr. Merholz.

8 MR. MICHAEL MERHOLZ: Thank you.

9 (Applause from the audience.)

10 THE CHAIRPERSON: Do we have Anna  
11 Valdiviezo?

12 (A lady approaches the podium.)

13 THE CHAIRPERSON: Please state your name  
14 again and the organization you are with.

15 MS. ANNA VALDIVIEZO: My name is Anna  
16 Valdiviezo. I am a citizen.

17 I was also arrested for the stamp fraud. The  
18 reason I got food stamps -- well, I don't know, many people  
19 might not have my situation. But I am a widow. I have two  
20 kids I have to feed. And like one of the ladies said, I  
21 will do anything for my kids. When it comes to my kids, I  
22 will do anything for my kids.

23 I was also approached. And, you know, I don't  
24 drink, I don't smoke. I don't believe in drugs. I don't  
25 believe in that. I go to school.

1 I was working before that happened, but due to  
2 an accident, I didn't -- I couldn't go back. I have my  
3 back hurt, and I am going to Albuquerque to see a back  
4 specialist.

5 And I believe I was really badly mistreated at  
6 the armory when we were arrested, because I had my hands  
7 cuffed back. Due to the accident, I messed up my back and  
8 this right shoulder hurts a lot. And I asked them nicely,  
9 you know, if I could get released or at least loosen it up  
10 or something. And he said they had -- you know, they had  
11 no control over it, which I doubtfully believe that.

12 And I needed the restroom. I was humiliated,  
13 because she had to pull down my pants. You know, she had  
14 to pull them back up. And I think that is really humiliat-  
15 ing.

16 You know, I have two kids. My 14-year-old, he  
17 went to school frustrated all day. He said he was uncom-  
18 fortable all day at school. You know, I have got a four-  
19 year-old that keeps asking me, "Why?" You know, "Why were  
20 the cops here?" You know, that is very hard when you have  
21 a four-year-old.

22 You can't explain that to a four-year-old without  
23 putting her against the -- you know, the community that is  
24 supposed to help you. You know, the cops, the citizens  
25 that are supposed to be there for you. That is kind of

1 hard to explain to a kid why they are there without putting  
2 against them. You know, it is very, very hard. You know,  
3 I never thought this would affect my kids, but it -- I  
4 mean, it has really affected them. And that is what  
5 bothers me the most.

6 (The speaker begins crying.)

7 MS. ANNA VALDIVIEZO: Because when it comes  
8 to my kids, I try to set a good example for them. And this  
9 just ruined everything, everything I have brought them up  
10 to be.

11 And the only -- the only way people understand  
12 why you do something like that is when you are in that  
13 situation.

14 I didn't -- I didn't steal the stamps. I paid  
15 for them. I didn't sleep with the guy for them. I didn't  
16 give him drugs for them. You know, I -- I didn't do  
17 anything that I thought was illegal.

18 You know, and if anybody has been in my  
19 situation, you will know what it feels like to have to try  
20 to feed two kids and you're a widow. You are trying to go  
21 to college. You are trying to work part time, at least.  
22 They wanted me to go full time. I couldn't go. I believe  
23 in going full time, working hard. What good is it going to  
24 do me to go full time, work full time? Who is going to  
25 tend to my kids? Who is going to be there for them after

1 care of your needs?

2 MS. ANNA VALDIVIEZO: Yeah. I had to ask a  
3 few times.

4 COMMITTEE MEMBER AGUSTIN: When were you  
5 made aware of your charges that were against you?

6 MS. ANNA VALDIVIEZO: That one morning, that  
7 same morning.

8 COMMITTEE MEMBER AGUSTIN: At 7:30, when  
9 they came to your home?

10 MS. ANNA VALDIVIEZO: Uh-huh, 7 o'clock in  
11 the morning.

12 COMMITTEE MEMBER AGUSTIN: How often were  
13 you approached to buy those stamps?

14 MS. ANNA VALDIVIEZO: Just one time.

15 COMMITTEE MEMBER AGUSTIN: Just the one  
16 time?

17 MS. ANNA VALDIVIEZO: Uh-huh.

18 COMMITTEE MEMBER AGUSTIN: I know that you  
19 have a situation that maybe you would do anything for your  
20 children. But you did know that these were illegal?

21 MS. ANNA VALDIVIEZO: I knew -- I knew --  
22 Well, I knew it was illegal. But the guy said that he  
23 needed them real bad, you know. And I thought, "It's a  
24 trade-off." I need my kids to be fed. He said he needed  
25 help. You know, he gave me this story that anybody will

1 fall for. I mean, if these elderly people fell for it --  
2 you know, I have got kids to feed.

3 COMMITTEE MEMBER AGUSTIN: Thank you.

4 THE CHAIRPERSON: Rebecca Bustamante.

5 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

6 Ms. Valdiviezo, did your children -- that  
7 morning, were they taken with you; or did you --

8 MS. ANNA VALDIVIEZO: No. My kids were  
9 there that morning when they saw the cops come in and  
10 everything. And my oldest son was just so devastated. I  
11 mean, he didn't want to go to school. He left to school.  
12 You know, I just calmed him down. I told him to go to  
13 school.

14 But my four-year-old was devastated. I live next  
15 door to my parents. My mother was arrested in front of  
16 her. I mean, I was treated okay. You know, I can't say  
17 nothing about that. I was treated okay right there. But  
18 my mother was arrested in front of my four-year-old. You  
19 know, she -- I mean, that's all -- that's all you hear her  
20 talk about, you know. It devastates me, you know, to think  
21 of my four-year-old, you know, talking about stuff like  
22 that.

23 COMMITTEE MEMBER BUSTAMANTE: Thank you.

24 THE CHAIRPERSON: Vincent Gallegos.

25 COMMITTEE MEMBER GALLEGOS: Judge, I just

1 want to clarify a couple of points regarding the police  
2 and the intent of the issuance of food stamps for this  
3 investigation. And I just heard something, and I know that  
4 we didn't ask the question to the prior persons.

5           But according to the briefs that we have, the  
6 food stamps were issued according to what the person from  
7 -- The Human Services Department stated that for looking  
8 for food stamp fraud where they were exchanging food stamps  
9 for drugs, guns, and other items.

10           And the young lady just stated that she had  
11 nothing -- that she didn't trade drugs or guns or anything  
12 of the sort.

13           Was the same guy, this Ernie Valdez -- or whom-  
14 ever it was -- was he the one that approached you and sold  
15 you the food stamps?

16           MS. ANNA VALDIVIEZO: Well, I was told about  
17 it, yes.

18           COMMITTEE MEMBER GALLEGOS: And you bought  
19 from him?

20           MS. ANNA VALDIVIEZO: Yes, I bought.

21           COMMITTEE MEMBER GALLEGOS: And you said  
22 also that your mother was arrested.

23           MS. ANNA VALDIVIEZO: Yes, uh-huh.

24           COMMITTEE MEMBER GALLEGOS: Did she buy the  
25 food stamps with cash?

1 was going to Laughlin, Nevada, with. Money. I don't know  
2 anything about drugs or guns.

3 COMMITTEE MEMBER GALLEGOS: So you paid  
4 cash?

5 MRS. HELEN DEE WALKER: I paid cash.

6 COMMITTEE MEMBER GALLEGOS: Mrs. Martinez?  
7 I am going to ask this question in Spanish.

8 THE CHAIRPERSON: Mr. Gallegos, please, for  
9 the record, state what the question is.

10 COMMITTEE MEMBER GALLEGOS: The question is  
11 the same question. Whether she purchased the food stamps  
12 with drugs or guns.

13 (Committee Member Gallegos addressing the  
14 audience in Spanish.)

15 MR. JACOB SANCHEZ: Mr. Gallegos, excuse me.  
16 As her attorney, I am not going to let her answer  
17 the question, because we are still pending trial.

18 But I would like to say that she doesn't own any  
19 guns that she would be in a position to trade, and no  
20 illegal drugs of any sort that she would trade for illegal  
21 stamps.

22 So even the allegations do not contain -- or the  
23 charges do not contain any allegations that in her case  
24 either drugs or --

25 (A baby sitting on the front row begins

1                    disrupting the hearing, and continues to do  
2                    so throughout the remainder of the meeting.)

3                    THE COURT REPORTER: I am sorry. I did not  
4 hear the last part.

5                    MR. JACOB SANCHEZ: Neither illegal drugs  
6 or firearms were not used. It was never part of the  
7 allegations in her case. So the answer, I guess, is "No."

8                    COMMITTEE MEMBER GALLEGOS: So may I ask the  
9 question if she paid cash, money, for the stamps?

10                   MR. JACOB SANCHEZ: Forgive me. But pending  
11 litigation, I would rather not get into any further  
12 details.

13                   But I think at that point we can just say drugs  
14 and/or firearms were not a factor in the allegations --  
15 in the charges, I am sorry. And because of the pending  
16 litigation -- I am not trying to put her into the position  
17 she is avoiding your question, but we are still facing the  
18 trial within the next few months.

19                   COMMITTEE MEMBER GALLEGOS: I appreciate  
20 your response.

21                   What about Mr. Sena?

22                   THE CHAIRPERSON: Okay, before we go any  
23 further. As Chairperson of this Committee, I do need to  
24 make some instructions here that any questions being  
25 presented by the Committee members should be refrained from

1 -- well, the questions pertaining to any underlying charges  
2 or offenses, we don't want to get into what the charges are  
3 or anything about the charges, because some of these cases  
4 might still be pending.

5           And all we are doing at this time is gathering  
6 facts as to what happened. And we don't really want to get  
7 into the specific cases. And so with those instructions I  
8 would ask the Committee members to please refrain from  
9 asking any questions that pertain to any underlying  
10 charges. And we just want to find out as to what happened  
11 with these individuals.

12           COMMITTEE MEMBER GALLEGOS: Okay. I just  
13 wanted to clarify my point -- the briefs -- that that was  
14 reason behind the arrests.

15           And I just heard the comment from the young lady,  
16 and I felt that I needed to understand whether the rest  
17 were involved in that type of activity or not. And I will  
18 go ahead and just conclude my question with that.

19           I appreciate your time.

20           THE CHAIRPERSON: We will, as a committee,  
21 gather all this information together for a summary report.

22           Okay. Now we are next -- or rather we are ready  
23 for our next presenter.

24           Ofelia Montano.

25           (A lady approaches the podium.)

1 THE CHAIRPERSON: Please state your name and  
2 the organization you are with.

3 MS. OFELIA MONTANO: Ofelia Montano.

4 I was arrested on September 19 of last year at  
5 7:28 in the morning. Somebody knock on the my door. My  
6 little boy answered the door. He was nine years of age.  
7 And he told me somebody wanted me at the door.

8 When I opened the door, I see it was police  
9 officers. I started screaming. I have a son in the  
10 penitentiary, so I thought maybe something happened to him.

11 I said, "What happened to my son?" "Is anything  
12 wrong with my son?" Everybody looked at each other like I  
13 was some kind of stupid person or crazy.

14 So finally the one officer told me that I had  
15 been -- they had an arrest warrant for me for dealing with  
16 food stamps. I say, "No," because I didn't understand at  
17 the time that I was selling food stamps. And finally they  
18 explained to me what had happened and I said, "Okay. I  
19 did."

20 So they went ahead, read my rights. Put me up  
21 against the window. They searched me. Put the handcuffs  
22 on me. They asked me if I would let them go inside my  
23 house and search my house, and I said, "Sure."

24 When I tried to enter my house, the lady officer  
25 pulled me to the side. She hold me back. She wouldn't let

1 me go back inside that house. She then conducted another  
2 search. At this time she made me face the wall, the other  
3 window, and she started searching and started touching my  
4 breasts, which I didn't understand why she was doing that.  
5 I asked her if she needed to do another search. She didn't  
6 answer me. She came between my legs and she entered I  
7 think two or three fingers in my private parts.

8           And after she finished, she went head and let me  
9 go inside the house. I asked them if I could send my kids  
10 to school, so they wouldn't see me with the handcuffs.  
11 They didn't pay attention. So when I entered the house, I  
12 told my kids to go ahead and go to school, that everything  
13 was okay.

14           I asked if I could use my own phone so I could  
15 have someone to go and take care of my kids. When they  
16 tell me I am going to be placed under arrest, I figure I am  
17 going to go to jail. They denied me that. She said, "No."

18           So I asked if I could put some shoes on. She  
19 didn't really help me. I had to do the best I could,  
20 because my hand was already cuffed.

21           I asked to go to my room so I could put something  
22 over me, because I wasn't wearing a bra. She pulled on a  
23 shirt. It was too small for me. She didn't let me take  
24 the handcuffs off my hands so I could put it on, so I just  
25 wore it over.

1           We got to the armory. We sit there. And I know  
2 this might not be my business, but the things that I see  
3 what they did to Mr. Sena. I see two officers laughing.  
4 When I turned around and looked back, this other officer  
5 was bringing him back, and he was already all wet. And he  
6 was making fun of his privates. He was like that  
7 (indicating), and they were laughing. When I went ahead  
8 and turned -- I mean, when he went and sat him down, he  
9 went again to those two officers and started talking about  
10 him and started laughing so hard. And that made me angry.

11           We weren't allowed to -- I mean, they had us  
12 handcuffed -- myself, anyways, from 7:28 until about 2:30  
13 that afternoon. We just had the handcuffs removed and  
14 fingerprinted and that is it. That is what happened.

15           THE CHAIRPERSON: Anne Thomas.

16           COMMITTEE MEMBER THOMAS: How many times  
17 were you approached to buy food stamps?

18           MS. OFELIA MONTANO: I was approached from a  
19 person that I knew three times. And the third time I did  
20 agree to buy some. The second time, the person came to my  
21 house and brought the Indian to my house. And from there,  
22 I didn't see either one of them for a while.

23           Saturday afternoon I was coming from bingo. When  
24 I park in my driveway, it was kind of strange, the Indian  
25 was parked in my driveway. He had told me that he had been

1 following me for a long time. He asked me, "Don't you look  
2 behind your mirror?" I don't have a rearview mirror in my  
3 car.

4           So he entered my house and he gave me his phone  
5 number. He told me to put it away, not to let this other  
6 person to know that I had his number. He visited in my  
7 home at least two or three times, another week, just going  
8 over there talking, telling me that he was so bad, because  
9 he didn't know his mother -- he didn't know if she was dead  
10 or alive. That he didn't know his father. He was raised  
11 by his parents. He didn't have no brothers and sisters.  
12 And that he was from an Indian reservation in Arizona.  
13 That is what he was saying. He said he couldn't have no  
14 kids because he was in Vietnam and he go --

15           What is that?

16           UNIDENTIFIED SPECTATOR: Agent Orange.

17           MS. OFELIA MONTANO: Agent Orange. That he  
18 could have no kids.

19           He offered me -- He went as far as asking me if  
20 he could hire somebody or we could get somebody in my home  
21 to demolish my house so I could collect insurance.

22           COMMITTEE MEMBER THOMAS: Did you understand  
23 that buying the food stamps was illegal?

24           MS. OFELIA MONTANO: You know what, I think  
25 I did; because, you know what, I remember my parents coming

1 over here to the courthouse. Food stamps was based on the  
2 income you made.

3 THE CHAIRPERSON: Vincent Gallegos.

4 COMMITTEE MEMBER GALLEGOS: You know, I am  
5 kind of shocked at what I heard.

6 MS. OFELIA MONTANO: I was shocked myself  
7 when my son told me two weeks ago that when he answered the  
8 door it was a police officer with a gun pointing to the  
9 door. I wasn't even aware of that.

10 Just like this lady next to me said -- she was  
11 talking about the kids. It is hard, because, you know, it  
12 was like a slap in the face. You are trying to teach your  
13 kids, "If you do something, you break the law, you are  
14 going to pay for it." So for me, when I got out of the  
15 armory, I went and explained to my kids what happened;  
16 telling them, you know, I did something I shouldn't have  
17 done. So we left it like it was.

18 But now yesterday, I wanted to make sure. I even  
19 asked my son, I said, "Come outside and show me what  
20 happened." And he put himself like the police officer  
21 right there at the door. He said, "When I answered the  
22 door, the police officer was just like there with his gun."  
23 When I came outside, I just see the tops, so I don't even  
24 know if they had any guns out, you know.

25 My -- Social workers at school had to be called

1 for my kids. I mean, the relatives being called. It was  
2 bad. The kids took it very hard. I think everybody's kids  
3 took it very hard.

4 COMMITTEE MEMBER GALLEGOS: What were your  
5 charges when you were arrested?

6 MS. OFELIA MONTANO: Buying food stamps.  
7 And I took it very personal, because when they -- whenever  
8 they say that it was -- like you say, just food stamps with  
9 guns, drugs, this and that. I mean, that man used to come  
10 to my house, bring his own liquor and drink there in my  
11 house. I used to go out once in a while. And every time I  
12 go there, he practically throwing himself at me. He wanted  
13 to take me for breakfast. He wanted to drink. And I said,  
14 "Oh, I wanted to drink," I said. But I did not believe. I  
15 said, "I better just stick with water." But it was kind of  
16 strange, you know. I couldn't believe that. That was kind  
17 of creepy.

18 COMMITTEE MEMBER GALLEGOS: The only charge  
19 you had was the --

20 MS. OFELIA MONTANO: Yeah, the food stamp  
21 charge.

22 COMMITTEE MEMBER GALLEGOS: And you said  
23 that they did a body cavity search?

24 MS. OFELIA MONTANO: Yeah, they did. I  
25 didn't know what's wrong. I didn't know nothing was wrong

1 until I got to my house and I was saying to my friends, the  
2 one that picked me up. And she was telling me, "What  
3 happened?" And I told her. And the reason I knew it was  
4 wrong was when my daughter was there, and she just opened  
5 her mouth. And I thought I had done something wrong. And  
6 I said, "What happened now?" She said, "Mom" -- She was  
7 crying. Said, "Mom, they shouldn't have done that to you."  
8 But, like I said, I didn't know nothing. You know, I had  
9 never been in trouble.

10 COMMITTEE MEMBER GALLEGOS: Did they take  
11 anything from your house?

12 MS. OFELIA MONTANO: I had a dollar of food  
13 stamps. I told them where it was. Uh-huh.

14 COMMITTEE MEMBER GALLEGOS: And that's all.

15 MS. OFELIA MONTANO: That's it.

16 COMMITTEE MEMBER GALLEGOS: Thank you.

17 THE CHAIRPERSON: Thank you. Thank you for  
18 your statements, Ms. Montano.

19 At this time I would like to take a ten-minute  
20 recess, a ten-minute break. We will start exactly at  
21 fifteen minutes till 11:00.

22 (Brief recess.)

23 THE CHAIRPERSON: The meeting will be called  
24 to order again.

25 May we have Raymond Johnson? Raymond Johnson?

1 (A man approaches the podium.)

2 THE CHAIRPERSON: Please state your name and  
3 the organization.

4 MR. RAYMOND JOHNSON: No organization. My  
5 name is Raymond Johnson.

6 My interest here is Averella Martinez, my mother-  
7 in-law. I had to replace the window that was broken, shot  
8 out, and take out the couch that had been burnt beyond  
9 repair and the carpet. I had to repair that at her  
10 expense.

11 And what is being argued here is not about  
12 justice abused or crime committed. We argue that the sting  
13 operation did not discover and eliminate criminals. What  
14 took place was luring, baiting and trapping and criminaliz-  
15 ing human nature.

16 Are people dishonest? What else is new?  
17 Example, where is the City's \$4 million? Why is it that  
18 people of so-called status can get away with serious  
19 crimes, and poor pure working mothers and elderly people be  
20 charged as criminals for giving in to criminal enticement;  
21 enticement with such necessary items as food?

22 These so-called crimes would not have taken place  
23 had the bait not been placed on their doorstep or dangled  
24 in front of their unsuspecting eyes.

25 What gave this fiasco the appearance of crime was

1 the cops, the helicopters, rifles and guns, dogs. So many  
2 law enforcement officers. Anytime you see a police  
3 officer, automatically you think crime.

4 What a dramatic scene. What a waste of  
5 taxpayers' dollars. What politics. What a perfect setup  
6 for on-the-job training of SWAT teams. At whose expense?

7 It is no secret that today one is innocent until  
8 proven poor or broke. The accused are not criminals, they  
9 are pawns. Pawns with a dual purpose used to place  
10 political feathers in someone's cap and used to make  
11 welfare reform a justifiable most necessary move -- used to  
12 make welfare reform seem a justifiable and necessary move.

13 Politics, yes. But at whose expense and for  
14 whose benefit? And how many of the weapons confiscated had  
15 to be returned because they were legally owned? This was  
16 not told. And just how great an amount of drugs was  
17 actually taken? The public is entitled to know these  
18 things.

19 THE CHAIRPERSON: Are you through present-  
20 ing?

21 MR. RAYMOND JOHNSON: (No audible response.)

22 THE CHAIRPERSON: Do you have more to add?

23 MR. RAYMOND JOHNSON: Huh-uh.

24 THE CHAIRPERSON: Rebecca Bustamante and  
25 then James Nez.

1 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

2 Mr. Johnson, how much were the costs for the  
3 damage that had to be replaced?

4 MR. RAYMOND JOHNSON: I know the window was  
5 \$123.00. It is a big picture window. I don't know exactly  
6 the cost of the couch. But she replaced it. And the  
7 carpet, I don't know the amount either. I was not the one  
8 to buy it.

9 MRS. FRANCES JOHNSON: The carpet and living  
10 room and accessories damaged were \$2,500.00.

11 MR. RAYMOND JOHNSON: \$2,500.00.

12 COMMITTEE MEMBER BUSTAMANTE: Thank you.

13 COMMITTEE MEMBER NEZ: You said the windows  
14 were shot out. Did the police shoot the windows?

15 MR. RAYMOND JOHNSON: Yes. Yes.

16 COMMITTEE MEMBER NEZ: Did the occupants of  
17 the house do anything to warrant gunshots from the police?

18 MR. RAYMOND JOHNSON: I understood that the  
19 police had information that there was an Uzi in there.

20 These people acted on gullibility. They had no  
21 proof of any Uzis in there, yet they went in shooting  
22 windows out.

23 COMMITTEE MEMBER NEZ: Did they just start  
24 shooting as soon as they arrived, or did they attempt to --

25 MR. RAYMOND JOHNSON: I understand that no

1 warning was given. My brother-in-law was asleep. He heard  
2 no one knocking; no one hollering out, "This is the  
3 police." All he heard was windows crashing. Scared the  
4 hell out of him, so he ran out, which made him only look  
5 guiltier.

6 COMMITTEE MEMBER NEZ: Okay. That is it.

7 THE CHAIRPERSON: Stan Agustin.

8 COMMITTEE MEMBER AGUSTIN: Just to follow up  
9 on that. When you say the police thought there was an Uzi  
10 in there, why would they -- Did they give a reason why?

11 MR. RAYMOND JOHNSON: I understand that the  
12 Indian --

13 COMMITTEE MEMBER AGUSTIN: Beg your pardon?

14 MR. RAYMOND JOHNSON: I understand this  
15 information came to them from the Indian who was dealing in  
16 food stamps.

17 COMMITTEE MEMBER AGUSTIN: Did they say why  
18 it was in there? Did they give a reason why?

19 MR. RAYMOND JOHNSON: No.

20 COMMITTEE MEMBER AGUSTIN: How did the  
21 carpet happen to be damaged?

22 MR. RAYMOND JOHNSON: The smoke bomb that  
23 was shot in that broke the window.

24 THE CHAIRPERSON: Mr. Johnson, for the  
25 record, what is the definition of Uzi?

1 MR. RAYMOND JOHNSON: I understand it is an  
2 automatic weapon. High-powered.

3 COMMITTEE MEMBER AGUSTIN: I just need to  
4 ask just one more question. You said that the informant  
5 said there was an Uzi in the house. Did they indicate  
6 whether it was in possession of Mrs. Martinez, the son, or  
7 by someone in the house?

8 MR. RAYMOND JOHNSON: It was not indicated  
9 in whose possession. It was indicated that the gun was in  
10 the house.

11 Well, up to today my name was Raymond Johnson. I  
12 hope after today it isn't Mud.

13 THE CHAIRPERSON: Thank you, Mr. Johnson,  
14 for your statements.

15 Martina Chavez? Do we have Martina Chavez?

16 (A lady approaches the podium.)

17 MS. MARTINA CHAVEZ: My name is Martina  
18 Chavez. And I want to thank each and every one of you for  
19 being here, for being committed and dedicated to your job.  
20 I hope something will come out of this definitely.

21 I have been here for sixty-eight years, and in  
22 the last fifty years to me Clovis hasn't changed at all.  
23 If anything, the racists, the prejudice, has become very  
24 under the table. Under the table it still exists.

25 The tactics of our police force have not improved

1 any at all. Not at all.

2           Why did they target our community? Why? I  
3 understand that in the white community there is many --  
4 there is as many poor people over there also that are on  
5 food stamps, welfare checks. I know that for a fact. I  
6 have a -- A good friend of mine works for the post office  
7 and she tells me, "You cannot imagine the welfare checks  
8 that I deliver on the east side of town." And this is the  
9 white area. But why did they target our community where  
10 the blacks and the Hispanic live? Why?

11           Clovis hasn't changed. Our police brutality  
12 tactics are still here. Why? Because we are poor. We  
13 don't have any money. I certainly wish that all of us here  
14 could afford an attorney. I wish that their attorneys  
15 would be here speaking for them. We cannot all afford an  
16 attorney. So what do we do? We represent ourselves with  
17 what little language we have.

18           You said, "We don't want to waste time. We don't  
19 want to repeat yourselves." Well, a lot of these legal  
20 questions that you ask are foreign language to us. A lot  
21 of this legal terminology we have never even heard of.  
22 What exactly do you mean? Explain it to me in a different  
23 way so that I can answer you. Talk to me. Doctor language  
24 and lawyer language, you better come down to my size,  
25 because I don't understand what you are talking about.

1 That is our problem.

2           And I can understand you fellows that have been  
3 asking, "What tribe was he? Do you know what tribe was  
4 he?" I can sense and I can feel your embarrassment to know  
5 that this was one of your fellow Native Americans that came  
6 in here as an agent to entrap this Hispanic community.

7 Entrapment.

8           Because if I was poor and I could only afford ten  
9 dollars' worth of stamps to feed my family, twenty dollars,  
10 whatever, and if you come in here and offer me a hundred-  
11 dollar stamps for ten dollars or twenty dollars, you bet  
12 your bottom dollar I am going to take that offer. I am,  
13 because I can afford ten dollars or twenty dollars. I  
14 cannot afford to go anywhere else and buy a hundred or two  
15 hundred dollars' worth of food. But you offer me ten  
16 dollars for a hundred dollars worth of food stamps, I am  
17 going to take it.

18           And you know what? If my household is in very  
19 need of food and other staple items -- and I know it is  
20 illegal -- believe me, like a lot of you, are going to take  
21 the chance and hope that you don't get caught, because  
22 necessity makes you what you are. Necessity makes you do  
23 the wrong things that you never thought you were capable of  
24 doing. But you find yourself in a bind with a household  
25 full of children and bills behind, you are going to take

1 the risk of doing what we are not supposed to do.

2           And to me this tactics of the SWAT team that came  
3 into community with helicopters in the early morning hours,  
4 the tactics of breaking your window before they even  
5 knocked on the door -- and even if somebody had have  
6 knocked on the door, with a ski mask on in the wee hours  
7 of the morning, a ski mask on, I would have been so  
8 frightened, if I owned a gun I would probably be there  
9 opening the door with a gun in my hand. That is for sure.  
10 I don't own a gun. I don't want one. Because with fear  
11 and anger, you can do a lot of things that you were not  
12 capable -- that you didn't know you were capable of doing.

13           But I am pretty sure that any of you would have  
14 seen a person in the front door with a ski mask on, not  
15 knowing who in the heck they are. What is going through  
16 your mind? "What is this person with a ski mask doing in  
17 front of my door, kicking my door?" What is your feelings?  
18 Are you going to open the door and let him in? I don't  
19 think so. I think you are going to get a baseball bat; or  
20 if you have a gun in your house, you are going to take it  
21 out and take the risk of being arrested for defending  
22 yourself.

23           And that is exactly what happened to all our poor  
24 people in our community. They were pointed out for a  
25 stampede practice, a SWAT practice. That is what it is.

1 The SWAT team wanted practice. So they threw out their  
2 team, their SWAT team, helicopter, dogs, you name it.

3 This was entrapment by our District Attorney.  
4 Now why would you want to commit a crime yourself to entrap  
5 somebody? I don't care what you call it, as far as I am  
6 concerned that was entrapment. To come out here and dangle  
7 a hundred dollars, two hundred dollars' worth of stamps for  
8 ten or twenty dollars, I don't understand this. What kind  
9 of mentality does our District Attorney work with?

10 And our police force. Our police force, they  
11 think that all the criminals are in the west side of town.  
12 All the Mexicans and Hispanics are the criminals. We don't  
13 have any white criminals here in this town.

14 My God, wake up people. Wake up. This is going  
15 everywhere. And why? Because we are oppressed. There is  
16 a lot of racist and discrimination in this town. Even  
17 though they tell you, "Oh, we represent you. We represent  
18 you. We are for all of you"; I don't think so. I do not  
19 think so.

20 I cannot remember what year we had another team  
21 of board members that came in, civil rights members, and  
22 this is the honest to God's truth. Our own representative  
23 from our district came in and said, "You people come in  
24 here to our town with high hats. I know who you are. I  
25 know your name. I know where you live. I know how many

1 kids you have. I know where you work." What did that tell  
2 me? That told me that this representative stood up and  
3 intimidated each one of those board members. Intimidated.  
4 "What are you going to do? You come in here with your high  
5 hats saying you're the civil rights boards. Now what are  
6 you going to do? Just remember, I know where you live. I  
7 know where you work. I know how many kids you have." That  
8 is the kind of intimidation that goes on in this town, and  
9 just about everywhere too. Intimidation. "Plea bargain.  
10 I dismiss your charges."

11 THE CHAIRPERSON: Excuse me --

12 MS. MARTINA CHAVEZ: Don't speak about this  
13 no more.

14 THE CHAIRPERSON: Excuse me. Ms. Chavez,  
15 I don't mean to -- I don't mean to lessen your statement,  
16 your testimony, or anything. But because we want to allow  
17 everybody the same amount of time, being fair to everybody,  
18 I will ask you for a quick summary; and then the Committee  
19 members will ask you questions.

20 MS. MARTINA CHAVEZ: Sure. I understand  
21 that.

22 THE CHAIRPERSON: And then we will go on to  
23 the next speaker.

24 MS. MARTINA CHAVEZ: Of course.

25 THE CHAIRPERSON: So what you feel is very

1 important and what you want this Committee to take into  
2 consideration, we are ready to hear that. A brief summary.

3 MS. MARTINA CHAVEZ: I am not sure the  
4 extent of your power. What are you going to do with the  
5 findings of this committee, of this sting, food stamp  
6 operation? I have no idea what you are going to do with  
7 it, if anything.

8 I don't know how much power you have, how much  
9 teeth you have, to do whatever needs to be done to  
10 straighten out and to try to better our community and  
11 whatever community you guys wind up entering and listening  
12 to complaints and prejudice and injustice, just like we had  
13 here.

14 Like I said, I have lived here for a long time  
15 and this isn't the first time that something like this  
16 happens. There has been a lot of injustice in our city  
17 halls with our people.

18 At work you cannot -- you cannot speak your mind  
19 at work. You are out of a job. You cannot speak your mind  
20 to the wrongs that is being done to other employees or the  
21 wrongs that you see. You cannot speak your mind, the  
22 truth, to tell what's going on. You will get fired. So  
23 what do we do? We close our eyes and our mouth, and carry  
24 on with the same criminal injustice that is going on,  
25 because we are not allowed to speak. Otherwise we lose our

1 important for the Committee to take into consideration.

2           And so now the Committee members, if they have  
3 any questions, will be allowed to ask questions.

4           Ms. Anne Thomas.

5           COMMITTEE MEMBER THOMAS: Ms. Chavez, you  
6 talked about entrapment and spending, offering people a  
7 hundred dollars' worth of food stamps for ten or twenty  
8 dollars. And what I have read in my materials before I  
9 came, and what I have heard other people testify to, is  
10 that it was fifty cents on the dollar. That if you had a  
11 hundred-dollar coupon or food stamps, you could get that  
12 for fifty.

13           Do you know of people who only paid ten dollars  
14 for a hundred dollars?

15           MS. MARTINA CHAVEZ: I was making that  
16 example -- that example of myself. Had you offered me a  
17 hundred dollars' worth of food stamps for ten or twenty  
18 dollars, I would have taken it myself.

19           COMMITTEE MEMBER THOMAS: Okay. So you  
20 don't know of anybody who was offered a hundred dollars'  
21 worth of --

22           MS. MARTINA CHAVEZ: I was giving an example  
23 of myself.

24           COMMITTEE MEMBER THOMAS: Okay. Thank you.

25           THE CHAIRPERSON: Michael Antiporda.

1                    COMMITTEE MEMBER ANTIPORDA: Mrs. Chavez,  
2 you mentioned the SWAT teams and helicopters and police  
3 dogs. Do you know, were those means of force used for  
4 everybody or just in particular cases, or do you know the  
5 extent to which they were used?

6                    MS. MARTINA CHAVEZ: Well, I have read and  
7 heard where they used the dogs for drugs; stuff in vehicles  
8 on the highways or whatever.

9                    COMMITTEE MEMBER ANTIPORDA: No, I mean --

10                   MS. MARTINA CHAVEZ: But as far as in homes,  
11 in communities? No, I have never -- never heard of the  
12 SWAT team being used in our community for anything else.  
13 Not that I know of, anyway. This is the first time that I  
14 had ever heard of this SWAT team, helicopters, police dogs,  
15 that was turned loose on the west side where the Hispanic  
16 people lived.

17                   COMMITTEE MEMBER ANTIPORDA: They weren't  
18 used for a single individual -- or were they? Were they  
19 used for everybody, or were they used only for a few of the  
20 people that were arrested? Do you know? That may not be a  
21 question that you have an answer to.

22                   MS. MARTINA CHAVEZ: I am not sure exactly  
23 -- exactly how many of these people were subjected to this,  
24 where they broke the door or broke their window with ski  
25 masks on. I am sure you will have to ask that to one of

1 the persons here that actually happened to them and saw it.

2           Just recently, sometime last year, they used the  
3 SWAT team again in Melrose, which is like about twenty  
4 miles from here. Some individual wind up barricading  
5 himself in a barn, and the SWAT team was over there and the  
6 police force and everything. I can understand this. This  
7 -- this individual hold them at gunshot -- point. And I  
8 can see that. I can see that you need it.

9           But when you come in and break somebody's window  
10 and -- and -- and throw a smoke bomb early in the morning  
11 when a person is still in bed, where is the violence there  
12 that you are doing this to protect yourself, you know?

13           And if you are going to make a bust -- a drug  
14 bust, you individually stay with this person, this house,  
15 for months visualizing the drug dealing, the coming and  
16 going of this drugs. And then they move in there for this  
17 drug purpose.

18           But this was supposed to have been a food stamp  
19 sting. Where did they come in saying that there was drugs  
20 and guns operation over there? Where? They didn't have no  
21 -- no really real sources of knowledge about it. Did they  
22 took any weapons? Did they take an Uzi? I haven't heard.  
23 I am sorry, I haven't heard that they took Uzis and large  
24 amounts of weapons and bombs, you name it. I haven't  
25 heard. But let me tell you, if I own a gun and I saw

1 somebody with a ski mask kicking my door, I think I would  
2 use it.

3 Thank you very much. And like I said, I am  
4 really glad you are here, because I know everybody is busy.  
5 But I am really ashamed to be a part of this community,  
6 because things doesn't seem to change at all. It has  
7 gotten worse. Thank you.

8 THE CHAIRPERSON: Thank you for your  
9 statements.

10 Mrs. Stotts? Do we have a Mrs. Stotts?

11 (A lady approaches the podium.)

12 THE CHAIRPERSON: How do you spell your last  
13 name?

14 MRS. WILMA STOTTS: S-t-o-t-t-s.

15 THE CHAIRPERSON: Your first name, please?

16 MRS. WILMA STOTTS: Wilma, W-i-l-m-a.

17 THE CHAIRPERSON: And what organization are  
18 you with?

19 MRS. WILMA STOTTS: I am just with the  
20 peoples of Clovis, you know, and my family, with the things  
21 that is going on here.

22 I am a mother, for one. And it hurts to sit up  
23 and watch a police officer jump on your kids in your face.  
24 It hurt. I don't know how other mothers feel. I know how  
25 I feel to watch them sic dogs on my kids. The Spanish

1 community, I don't know how they are; but, I seen dogs bite  
2 my kids. They sic them on them. My kids didn't do nothing  
3 for this.

4 I got a call -- You know, we made a call, 911  
5 call, for emergency; an ambulance. My daughter was in the  
6 service and they sent her from overseas home because she  
7 was expecting. She was sick in the living room on the  
8 floor, couldn't breathe. We called for a 911 ambulance,  
9 and we got a yard full of policemen. And they fought my  
10 kids, picked at them, cussed them, fought them. Even said  
11 nasty names, you know, provoking you. It is words I  
12 wouldn't say, you know. But you provoke peoples, what do  
13 you expect? And I am standing for my black peoples and my  
14 Spanish peoples in Clovis, because we need help.

15 UNIDENTIFIED SPECTATOR: Yes.

16 MRS. WILMA STOTTS: Help. We are hollering  
17 for help.

18 Our children -- my children are not no gangsters.  
19 I never allowed it. Where a lot of people spared the rod  
20 -- spoiled the child by sparing that rod, I didn't spare  
21 that rod; I whipped that child and my child mind me. But  
22 then to turn around when they get grown and watch the  
23 police beat them and dog them, I am not standing for it.

24 I have got a home here. I bought that home to  
25 raise my children in. Okay, I am a single parent; but, I

1 had a husband part time, because he worked at night. But  
2 in a way, I was a single parent. I had to raise my kids in  
3 the daytime.

4 I asked Social Service to come to my house  
5 because somebody said that my kids wasn't eating and being  
6 raised right. When they come in my house, my house was  
7 full of food. My kids had clothes, where I didn't. They  
8 had everything they needed. They wasn't brand new. I  
9 might go to a garage sale or Salvation Army, but they made  
10 it. Sometime I might look in the trash and get some almost  
11 new and wash them. They stopped us from doing that and  
12 even cut down food stamps.

13 I have sit up and watched the police just call my  
14 kids names; sic dogs on them. They have got scars on them  
15 right now. I have got a son sitting up in the jail right  
16 now, beat up from the police department right in front of  
17 my home. And mother couldn't do nothing, but watch it. I  
18 am tired of watching it. I am real tired of watching it.

19 (Mrs. Stotts abruptly exits the room.)

20 THE CHAIRPERSON: Ms. Stotts? Ms. Stotts?

21 COMMITTEE MEMBER NEZ: Let her go.

22 THE CHAIRPERSON: Wilma Kay Cooper.

23 (A lady approaches the podium.)

24 THE CHAIRPERSON: Excuse me, Ms. Cooper.

25 Before we continue, the Committee -- the instructions are

1 to the presenters.

2           The Committee members are not insensitive to what  
3 is going on here. That is the purpose of the Committee  
4 being here, is to listen to what you feel is very important  
5 for us to hear. And please limit your statements, your  
6 information, to the food stamp fraud. That is what we are  
7 here for. And any other information that you might want to  
8 give, be sure you indicate that as to how it is relevant to  
9 this food stamp fraud that we are meeting on here. And  
10 after you have presented, the Committee members will be  
11 given an opportunity to ask questions for any clarifica-  
12 tions that we need on the statements made. So that is what  
13 I am going to instruct you on. So please, if you would  
14 cooperate with us, that would be very, very helpful.

15           Okay, you may continue, Ms. Cooper.

16           MRS. WILMA KAY COOPER: All of this tying in  
17 together, the food stamps, the entrapment and all, it is  
18 all buying into one. So like she was saying about the food  
19 stamps, it is the same people doing it with the food  
20 stamps.

21           Now when we have a funeral, we can't even go to a  
22 funeral unless they is arresting us. It is all into one.  
23 You just saying about the food stamp, it is what they are  
24 doing to all of us. We all got a different case. And it  
25 is buying with the food stamps, you know, how they are

1 treating us.

2           You know, we can't -- you know, we can't walk or  
3 we can't talk. They can put their hand in our face, say  
4 what they can do to us. We are not no dogs, you know. And  
5 the way they trap the food stamps, you know, with the food  
6 stamps. They didn't go to Colonial Park. They could have  
7 got more money at Colonial Park. But why did they pick on  
8 the poor? Because they know the poor was hungry. So they  
9 are trying to move the poor out and let the rich stay? No,  
10 that is wrong. You know, because all of us, we all need  
11 help, the poor need help.

12           And, you know, God send the police to help us,  
13 not to bruise us. If they cooperate with us, we give them  
14 the same thing. The same way they treat us, we are  
15 supposed to treat them back. But God don't have no evil in  
16 him. So we have to sit back, you know, and accept every-  
17 thing that they is doing to us, until we find someone to  
18 help us.

19           You know, sometime we will fall on our knees and  
20 ask the Lord, you know, to help us, that we needs help.  
21 But people don't listen. Because we are poor, we can't  
22 afford no help. We have got to go to the public defender.  
23 They are all working in together. See, it is the way how  
24 they are treating it. And the way they set them up, you  
25 know, it was wrong.

1           You know, I know about the case of the food  
2 stamp. I was in the predicament. I have got to go to  
3 court December the 4th because of something that they did  
4 to me. But you said, "Just stick to the food stamp." It  
5 is not all about just the food stamp. It is all about what  
6 they is doing here in Clovis. How they is treating us in  
7 Clovis.

8           Because they have got the badge, they have got  
9 the gun, they can do us any kind of way? I'm going to ask  
10 ya'll that question: They can do us any kind of way? Do we  
11 have to accept that? The fraud, the prosecutor, let down.  
12 It is all wrong. It is all wrong. So it is all bind in  
13 together. So put the food stamp, the bruise, the hurt and  
14 everything, put it all together, and it is going to come as  
15 just as one. They are not just doing it on the food stamp.  
16 They are doing more than just frogging people on food  
17 stamp. They is a bruising us too. That is not the white;  
18 it is the Spanish and the black. All the poor people.

19           Like one said about the drugs, who is bringing  
20 the drugs in? We don't got enough money to bring no drugs  
21 in here. Who is bringing it all in? Not us. I am on  
22 disability. You know that can't bring no kilo or nothing  
23 in. That is the same way a dope dealer, they set these  
24 people up on the food stamp, going and selling it. They  
25 might as well gone and sell drugs. They was out there

1 selling food stamps. And then they might be doing it doing  
2 it too. I don't know.

3 But it is all in one. Not look at just one case  
4 of it; ya'll needs to look at it all. And ya'll put it all  
5 together, then ya'll can see where the community is coming  
6 from.

7 That is all I have to say. And I thank ya'll. I  
8 thank the Lord first and then I thank ya'll.

9 THE CHAIRPERSON: Ms. Cooper, the Committee  
10 members might have questions of you.

11 Are there any questions?

12 COMMITTEE MEMBER GALLEGOS: I just want to  
13 know if it is appropriate to ask a question. Were you  
14 arrested during this food stamp?

15 MRS. WILMA KAY COOPER: No, sir. But I was  
16 arrested on another occasion.

17 I was going to a funeral. My brother had passed  
18 away, and they rushed in dogs, ambulance. It was just --  
19 You know, it shouldn't have happened. Not when people is  
20 in grief. They should have approached theirself. They  
21 should have identified theirself. You come up to me and  
22 approach me, says you can do anything, put your hand in my  
23 face and say you can do anything to me. Oh, no, you can't.  
24 You can't do anything to me. I am human, just like you is.  
25 I got rights, just like you do.

1 COMMITTEE MEMBER GALLEGOS: That is all.

2 THE CHAIRPERSON: Thank you, Mr. Gallegos.

3 And thank you, Ms. Cooper, for your statement.

4 We will listen to Dorothy Shaw. Dorothy Shaw?

5 (A lady approaches the podium.)

6 MS. DOROTHY SHAW: I am one of the ones that  
7 was took to the National Guard for stamps. That morning I  
8 was up washing dishes. And I heard helicopters flying  
9 around and I was kind of wondering, you know, what was  
10 going on.

11 So three -- two police cars, state police, came  
12 in and my husband answered the door. I was in the back  
13 room. And I have a disability brother, so I thought  
14 something had happened to him. So I got real scared and  
15 just, you know, started crying. And I say, "Well, whatever  
16 it is, tell my husband," because I thought, you know,  
17 something had happened to my brother. And so it took me  
18 a while, you know, before I came out to talk to them.

19 And they searched the house; and my little boy  
20 was there, my husband, my grandson was there. They scared  
21 us -- scared me all up real bad.

22 I work -- I haven't worked since February the  
23 19th of '96. I had got hurt on the job. And so that is  
24 why I had, you know, got them and stuff.

25 But they took us to the National Guard. They

1 had our hands handcuffed real tight. I was there at the  
2 National Guard for four to five hours.

3           And I asked one of the officers -- because I have  
4 a severe pinched nerve in my neck and the doctor been  
5 treating me for that and something in my shoulders. So I  
6 asked one of the officers -- you know, I told him about my  
7 -- you know, I had the pinched nerve in my neck; would he  
8 untie -- loosen the handcuff or let me put them in the  
9 front. And he just looked at me and he said, "Well, there  
10 is no comfortable way to wear a handcuff."

11           Everybody was there. The women was crying. The  
12 older man had wet on his-self. They was laughing. They  
13 had pizzas, Cokes. It was just -- it was funny to them.  
14 It was just a big party, just going around laughing. And  
15 on the way to the thing, they was talking about how many  
16 they had arrested; how different people was acting when  
17 they was arrested. I heard some say, "Did you see how  
18 dirty this person's house was?" This and that, and just  
19 talking about everybody. And women -- like I say, women  
20 was crying; I was crying myself.

21           Before I left, I guess I just -- because I never  
22 been in no trouble. And the other things, I don't know  
23 nothing about no drugs, no guns. I don't drink. I don't  
24 smoke. I don't do drugs. So that part, I don't know where  
25 all that came in from, because I never have took anything

1 like that.

2           And so everybody was just sitting there crying,  
3 and it was just so sad. All the women -- mostly women and  
4 older people and everybody was just so upset.

5           And at the house, before I left -- I guess I was  
6 so scared, because I had never been arrested or nothing  
7 like that. I had my purse on the table. And I didn't --  
8 I didn't know what I was doing. I just kept emptying  
9 everything out of my purse, I was so nervous. I would  
10 put it on the table; take it back out; empty it again; put  
11 everything back on the table (demonstrating), because I was  
12 so scared. (The speaker begins crying.)

13           And my grandson was there. He didn't want to go  
14 to school because he was so scared. And he -- he said,  
15 "Well, if they are going to arrest my grandmother, I want  
16 to go too."

17           And they just thought it was funny the way that  
18 they did us. And it wasn't no use to -- it wasn't no need  
19 for them to have to come in just for some stamps to do all  
20 this, searching your house.

21           And the way that everybody was treated up there  
22 and took to a room and put a TV in front of us, telling us  
23 about our rights. People sitting behind you talking. You  
24 couldn't understand what the TV was saying. I didn't know  
25 all that legal stuff that they was saying on TV. I didn't

1 know what they was talking about. Like I say, people  
2 sitting behind you talking, how could you concentrate on  
3 what they were saying? And just the saddest part is the  
4 way that they thought it was so funny, laughing, talking  
5 about people and how funny that it was, what they had did.  
6 Helicopters and all of this and that that was out.

7           And today I am still going -- suffering behind  
8 that. Just last month the doctor finally got my blood  
9 pressure down. My blood pressure had been up for about  
10 over a year. And every time I go to the doctor, he would  
11 say, "Dorothy, we gave you every kind of medicine. Why  
12 can't we get your blood pressure down?" It is because that  
13 I keep thinking about this.

14           And last month it finally gotten to be a little  
15 better, because I had been suffering with that and the  
16 pinched nerve in my back, so I hadn't worked. So they  
17 finally got it all controlled, the high blood pressure and  
18 the cholesterol, the pinched nerve in my shoulders.

19           And when they had me handcuffed, the next day my  
20 arm was all bruised up by the handcuff. They put them on  
21 tight as they could. They wouldn't loosen them. And, you  
22 know, it just really -- it just didn't make no sense. I  
23 still have nightmares from it. My grandkids, my little  
24 grandson and my son, they still remember it and, you know,  
25 still talk about it.

1           And it is something that I think the rest of my  
2 life the damage is done. And this will always be with me.  
3 This cannot be took back. This will be with me for the  
4 rest of my life, that I will remember this and what they  
5 did now. It can't be undid. Just for some stamps. I  
6 never heard of people coming in your home, knowing things,  
7 you know the way people was treated, just on account of  
8 stamps. I could see if we was -- had broke out of prison  
9 or was a murderer or something. Some of us was treated  
10 like we had killed somebody. There was so many of them, I  
11 had to think, I say, "Have I killed somebody, or what --  
12 you know, what have I did? You know, it was so bad the way  
13 that they are treating us and stuff."

14           THE CHAIRPERSON: Are you through present-  
15 ing?

16           MS. DOROTHY SHAW: (Nods head up and down.)

17           THE CHAIRPERSON: Anne Thomas.

18           COMMITTEE MEMBER THOMAS: Ms. Shaw, how many  
19 times were you approached to buy food stamps?

20           MS. DOROTHY SHAW: Once.

21           COMMITTEE MEMBER THOMAS: And did you buy  
22 them that one time?

23           MS. DOROTHY SHAW: Uh-huh.

24           COMMITTEE MEMBER THOMAS: You talked about  
25 that when the police came in that they scared all of you.

1 What was their conduct when they were in your house to  
2 cause you that fear?

3 MS. DOROTHY SHAW: I think what got me  
4 scared, like I said, I thought something had happened to my  
5 brother at first, because I was in the back room and my  
6 husband answered the door. And I just got real scared and  
7 nervous, because I just thought they was going to come and  
8 say something had happened to him. And so right away I  
9 just started crying and just running back and forth to the  
10 other room. I didn't want to hear what they had to say,  
11 because I just thought they was going to say, "Your brother  
12 was dead," or something. So I just -- that is just my way  
13 of reacting. And I just got real scared and started  
14 running from room to room, crying, and taking stuff out of  
15 my purse and putting it on the table. Just real nervous  
16 and stuff. That is what happened.

17 COMMITTEE MEMBER THOMAS: Did the police do  
18 anything to make everyone else afraid? I mean, did they  
19 grab people?

20 MS. DOROTHY SHAW: No.

21 COMMITTEE MEMBER THOMAS: Were they mean?  
22 Were their words inappropriate?

23 MS. DOROTHY SHAW: Huh-uh. And I asked one  
24 of the police ladies, could I go to the bathroom at the  
25 house, and she did like this (demonstrating). And my

1 daughter was there, and my daughter said, "You are going to  
2 let her go to the bathroom," you know. She got real -- you  
3 know, just like she didn't want me to go. She just kind of  
4 (demonstrating).

5 COMMITTEE MEMBER THOMAS: And you said, "We  
6 were handcuffed." Was there anyone else in your house  
7 besides you that was handcuffed?

8 MS. DOROTHY SHAW: Not "we." I meant I was  
9 handcuffed -- We was at the National Guard -- I was at the  
10 National Guard and handcuffed for about four to five hours.

11 COMMITTEE MEMBER AGUSTIN: Mrs. Shaw, when  
12 you were at the armory, were you allowed to use the  
13 bathroom?

14 MS. DOROTHY SHAW: I didn't dare ask to use  
15 the bathroom. I could have used it; but, I didn't want to  
16 get maybe turned down. So I didn't -- I just held it  
17 until I got home. I could have stood to use the bathroom;  
18 but, I didn't ask.

19 COMMITTEE MEMBER AGUSTIN: If you had asked,  
20 you thought you would have been able to use the bathroom.  
21 Is that what you are saying?

22 MS. DOROTHY SHAW: I don't know. I don't  
23 know whether I would have been allowed or not.

24 THE CHAIRPERSON: Rebecca Bustamante.

25 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

1           Ms. Shaw, you said that they searched your house.  
2 Did they show you a search warrant?

3           MS. DOROTHY SHAW: I think they did. It was  
4 -- I was so confused and just -- and everything. I think  
5 that -- They gave me -- They put some kind of paper on  
6 the table, and I guess that might have been what it was. I  
7 think you have to sign it; but, I'm not too sure what --  
8 I'm not too sure what I signed. At that point I was so  
9 nervous and scared, until -- I don't know exactly what --  
10 you know, what it was.

11           COMMITTEE MEMBER BUSTAMANTE: Thank you.

12           THE CHAIRPERSON: Anne Thomas.

13           COMMITTEE MEMBER THOMAS: When you were in  
14 the room getting your rights given to you over the  
15 television set, how many -- you said there were a lot of  
16 people. Approximately how many people would you say were  
17 in that room with you at that time?

18           MS. DOROTHY SHAW: I would say about fifteen  
19 or twenty, I guess. People were sitting in chairs and we  
20 had the television. I don't really know what -- You know,  
21 I was trying to listen; but, I didn't understand everything  
22 that was being said or whatever.

23           COMMITTEE MEMBER THOMAS: And when did you  
24 get those rights given to you? Was it soon after getting  
25 to the armory; before you --

1 MS. DOROTHY SHAW: No. We had sat -- we had  
2 sat a long time for -- a pretty good while, because they  
3 was fingerprinting us. And different ones they'd call us  
4 in there to get fingerprints and pictures and what have  
5 you.

6 COMMITTEE MEMBER THOMAS: Were you given  
7 the rights before you were interrogated or after you were  
8 interrogated?

9 MS. DOROTHY SHAW: I don't remember whether  
10 they did or not. I just don't remember.

11 COMMITTEE MEMBER THOMAS: Thank you.

12 THE CHAIRPERSON: Lorella Salazar.

13 COMMITTEE MEMBER SALAZAR: I wonder -- You  
14 mentioned that there were about twenty or thirty people in  
15 this room where you were being interrogated. You had  
16 previously also mentioned that there was a lot of talking.  
17 Were there any other people in the room besides those  
18 people that had been arrested or whatever? Were there any  
19 policemen or investigators present with that group?

20 MS. DOROTHY SHAW: I think the police and  
21 stuff was probably, I think, walking around and stuff.

22 COMMITTEE MEMBER SALAZAR: In the same room?

23 MS. DOROTHY SHAW: In the same room, because  
24 I could still see officers just, you know, back and forth.

25 COMMITTEE MEMBER SALAZAR: You think they

1 were the ones that were doing the talking?

2 MS. DOROTHY SHAW: Well, some of the people,  
3 while we was looking at TVs -- You know how people sitting  
4 behind you, talking and saying different things. And if  
5 somebody is talking -- And the TV wasn't up very loud, you  
6 know; and you can't hardly hear it and it is hard to under-  
7 stand -- well, at least for me, what all that legal stuff  
8 was in the beginning.

9 COMMITTEE MEMBER SALAZAR: Thank you.

10 THE CHAIRPERSON: Ann Thomas.

11 COMMITTEE MEMBER THOMAS: Was there anyone  
12 available in the room after they showed the TV to answer  
13 any questions; or you just were put in the room, shown the  
14 TV, and that was it?

15 MS. DOROTHY SHAW: Didn't nobody -- I don't  
16 think -- If there was, didn't nobody asked no questions.  
17 A lady just explained, you know, for us to listen to what  
18 was going to be on the TV. And I didn't hear nobody asking  
19 questions.

20 THE CHAIRPERSON: Rebecca Bustamante.

21 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

22 Ms. Shaw, you were fingerprinted before you were  
23 given your rights?

24 MS. DOROTHY SHAW: I think we was finger-  
25 printed before.

1 COMMITTEE MEMBER PARRY: Did the police eat  
2 their lunch in front of you?

3 MS. DOROTHY SHAW: They had pizzas and Coke.  
4 You would have thought it was a big homecoming party or  
5 something, and we wasn't invited. They had Cokes and  
6 laughing and talking, like --

7 COMMITTEE MEMBER PARRY: Did they even offer  
8 you a drink of water?

9 MS. DOROTHY SHAW: No, ma'am.

10 THE CHAIRPERSON: Michael Antiporda.

11 COMMITTEE MEMBER ANTIPORDA: Ms. Shaw, at  
12 any time, once you were taken to the armory, were any  
13 directions given to you, or the group of people there  
14 waiting, about what to do if you needed to go to the  
15 restroom or needed water or needed anything else?

16 MS. DOROTHY SHAW: I didn't hear of no  
17 directions.

18 COMMITTEE MEMBER ANTIPORDA: So there was no  
19 direction from any of the law enforcement?

20 MS. DOROTHY SHAW: And on the way to the  
21 armory, when they was taking me, I didn't know we was going  
22 to the armory. I thought we was going to the police  
23 station. So I am in the backseat handcuffed, really scared  
24 already; and I said to myself, "The police station is not  
25 this way." That is what I am saying to myself.

1           So when we goes over the overpass, I think -- and  
2 I was just real scared, because I don't know. The police  
3 are just so -- Some of them is so bad I said, "Well, maybe  
4 they are fixing to take me somewhere and" -- this was in my  
5 mind -- "kill me or shoot me." You know, I didn't know.  
6 So when we started going over the overpass, I said, "Where  
7 are ya'll taking me?" I said, "The police station is not  
8 this way." And he said, "Oh, we are going to be at the  
9 armory." You know, they didn't even explain -- tell me  
10 that we was going there, because I knew the police station  
11 was back this way.

12                   COMMITTEE MEMBER ANTIPORDA: But they did  
13 when you asked?

14                   MS. DOROTHY SHAW: Yes.

15                   THE CHAIRPERSON: Ms. Parry.

16                   COMMITTEE MEMBER PARRY: Were any family  
17 members able to go with the people? Like did your husband  
18 or anybody --

19                   MS. DOROTHY SHAW: I went by myself; and my  
20 husband and my daughter came down later.

21                   THE CHAIRPERSON: Thank you, Ms. Shaw, for  
22 your statements.

23                   MS. DOROTHY SHAW: Uh-huh. And thank ya'll  
24 for coming and listening to us.

25                   THE CHAIRPERSON: You are welcome.

1                   Joyce Ingram?

2                   (A lady approaches the podium.)

3                   MS. JOYCE INGRAM: I am Joyce Ingram, and I  
4 am with the food stamp organization.

5                   And when they came and arrested me that morning,  
6 it was like about 7:30, I heard a doorbell ring. I looked  
7 outside and there was about seven or eight officers  
8 outside. And I asked them what did they want. They said  
9 they had a warrant for Joyce Ingram's arrest. And so I  
10 asked them for what; and they said for food stamp fraud.

11                   And at the time I said, "Well, let me put on a  
12 gown," because I had come to the door -- I had on some  
13 sleepers and I said, "Oh, let me get a robe."

14                   Okay, I let them in and I said, "What do you have  
15 to arrest me for?" They said, "Food stamps." And I told  
16 them at that time, I said, "I don't know what you are  
17 talking about."

18                   And this guy -- I said, "Well, I'm not leaving;  
19 I'm not going nowhere." This guy, he called someone and he  
20 comes to the door and he peeps over and he said, "Yes,  
21 that's her. We have a warrant for her arrest." And they  
22 said, "Ma'am, put your hands behind you. We are going to  
23 arrest you."

24                   So I asked them at that time could I get a robe  
25 or something to change into some clothes. Which I only

1 had, like I said, a robe. And at the time they did let  
2 me change clothes, but I had to change clothes with the  
3 officer watching me, as he stood in the hallway. And then  
4 I asked him if I could take the rollers out of my hair.  
5 They took me down with the rollers in my hair.

6           There was about seven or eight policemen in my  
7 house at one time to arrest one lady for food stamps. They  
8 did not read me my rights. At the time my husband told  
9 them, "Man, you don't have to put the handcuffs on her,"  
10 because I told them I had a problem with my hand. I have  
11 carpal tunnel syndrome with my hands.

12           And at the time they put the handcuffs on, they  
13 took me to the jailhouse. And they had the handcuffs on so  
14 tight when I got there, I asked them could they loosen up  
15 the handcuffs. They would not loosen up the handcuffs.  
16 They kept me handcuffed for four or five hours with my  
17 handcuffs on.

18           They did not read me my rights. I am a  
19 minister's wife, and they humiliated me and took all away  
20 my dignity. I left this place thirty-three years ago and  
21 I come back and it's still the same. Nothing has ever  
22 changed. It is still the same thing for thirty-three  
23 years.

24                           (Audience making affirmative comments.)

25           MS. JOYCE INGRAM: And when I was in there,

1 I asked a female officer, "Could I use the restroom?" She  
2 takes me to the bathroom and pulls down my clothes. I  
3 didn't have to use -- I asked her why I did not get water.  
4 I still asked them to loosen the handcuffs, and they told  
5 me, "Ma'am, I can't. That's the procedure."

6 Then they takes us in this room and shows us a  
7 video where there's a lot of people talking, and that is  
8 the only time I got the handcuffs taken off my hands.

9 THE CHAIRPERSON: Are you through present-  
10 ing?

11 MS. JOYCE INGRAM: (Nods head up and down.)

12 THE CHAIRPERSON: Do you have any questions?  
13 Stan Agustin.

14 COMMITTEE MEMBER AGUSTIN: Mrs. Ingram, how  
15 many times were you approached to buy food stamps?

16 MS. JOYCE INGRAM: Once.

17 COMMITTEE MEMBER AGUSTIN: Just once. And  
18 did you buy them?

19 MS. JOYCE INGRAM: Yes.

20 THE CHAIRPERSON: Okay, Mrs. Ingram, we  
21 thank you for your statements.

22 Ora Lee Harris? Ora Lee Harris?

23 (A lady approaches the podium.)

24 MS. ORA LEE HARRIS: I am Ora Lee Harris.

25 On September the 19th -- I go walking every

1 morning up to the high school -- and they send some police  
2 cars up there to the school; but, they didn't know who I  
3 was.

4           And they went to the house while I was walking;  
5 and they pulled guns on my little thirteen-year-old  
6 daughter and they made her laid on the floor. And I had --  
7 My niece, she was nineteen. They made her get off the sofa  
8 and take the two little kids, two and one, and they made  
9 all of them laid on the floor and my three daughters at  
10 gunpoint.

11           Then I came back home from -- I seen all the  
12 police around my house. And me and my neighbor,  
13 Bernadette, she was giving me a ride back to her house and  
14 I was going to walk back to my house.

15           So I passed by the policemen. They didn't know  
16 who I was. So Ernie told them, "There she is in the car  
17 right there." And the officer told my friend to pull the  
18 damn car over up the alley. Then they all ran to the car  
19 and they pulled guns and stuff on me and slammed me against  
20 the car.

21           And on my side -- my shoulders hurt; and my leg,  
22 I still have a problem with it. They snatched me out of  
23 the car, throwed me against the car; pulled a gun on me and  
24 told me to put hands behind me.

25           So Ernie, he was sitting in the back of the

1 highway patrol car. Took a video of me. Started laughing.  
2 They was just sitting up there laughing. All the policemen  
3 and Ernie, they just joked; all of them sat in the back of  
4 the car and just laughed.

5           Then they put the handcuffs on me and took me  
6 back in the house and told me they was looking for EBT card  
7 and some food stamps. And I stated to him that, "I'm not  
8 on welfare and I don't get no EBT card." So they went to  
9 my room and my kids' room and started pulling all the  
10 clothes and stuff out of the drawers and stuff, looking for  
11 some food stamps that Ernie said that he had brought over  
12 to my house.

13           And I met Ernie -- he came to my house. He ate  
14 over there all the time. He brought some food stamps. He  
15 asked me -- I told him I would keep the food stamps for  
16 him and put some food in my refrigerator, because he said  
17 he didn't have no refrigerator, he didn't have no furniture  
18 or anything. So me and my husband, we gave him lots of  
19 appliance and stuff to help him out. And some Amway people  
20 was going to help him out too.

21           Then they took me to the armory and we sat there  
22 about -- I got there about 7:15. And I asked them if they  
23 would loosen the handcuffs up on me, because my shoulders  
24 was hurting; and they told me they couldn't do it.

25           And the lady took -- We sat there for a long

1 time. Everybody kept asking her. Then he took me to the  
2 room, the officer did, to ask me some questions. So I  
3 stated to him if he couldn't show me the paper work or a  
4 video where I had bought -- supposedly bought food stamps,  
5 then I didn't have nothing to talk about. And so they got  
6 pissed off and said they didn't have nothing to talk to me  
7 about.

8 THE CHAIRPERSON: Do you have any more to  
9 add?

10 (No audible response.)

11 THE CHAIRPERSON: Are you through present-  
12 ing?

13 MS. ORA LEE HARRIS: And -- You know, but  
14 every since that day when I see policemen and stuff, I  
15 panic, because it's just -- It is fear. Because I took  
16 Ernie in my house as a true friend. He told me that he was  
17 from Phoenix, Arizona, and he had a bunch of Indians on the  
18 Indian reservation and they needed help. And I gave him  
19 lots of furniture, because I didn't need it. And that is  
20 what happened.

21 THE CHAIRPERSON: Are you through present-  
22 ing?

23 MS. ORA LEE HARRIS: Uh-huh.

24 THE CHAIRPERSON: Mr. Gallegos.

25 COMMITTEE MEMBER GALLEGOS: You said he gave

1 you food stamps?

2 MS. ORA LEE HARRIS: Yeah, he gave me some  
3 food stamps. I asked him what was it for. He said he  
4 didn't have no refrigerator in his house. And I told him  
5 that -- He lived in Apartment 58. I told him that since  
6 he didn't have no refrigerator, that I will buy him some  
7 groceries and put in my refrigerator and he could come over  
8 there and eat. And Ernie came over there every day. He  
9 ate dinner, supper and breakfast with us. And he even came  
10 over there to the Amway meeting and everything.

11 THE CHAIRPERSON: Rebecca Bustamante.

12 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

13 Ms. Harris, did they find food stamps?

14 MS. ORA LEE HARRIS: No. Ernie came there  
15 September the 16th, and he said that the police was looking  
16 for him and all of that. Because the first time he came to  
17 my house, I said, "Ernie, if you are an undercover cop, I  
18 know if somebody asks you a question, you are supposed to  
19 identify yourself." And he said he wasn't. Because I told  
20 him I couldn't afford to get in no trouble buying food  
21 stamps and all of that. And he stated that nobody would  
22 get in no trouble buying those food stamps, because he was  
23 doing it to help his people in Phoenix, Arizona. Because  
24 it was a bunch of military guys from the base was gonna --  
25 got two U-Hauls and they was going to take -- get some

1 furniture and take to Phoenix for the Indians, because they  
2 said they was building homes and stuff for them.

3 THE CHAIRPERSON: Ms. Anne Thomas.

4 COMMITTEE MEMBER THOMAS: Were you taken  
5 into the room with the television set to hear your rights?

6 MS. ORA LEE HARRIS: Yeah, they took us in  
7 there. It was twenty peoples. And they had a video.

8 Before they took us in, I talked to Randall  
9 Harris and I asked him what was they going to do. And he  
10 told me not to worry about it, because they was taking  
11 peoples in there five at a -- five at a time.

12 And then they took us in the room; they showed  
13 a video. And they was talking about on the video about  
14 drugs. And then they talked about other different  
15 procedures; but, it wasn't no procedure about food stamp  
16 fraud and all of that.

17 And then we went up -- They sat at the table,  
18 just like ya'll are sitting. And it was George Burke -- I  
19 forget the other. All of them sit up there and they tell  
20 you how much your bond was going to be and how much you had  
21 to pay; and said they got you for food stamp fraud, and  
22 misdemeanor, conspiracy, and all of that. And then they  
23 have you to sign the paper, telling you to go sit back over  
24 there and then they will take you to jail. A lot of them  
25 they took to jail and a lot of them they didn't.

1 COMMITTEE MEMBER THOMAS: You said they took  
2 five of you at a time, but then you said there were twenty  
3 people read their rights.

4 MS. ORA LEE HARRIS: Yeah. They come take  
5 five peoples out of there, and they already have some  
6 peoples -- They send five out and they bring five more in.  
7 And so the procedure there was just keep taking peoples in  
8 there.

9 COMMITTEE MEMBER THOMAS: And did you get to  
10 see the rights, such as they were on the television set,  
11 before you were questioned or after you were questioned?

12 MS. ORA LEE HARRIS: Oh, you seen the film  
13 before you was questioned. And then they read the  
14 procedures -- they didn't read no procedures to you. They  
15 just told you how much fine was, how much your bond was;  
16 and if you could get out or if you was going to jail.

17 And then everybody set in there, they laughed and  
18 talked about everything. They thought everything was a  
19 joke.

20 COMMITTEE MEMBER THOMAS: Could you under-  
21 stand the tape, given the number of people that were in the  
22 room and they were talking loudly?

23 MS. ORA LEE HARRIS: Yeah. Not too clearly.

24 COMMITTEE MEMBER THOMAS: Was the volume --

25 MS. ORA LEE HARRIS: No, the volume wasn't

1 up real high.

2 But they had all of it planned before they took  
3 peoples up there. They waited for the -- The D.A. and all  
4 of them came about nine something, between 9:30 and 10:00.

5 THE CHAIRPERSON: Vincent Gallegos.

6 COMMITTEE MEMBER GALLEGOS: Were you finger-  
7 printed before --

8 MS. ORA LEE HARRIS: I was fingerprinted.

9 And they kept making the joke about asking people to smile  
10 and stuff when they take their picture.

11 COMMITTEE MEMBER GALLEGOS: Were you finger-  
12 printed before you were read your rights or after?

13 MS. ORA LEE HARRIS: Yeah, we was finger-  
14 printed -- Yeah, we were fingerprinted before they read  
15 anybody rights. They take the fingerprints, and then they  
16 take you back. Go back over there and sit down.

17 COMMITTEE MEMBER GALLEGOS: And then after  
18 that, you would go to the --

19 MS. ORA LEE HARRIS: You would go sit down.  
20 About another twelve they called in there.

21 COMMITTEE MEMBER GALLEGOS: So they called  
22 you in to where the judge was on the TV?

23 MS. ORA LEE HARRIS: Uh-huh, yeah. You  
24 constantly sit there. And they sat up there and made jokes  
25 and said they was having a party.

1 COMMITTEE MEMBER GALLEGOS: Thank you.

2 THE CHAIRPERSON: Thank you, Ms. Harris, for  
3 your statements.

4 Dorothy Thomas?

5 (A lady approaches the podium.)

6 MS. DOROTHY THOMAS: My name is Dorothy  
7 Thomas. And I am here for my granddaughter, which she was  
8 living with me, and Ernie lived the second door down below  
9 me. And he was at my house most every day. He would come  
10 up there and he would eat. And he had my granddaughter  
11 going around with him to find people to buy these stamps.  
12 At first when it started out, I didn't -- I didn't know  
13 anything about it, because she wouldn't tell me. And I  
14 would ask her who was this guy. And she said, "Oh, mama,"  
15 say, "he's just a friend of mine."

16 And then there was another guy -- I don't know  
17 his name. But he began to come and ask me to buy stamps.  
18 And my granddaughter always would tell me not to buy them.  
19 She would say, "If you want any, I will buy them." She  
20 said, "But don't" -- Said, "If he asked you what your name  
21 is, don't ever give him your name."

22 And one day he came to my house. He sat there --  
23 It was on a Thursday, because I was getting ready to go  
24 down and see about my sick brother in Texas. And he came  
25 and told me he was going to make a big haul. He said,

1 "This is going to be the biggest haul I ever made from the  
2 reservation." Said his people, some of them was sick and  
3 they needed money, and that's the only way he had of help-  
4 ing them, was to sell these stamps. And I told -- He  
5 said, "How many do you want?" And my granddaughter, she  
6 waved her hands at me not to tell him that I wanted any.  
7 She said, "Let me help him." Said, "Don't ever tell him  
8 what your name is." And I never did tell him what my name  
9 was.

10 And so finally he said, "Well, I'll be back." So  
11 my granddaughter said, "Well, I'll be here when you get  
12 back." But we wasn't there. We had left. But --

13 And he would give her stamps to go around and  
14 help him sell stamps to other peoples. That is the way he  
15 used her.

16 And he was -- I would be sitting out in the yard  
17 with my grandkids, and he also come upon the shade tree  
18 and he would sit and he would talk to me. He told me that  
19 he was disabled, he was -- he was sick himself; and that  
20 is the way -- And I wanted to know where was he getting  
21 so many stamps from. And he said the peoples on the  
22 reservation trusted him to take their stamps and sell it --  
23 sell them, so they can buy medication for the peoples on  
24 the reservation. And that is how my granddaughter got  
25 involved with him, by helping him going around.

1 MS. DOROTHY THOMAS: Tylee.

2 COMMITTEE MEMBER THOMAS: I am sorry?

3 MS. DOROTHY THOMAS: Tylee.

4 THE COURT REPORTER: Could you spell that?

5 MS. DOROTHY THOMAS: T-y-l-e-e.

6 COMMITTEE MEMBER THOMAS: Was she arrested  
7 as a result of the food stamp?

8 MS. DOROTHY THOMAS: Yes. Well, she wasn't  
9 arrested when they was, because we was -- I think that was  
10 on a Wednesday, and we didn't get back home till that  
11 Thursday.

12 And they arrested her -- I think it was -- it was  
13 on a Friday, when they arrested her. And they stopped her  
14 -- We was on our way shopping and they stopped her on the  
15 street. And they held us there about almost an hour until  
16 they could get the -- I think they said -- I don't know  
17 what he is, but I know what his name was -- until he could  
18 get there.

19 And they also had the dogs. And they wanted to  
20 search my car, and I told them, "You're not going to search  
21 my car, because there is no drugs in my car. I don't deal  
22 with drugs, and you are not going to search my car."

23 THE CHAIRPERSON: Thank you, Ms. Thomas, for  
24 your statements.

25 Did you have a question?

1 COMMITTEE MEMBER GALLEGOS: I have one  
2 question.

3 You said -- I thought I heard you say that he  
4 was your neighbor?

5 MS. DOROTHY THOMAS: I lived in the Grand  
6 Avenue housing out there. That is where I lived. And he  
7 lived the second door from me. And he would come up and  
8 set up under the shade tree with me. I thought -- He said  
9 -- He said he was a friend, that he had met my grand-  
10 daughter. And I thought he was just -- just being a  
11 neighbor. You know, I didn't know what he was up to.

12 And he also came and sat in my living room. We  
13 made him plates. He would sit there and ate. But he  
14 always wanted to know what my name was, and I never did  
15 tell him what my name was. And I don't know why he wanted  
16 to know -- I guess he was going to involve me in it too,  
17 if I'd have taken stamps from him, but I never took stamps  
18 from him. But if I'd have had the money, I probably would  
19 have, but I didn't have it.

20 COMMITTEE MEMBER GALLEGOS: Thank you.

21 THE CHAIRPERSON: Mr. James Nez has a  
22 question.

23 COMMITTEE MEMBER NEZ: One question. You  
24 said you lived -- you lived in an apartment complex?

25 MS. DOROTHY THOMAS: Yes, I do.

1 COMMITTEE MEMBER NEZ: About approximately  
2 how many units are there?

3 MS. DOROTHY THOMAS: I don't know how many  
4 units it is; but, it is quite a few. I don't know how many  
5 they have.

6 COMMITTEE MEMBER NEZ: Quite a few. And  
7 would you say most of the occupants or residents are  
8 Hispanic or black?

9 MS. DOROTHY THOMAS: Most of them, yes.

10 COMMITTEE MEMBER NEZ: Most of them are?

11 MS. DOROTHY THOMAS: Uh-huh.

12 COMMITTEE MEMBER NEZ: Pretty much all of  
13 them, or are there a few that are not?

14 MS. DOROTHY THOMAS: There's a few that are  
15 not -- that is not. But most of them is.

16 THE CHAIRPERSON: Rebecca Bustamante.

17 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

18 Ma'am, I have a follow-up. Did you say that was  
19 public housing?

20 MS. DOROTHY THOMAS: Yes, it is.

21 COMMITTEE MEMBER BUSTAMANTE: And he  
22 qualified in public housing?

23 MS. DOROTHY THOMAS: He was in there. He  
24 was in there. And also the day he moved out, the City  
25 trucks sent a truck out there. Because when he first came

1 there, he said he didn't have anything, you know, just on  
2 his own. But when he got ready to leave, after this  
3 happened, they loaded up refrigerators; they loaded up  
4 bedroom suites; they loaded up living room furniture and  
5 everything. And they moved it in the City truck. And the  
6 inmates from prison, they're the one that came out there  
7 and loaded this stuff on this truck. Because I got in my  
8 car. I tried to follow to see where was they taking it to.  
9 But they lost me. I couldn't keep up with them. But I  
10 wanted to know if the City sent a truck out there to pick  
11 this stuff up, they was involved in it too. And they was  
12 living -- he was living out there in the housing.

13 COMMITTEE MEMBER BUSTAMANTE: Ma'am, how  
14 long did he live there?

15 MS. DOROTHY THOMAS: I don't know exactly  
16 how long it was; but, I know it was quite a while.

17 COMMITTEE MEMBER BUSTAMANTE: Thank you.

18 THE CHAIRPERSON: Stan Agustin.

19 COMMITTEE MEMBER AGUSTIN: I guess -- Am  
20 I to understand that you were offered to purchase food  
21 stamps, or were you not offered?

22 MS. DOROTHY THOMAS: He offered -- he  
23 offered to sell me some.

24 COMMITTEE MEMBER AGUSTIN: To you?

25 MS. DOROTHY THOMAS: Yes, he did.

1 granddaughter understood that this was illegal, which is  
2 why she didn't want you buying?

3 MS. DOROTHY THOMAS: She probably did. But  
4 if he -- He was paying her to help him do this. And so,  
5 therefore -- She was young.

6 COMMITTEE MEMBER THOMAS: How old is she?

7 MS. DOROTHY THOMAS: She is twenty-two right  
8 now.

9 COMMITTEE MEMBER THOMAS: And do you know  
10 how much he was paying her?

11 MS. DOROTHY THOMAS: I don't.

12 THE CHAIRPERSON: Ms. Thomas, thank you for  
13 your statements.

14 Odessa Kanu? Odessa Kanu?

15 (No audible response.)

16 THE CHAIRPERSON: Patsy Oreosa? Do we have  
17 Patsy Oreosa?

18 (A lady approaches the podium.)

19 MS. PATSY OREOSA: Hello, I am Patsy Oreosa.  
20 My case is pending, so I can't really say too much. I  
21 accept that I did met Ernie. And he was a very nice man.  
22 He would come into our house and made himself at home;  
23 played with my Down's syndrome little boy and acted like he  
24 was an uncle or something. You know, he treated all of us  
25 good.

1 He really invaded a lot of people's lives, the  
2 way I feel. I mean, anybody in their right mind would buy  
3 two for -- I mean, two for the price of one. You can't  
4 beat that, you know.

5 But he targeted a lot of the minorities, the way  
6 I see it, people that didn't have the money to get extra.  
7 And they saw an opportunity to get extra, so they did. It  
8 wasn't like -- like they looked for him, because nobody did  
9 look for them. He looked for the people. And I think he  
10 went about it the wrong thing. I think he did entrap  
11 people. He played on their sympathy. In a lot of ways he  
12 played on their sympathy by stating that he was sick and  
13 that he needed stuff for his family on the reservation.

14 I really can't say too much. I don't know how  
15 far I can go about talking about it, because I am still  
16 pending on my case.

17 THE CHAIRPERSON: You can speak in general  
18 terms, but nothing specific about your case.

19 MS. PATSY OREOSA: Uh-huh. My sister felt  
20 he was a best friend. That is the only reason I even let  
21 him in my house, because, you know, that is something that  
22 I don't believe in, getting in trouble.

23 I have been on jury duty several times. I know  
24 how it is in the jury room when -- especially in Clovis.  
25 You go to court. The people in Clovis, they are so --

1 "Well, she got in trouble. She got herself in trouble.  
2 Let's just put her in jail." That's the way they are here.

3 And I have been on jury duty several times. They  
4 want to get you with as much as they can, just because of  
5 who you are, not -- not because of the crime. It is  
6 because of your color and race. I don't think it is fair  
7 to a lot of people.

8 I don't even know how -- I don't know how much  
9 more I can say about it. I just feel uncomfortable talking  
10 about it too much.

11 THE CHAIRPERSON: That is okay. It is  
12 probably best not to say too much.

13 Are there any questions? Madeline Parry.

14 COMMITTEE MEMBER PARRY: Have you people all  
15 shared with each other and discussed this man, or did you  
16 just kind of do it on your own?

17 MS. PATSY OREOSA: I met him. I met him,  
18 because he came with my sister to my house to a party.

19 COMMITTEE MEMBER PARRY: Did you visit with  
20 friends and discuss what he was doing?

21 MS. PATSY OREOSA: No, not really. I mean,  
22 we didn't discuss what he was doing. I mean, he was just  
23 like part of the family. I mean, like part of the family.  
24 It wasn't like he was somebody that you would say, "Hey,  
25 did he sell this to you?" He didn't -- We didn't do that.

1 THE CHAIRPERSON: Thank you for your state-  
2 ments. You may have a seat.

3 Did you have a question?

4 COMMITTEE MEMBER GALLEGOS: Yeah.

5 THE CHAIRPERSON: Oh, I am sorry. There was  
6 a question.

7 COMMITTEE MEMBER GALLEGOS: Just a general  
8 question. What was your charges?

9 MS. PATSY OREOSA: What do you mean?

10 COMMITTEE MEMBER GALLEGOS: What were you  
11 charged with?

12 MS. PATSY OREOSA: I have two misdemeanors  
13 and one felony. One EBT and two food stamps.

14 COMMITTEE MEMBER GALLEGOS: They were just  
15 EBT and food stamps?

16 MS. PATSY OREOSA: And they are pending.

17 COMMITTEE MEMBER GALLEGOS: And were you  
18 arrested with everybody else?

19 MS. PATSY OREOSA: No, I wasn't. I was out  
20 of town. I was in Arizona visiting my daughter. And I  
21 heard -- My family called me, and so I turned myself in.  
22 I came to the courthouse and turned myself in. Because I  
23 don't see no sense in running from something, so I did turn  
24 myself in.

25 COMMITTEE MEMBER GALLEGOS: Thank you.

1 THE CHAIRPERSON: Odessa Kanu?

2 UNIDENTIFIED SPECTATOR: She left.

3 (A brief pause in time.)

4 (A lady approaches the podium.)

5 MS. ODESSA KANU: My name is Odessa. I  
6 wasn't arrested.

7 THE CHAIRPERSON: Excuse me. How do you  
8 spell your last name?

9 MS. ODESSA KANU: K-a-n-u.

10 I wasn't arrested. I didn't buy any food stamps  
11 from him. My daughter did. And she is doing time right  
12 now in Grant.

13 He lived two doors down from my mom in the Grand  
14 Avenue Homes. He came to my mom's house. He'd sit with us  
15 at my mom's house, trying to sell my mom food stamps. And  
16 my mom would have been arrested too if she hadn't been  
17 going out of town that particular day.

18 He approached me. He never approached me to buy  
19 food stamps from him, but I knew of him selling food  
20 stamps, and he was aware that I knew of him selling food  
21 stamps.

22 He spoke to me about -- and to my brother about  
23 how sick his people were in Arizona where he lived at on  
24 the reservation. The type of job he did. Was like working  
25 in orchards, you know, picking fruit, you know, off and on.

1           And then he would come back here for a little  
2 while. I don't know why he was living here. He didn't say  
3 why he came here. He didn't say he was working here; but,  
4 he came here after he wasn't -- when he wasn't working.  
5 And then he would go back to make money and stuff, you  
6 know, to help his people out.

7           I know for a fact that he did sell -- that he did  
8 trade drugs for the food stamps. He didn't take cash all  
9 the time. He did drugs too, you know. And that is why it  
10 was really hard, I guess, for people to believe that he  
11 was an officer, a police officer. A lot of people were  
12 suspicious of him being a police officer, but he denied it.  
13 You know, a lot -- he denied it the whole time that he  
14 wasn't a police officer.

15           My daughter dealt with him. He would sell her --  
16 He would trade her a thousand dollars' worth of food stamps  
17 for three hundred dollars' worth of drugs, because that is  
18 what -- She went down for trading him drugs. She never  
19 gave him cash for food stamps, it was just drugs.

20           If he was a police officer -- He took her to  
21 Amarillo, because he inquired about drugs. He wanted  
22 drugs. So he took her to pick up drugs. That is how she  
23 got her trafficking cases, you know, that she had upon her.

24           And I don't know, something needs to be done  
25 about it. He -- I don't know if the housing authority was

1 aware of him living out there. I really do believe that  
2 they did, living in the Grand Avenue homes. Because  
3 occasionally I'd seen him there. Whenever I'd come over  
4 there to my mom's house and come out, he would always come  
5 outside with a broom in his hand saying that people were  
6 there -- because I would see them there -- that they were  
7 there because -- He had some repairs on his apartment  
8 every day. They were harassing him about his apartment  
9 because his apartment wasn't intact. He needed this to be  
10 done to his apartment and stuff.

11           And I spoke with him on one occasion, you know,  
12 "Why are they harassing you about the apartment and stuff?  
13 If it's like that -- you said you just moved there, you  
14 know they should fix it."

15           If I walked over to the playground across from my  
16 mom's house, he would come over there, you know. He never  
17 approached me. He would inquire to me about -- he asked me  
18 about Ora Lee's husband, where his whereabouts was, after  
19 he, you know -- I guess he lost his location or whatever  
20 and stuff. And I didn't know. But he never sold me food  
21 stamps. But I know a lot of people he sold food stamps,  
22 and he was trading them three-for-one or whatever, you  
23 know.

24           So my daughter, she is in Grant right now doing  
25 time for this, and that is not right. The whole system

1 here is not right.

2 I protested with my son and stuff. I was  
3 pregnant in front of the courthouse. And I know on one  
4 night that we were in front of the courthouse, when he was  
5 seen in the courthouse; and someone had seen -- one of the  
6 protesters seen him run out the back door; they had let him  
7 out the back door. And we all ran around to see -- you  
8 know, to see him, possibly to speak with him. And someone  
9 from the courthouse said that we had attacked them -- that  
10 is how powerful they are here -- you know, that we had  
11 attacked them and everything. And we were supposed to have  
12 been arrested and all this. But it never did go through,  
13 because it didn't happen.

14 But the whole system here is all messed up. And  
15 we need a lot of help here. The people here need a lot of  
16 help here. That's it.

17 THE CHAIRPERSON: Thank you. Please remain  
18 for any questions that the Committee members might have.

19 Do we have any questions from the Committee  
20 members?

21 (No audible response.)

22 THE CHAIRPERSON: You may be seated. Thank  
23 you.

24 Maria Coursey?

25 (A lady approaches the podium.)

1 MS. MARIA COURSEY: My name is Maria  
2 Coursey.

3 THE CHAIRPERSON: How do you spell your last  
4 name, please?

5 MS. MARIA COURSEY: C-o-u-r-s-e-y.

6 I can't say too much because I am going to court.  
7 I just want to say they picked me up at -- they came to my  
8 home at 5:30 in the morning. They -- They took me out of  
9 the house about 5:45. They took me to the arena. There  
10 was one gentleman there, besides myself. I didn't know  
11 what I was in there for. I didn't know it was for food  
12 stamps.

13 Later on a whole bunch of people started showing  
14 up. To start with, you know, when they came into my home  
15 -- I am sorry, I am not used to speaking in front of a  
16 bunch of people.

17 When they came into my home, they tried to break  
18 my doors down. I thought somebody was going to break into  
19 my home. I got up and I looked out the window and I seen  
20 it was police officers. I told them to wait, let me put  
21 some clothes on. They said to "Open the door"; "Open the  
22 door now, or we will break it down." And I didn't have  
23 anything but my panties on.

24 So I had to let them in. And I said, "Let me put  
25 some clothes on, please." They said, "No." Made me lay on

1 the floor, just with my panties on. I had to have my hands  
2 up. And officers were coming in and just staring at me,  
3 And that was embarrassing. I was embarrassed. I shouldn't  
4 have had to go through that.

5           Then two of the officers took me into the bedroom  
6 and let me put some clothes on finally. And they arrested  
7 me. They took me downstairs. They took me in the vehicle.  
8 And I said, "Well, where am I going?" They said, "We're  
9 taking you to a very special place." I said, "All right."  
10 I was just laughing, because, I mean, to me it was like a  
11 little game they were playing.

12           When I get there, there was one other person  
13 there. About twenty minutes, a whole bunch of people  
14 started coming in. And that is when I found out I was  
15 there for food stamp fraud.

16           I stayed with my handcuffs -- let me see, about  
17 -- from five -- 5:45 until about 11:00 or 12:00, until they  
18 took me to the police station. While we were there, I  
19 asked to go to the bathroom. So they took me. And I asked  
20 them to cuff [sic] me. They said, "No. I am going  
21 unbutton your dress." I said, "I don't think so. You can  
22 take me back out front." So she took me back up front; and  
23 Ms. Kay came at that time and she took me. She uncuffed me  
24 and put the cuffs back on. Later on, they came in with  
25 some plastic cuffs. And the cuffs were tight. I was

1 bruised, cut.

2           And then they sectioned the building, two  
3 different groups. I was in this group. And after every-  
4 body -- after they finally finished bringing everybody in,  
5 that is when they started taking us into a room with a TV,  
6 a television on there. And there was two judges there and  
7 was the video. And then we went in front of the judge;  
8 pleaded guilty or not guilty. Set our bond.

9           And then I was -- They had all this -- They had  
10 doughnuts, coffee, pizzas, Cokes. They never offered  
11 anybody anything or anything to drink.

12           After all that, then they fingerprinted us. They  
13 told us to sign a piece of paper. And then they took us --  
14 I was one of the first persons to go to jail. This is when  
15 they put me finally into jail, the county jail. I was in  
16 jail for 30 days.

17           While I was there -- While we took showers, the  
18 officers would come up on top and stare at us women while  
19 we were taking showers. And we told them that was against  
20 the law, they were breaking the law. They said, "We've got  
21 the badge. We can do whatever we want." So we took it to  
22 the lieutenant. Nobody did anything about it.

23                           (The baby is still extremely loud and  
24 continually disrupting the proceedings.)

25           MS. MARIA COURSEY: While I was there, I

1 heard -- everybody was laughing, it was funny to them.

2           They got some of the inmates to go and empty  
3 Ernie's apartment; and they had taken a couple of trucks  
4 and loaded up. And what they were making fun of, they had  
5 a sign that it was closed, like a little store or some-  
6 thing. Business was closed, and everybody was making fun.

7           I feel like -- I wish somebody would listen to  
8 me. I know a lot of people don't trust me. A lot of  
9 people don't -- don't want to help me out, because I have  
10 done time before in prison. I have been out thirteen years  
11 of my life. I try not to do nothing against the law.

12           To me, Mr. Harris broke the law, and he want us  
13 to go and do his time for him, so he can continue to break  
14 the law. And I think that is wrong, and I hope you people  
15 can help us out.

16                           UNIDENTIFIED SPECTATOR: Amen.

17           MS. MARIA COURSEY: And I wish I could say  
18 more, but I can't, because like I say, I am going to court.  
19 I am looking at a lot of time behind this. But I wish  
20 ya'll could help me.

21           Thank you. That's all.

22                           THE CHAIRPERSON: Mr. Gallegos.

23                           COMMITTEE MEMBER GALLEGOS: You said some-  
24 thing about a sign closed?

25                           MS. MARIA COURSEY: Uh-huh.

1 COMMITTEE MEMBER GALLEGOS: Could you -- I  
2 don't know what --

3 MS. MARIA COURSEY: Uh, like -- You know,  
4 like at the stores they have like "Open" or "Closed," some-  
5 thing like that. That is what they were saying.

6 COMMITTEE MEMBER THOMAS: That was on his  
7 apartment, the city-subsidized apartment?

8 MS. MARIA COURSEY: Yes.

9 COMMITTEE MEMBER THOMAS: It was a regular  
10 apartment building, but he has got a store sign "Open" and  
11 "Closed"?

12 MS. MARIA COURSEY: Uh-huh.

13 COMMITTEE MEMBER GALLEGOS: And this was  
14 there all the time, or just --

15 MS. MARIA COURSEY: No. That's what the  
16 guys were saying, after they came back in to empty his  
17 apartment. They were making fun about what went on while  
18 they were emptying the apartment for him, for the police.  
19 They did take inmates.

20 COMMITTEE MEMBER GALLEGOS: Did you -- Do  
21 you live there?

22 MS. MARIA COURSEY: Yes, I live here in  
23 Clovis.

24 COMMITTEE MEMBER GALLEGOS: I mean, in those  
25 apartments?

1 MS. MARIA COURSEY: No.  
2 THE CHAIRPERSON: Anne Thomas.  
3 COMMITTEE MEMBER THOMAS: How did you meet  
4 Ernie?  
5 MS. MARIA COURSEY: I met him through a  
6 friend of mine. Her name is Esther Pearl Moreno.  
7 COMMITTEE MEMBER THOMAS: Was he introduced  
8 as a friend.  
9 MS. MARIA COURSEY: They just said, "This is  
10 So-and-So." That's how I met him.  
11 COMMITTEE MEMBER SALAZAR: May I ask how  
12 long have you lived in Clovis?  
13 MS. MARIA COURSEY: I have been here since  
14 '66.  
15 COMMITTEE MEMBER SALAZAR: '66.  
16 THE CHAIRPERSON: Okay. Thank you for your  
17 testimony.  
18 MS. MARIA COURSEY: Thank you.  
19 THE CHAIRPERSON: Pearl Moreno.  
20 (A lady approaches the podium.)  
21 MS. PEARL MORENO: Let's see if I can talk.  
22 I'm not used to being in front of a bunch of people.  
23 My name is Pearl Moreno. I met Ernie at the  
24 Prince Lounge. I had seen him there like for a week, week  
25 and a half, maybe two weeks at the most. Well, one day he

1 approached me. You know, I had seen him there. You know,  
2 I walked into the bar. This is a place I have gone to for  
3 years.

4 I walked in. I know everybody. I know the  
5 owners, the waitresses, the people, the regulars. I walk  
6 in. I talk to everybody. I go to all the tables. I  
7 hugged everybody. I talked to everybody. And I figured he  
8 watched me and he figured, "Well, she knows everybody," you  
9 know.

10 So he finally approached me and sat there. We  
11 talked. I asked him where he was from. He asked me about  
12 my life. He told me he was from an Indian reservation in  
13 Arizona. I said, "What are you doing here in Clovis?" He  
14 said, "Just -- just to get away. I just want to find a  
15 small little, you know, to settle down. Just change."

16 And we started talking about our families. I am  
17 proud of my father. My father is city commissioner and  
18 mayor pro tem here in Clovis, and I told him, which I  
19 regret. I think that's another reason he kept on, you  
20 know.

21 He talked to me about these food stamps. I said,  
22 "You better watch it." I said, "People won't put up with  
23 that here," you know. But then he gave me his number. He  
24 started calling me. He started telling me about how he was  
25 from this Indian reservation. They needed medical help.

1 They needed electricity, you know.

2 He would come to my house. He would eat at my  
3 house. He would watch movies with me and my children. He  
4 would fix stuff in my house. My son was then sent away.

5 He wanted to buy everything with these food  
6 stamps. He would take me to pay my bills. He would sit  
7 there, play dominoes with us. - Take me and my friend out to  
8 dinner; he would take us out drinking. He would go to  
9 parties with us. He was, I thought, my friend.

10 And, of course, you know, he used me to sell food  
11 stamps for him. I never bought them; but, I sold them. He  
12 drove me around and used me to help him to trap people.

13 I think it is very unfair. I mean, granted what  
14 I did was wrong. I got a lot of people involved. My  
15 family. (The speaker begins crying.) Excuse me. One of  
16 my closest friends. My father's standing in the community.  
17 I mean, it tore my parents up. And I am sorry for every-  
18 thing, you know. But it was wrong.

19 He knew my mother had had three heart attacks  
20 that year, and yet he still kept on. You know, that is  
21 wrong, I mean, you know, the way he went about it. I know  
22 what I did was wrong, too, now, you know.

23 But he just used me. It was going to make him  
24 big and bad, because he got the mayor's daughter -- or  
25 daughters. And, you know, I don't know what else to say.

1           Oh, the arrest. They went to my house about a  
2 quarter till 6:00 in the morning. There was a banging on  
3 the door. I went to the door. They said it was the  
4 police. I said, "Just a minute." You know, I just had my  
5 gown on.

6           When I opened the door, you know, they came in  
7 and they asked for Pearl Moreno. And I says -- At first I  
8 denied who I was. I said I wasn't Pearl. And I said,  
9 "Just a minute." I went to the bathroom. I said, "Oh, my  
10 God." I -- I was all freaked out. There was like six  
11 cops. And I could hear the helicopter outside. And there  
12 was cops all in front of my house. Secret Service agents,  
13 the Task Force. I mean --

14           Well, anyway, I came back out and I said, "Okay."  
15 I says, "Yes, I am Pearl Moreno." I said, "Can I ask what  
16 this is all about?" And they handed me the papers. They  
17 had warrants for my arrest. And as soon as I looked at  
18 them, I knew what happened. I had been set up.

19           I just sat on the couch and I started crying. I  
20 mean, they were real good about everything. You know, they  
21 had a bunch of charges on me. So, I mean, they weren't  
22 going to screw up.

23           I said -- told them my girls were there. They  
24 let me wake up my girls; but, of course, they followed me.  
25 They went through my house, about four of them, with

1 flashlights looking around.

2           Later on they asked if they could search my  
3 house. I says, "Well, I don't have nothing to hide." They  
4 said, "Well, then -- then it's all right." And I says,  
5 "Well, you're going to search it anyway." They said, "No,  
6 we can't." And I said, "Well, then, no, I don't want you  
7 to search it."

8           So, anyway, they waited for me to get my  
9 daughters ready. Go in the room and explained to them;  
10 but, the lady cop stayed with me all the time.

11           They let me get dressed. My mother came and  
12 picked up my girls. And they waited until -- They hand-  
13 cuffed me after they took my girls.

14           They arrested me. They started going down Brady,  
15 and I asked, "Where are you taking me?" They said, "To the  
16 armory, because there is a lot of people that we are get-  
17 ting this morning." And they laughed.

18           So when I got there -- it was about seven o'clock  
19 by the time I got there, I guess. I sat there. And they  
20 put those plastic handcuffs in the back. People's finger-  
21 nails were blue-blue. No circulation. The ladies were  
22 crying.

23           I had to go to the bathroom. I begged them. I  
24 called them like four times. Finally they took me to the  
25 bathroom. The lady cop pulled my pants down for me to use

1 the bathroom, which is very humiliating and embarrassing,  
2 you know. And then she grabbed some toilet paper. And I  
3 told her, "No, thank you." I said, "I'll drip-dry." So  
4 she picked my pants back up and I went and sat down.

5           After a while the handcuffs -- I mean, the hand-  
6 cuffs were killing me. I had indentations when they took  
7 them out off, like an eighth of an inch, where they had  
8 them so tight.

9           I got chest pains. That is when they listened to  
10 me, when I told them my chest was hurting. They ran over  
11 there. They got the paramedics. They took me in the  
12 ambulance, but they shackled my legs and my hands. Put me  
13 in an ambulance and checked me out over there. Said some-  
14 thing about my arm. I guess where they had it so far back,  
15 it pulled the muscles, and that is what the pain was.

16           So they took me back, and they handcuffed me in  
17 the front. And they did the interrogation and all that.  
18 They took me to jail. I was there till 2:30 that after-  
19 noon.

20           THE CHAIRPERSON: Thank you.

21           Are there any questions?

22           COMMITTEE MEMBER PARRY: You never bought  
23 food stamps?

24           MS. PEARL MORENO: No, ma'am.

25           COMMITTEE MEMBER PARRY: But they took you

1 to jail anyway?

2 MS. PEARL MORENO: Well, he drove me around.  
3 I sold them for him. I would go inside; give people the  
4 food stamps. They would give me the money and I would give  
5 it to him. That is what they got me for, dealing in food  
6 stamps.

7 THE CHAIRPERSON: Anne Thomas.

8 COMMITTEE MEMBER THOMAS: When you saw the  
9 videotape, did you see the videotape of your rights while  
10 you were at the armory?

11 MS. PEARL MORENO: Yes, ma'am.

12 COMMITTEE MEMBER THOMAS: And were you in a  
13 room with a bunch of other people?

14 MS. PEARL MORENO: Yes. There was like  
15 fifteen of us.

16 COMMITTEE MEMBER THOMAS: And could you  
17 understand what was being said?

18 MS. PEARL MORENO: No, we couldn't. We  
19 asked them to turn it up. They said, "Ya'll need to be  
20 quiet."

21 COMMITTEE MEMBER THOMAS: Did you understand  
22 what your rights were after watching that?

23 MS. PEARL MORENO: No, not necessarily. It  
24 was kind of hard to hear or understand anything.

25 COMMITTEE MEMBER THOMAS: And did they show

1 you that videotape before they questioned you?

2 MS. PEARL MORENO: No, I don't think so. I  
3 think it was after the interrogation. Which I didn't  
4 answer questions or anything.

5 COMMITTEE MEMBER THOMAS: Thank you.

6 COMMITTEE MEMBER PARRY: Were the police  
7 black or Hispanic?

8 MS. PEARL MORENO: They were all -- Most of  
9 the ones that went to my house were -- the majority of them  
10 were white.

11 COMMITTEE MEMBER PARRY: Were black?

12 MS. PEARL MORENO: White.

13 COMMITTEE MEMBER PARRY: White.

14 MS. PEARL MORENO: Yeah. As a matter of  
15 fact, they were teasing me. When they took me to jail that  
16 night -- that afternoon, they said, "Well, you sure are  
17 popular. Guess who arrested you? The people that protect  
18 the President; the Secret Service agents." And they were  
19 laughing, like it was something funny.

20 But there was helicopters. There were the  
21 narcotics agents. The task force. Secret Service agents.  
22 State police. They were all in there.

23 THE CHAIRPERSON: Thank you for your state-  
24 ments, Ms. Moreno.

25 Deborah Rubio?

1 (A lady approaches the podium.)

2 MS. DEBORAH RUBIO: My name is Deborah  
3 Rubio, and I was also arrested on the stampede. And they  
4 went to my house about -- before 6 o'clock in the morning;  
5 and I was handcuffed from 6 o'clock in the morning until  
6 like about 3:30 or 4:00.

7 And after they arrested me, they didn't tell me  
8 what my charges were for about -- I would say about 30  
9 minutes. And I would ask them what my charges were for,  
10 what my charges were, and they wouldn't tell me. They  
11 finally told me.

12 And when they entered my house, six officers --  
13 two officers stayed in there with me. Their guns were all  
14 drawn. They went to -- Three officers went to my bedroom.  
15 The other three went to the other side of the room. And I  
16 told them that I didn't have anything in my house. I told  
17 them, "Please don't tear up my house." And they tore up my  
18 room, my little girl's room and my bathroom.

19 And they took us to the armory. On our way to  
20 the armory I didn't know where we were going. I asked them  
21 where we were going, and they wouldn't tell us where they  
22 were taking me. When we got to the armory, I didn't know  
23 what was going on, until I seen some of the other people  
24 there. And we stayed there handcuffed the whole time we  
25 were there.

1                   And when -- Before they arrested me, I was in  
2 my underwear and a shirt. And they wouldn't let me put  
3 anything on. My mom had to ask them if I could put a  
4 sweatshirt on. And they finally let us put a sweatshirt  
5 on and took us like that -- took me like that.

6                   Thanks.

7                   THE CHAIRPERSON: Thank you.

8                   Any questions?

9                   COMMITTEE MEMBER THOMAS: How many times  
10 were you approached to buy food stamps?

11                  MS. DEBORAH RUBIO: Three times.

12                  COMMITTEE MEMBER THOMAS: And how many times  
13 did you buy food stamps?

14                  MS. DEBORAH RUBIO: Once.

15                  COMMITTEE MEMBER THOMAS: How did you meet  
16 Ernie? Was it from Ernie that you bought the stamps?

17                  MS. DEBORAH RUBIO: No, it was from somebody  
18 else.

19                  COMMITTEE MEMBER THOMAS: And did you get to  
20 see the videotape?

21                  MS. DEBORAH RUBIO: There wasn't a video-  
22 tape.

23                  COMMITTEE MEMBER THOMAS: There wasn't a  
24 videotape?

25                  MS. DEBORAH RUBIO: (No audible response.)

1 COMMITTEE MEMBER THOMAS: Were you informed  
2 of your rights at any time during this process?

3 MS. DEBORAH RUBIO: I think when we got to  
4 the armory I was. When we were at the armory.

5 COMMITTEE MEMBER THOMAS: They verbally told  
6 you your rights?

7 MS. DEBORAH RUBIO: No, no. On the TV?

8 COMMITTEE MEMBER THOMAS: Yes.

9 MS. DEBORAH RUBIO: When they had us  
10 watching TV.

11 COMMITTEE MEMBER THOMAS: And were there --  
12 How many people were in the room?

13 MS. DEBORAH RUBIO: Like fifteen to twenty  
14 people in the room.

15 COMMITTEE MEMBER THOMAS: Could you hear the  
16 videotape?

17 MS. DEBORAH RUBIO: Huh-uh.

18 COMMITTEE MEMBER THOMAS: Was this before  
19 you were questioned?

20 MS. DEBORAH RUBIO: I think it was -- I  
21 think before we were questioned.

22 THE CHAIRPERSON: Mr. Gallegos.

23 COMMITTEE MEMBER GALLEGOS: Were you finger-  
24 printed before you went to see the videotape?

25 MS. DEBORAH RUBIO: Yes.

1 COMMITTEE MEMBER GALLEGOS: You were?

2 MS. DEBORAH RUBIO: Uh-huh.

3 COMMITTEE MEMBER GALLEGOS: That is all I  
4 have.

5 THE CHAIRPERSON: Rebecca Bustamante.

6 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

7 Ms. Rubio, you indicated that you didn't buy them  
8 the first two times, and you bought them the third.

9 MS. DEBORAH RUBIO: Uh-huh.

10 COMMITTEE MEMBER BUSTAMANTE: What were the  
11 circumstances different?

12 MS. DEBORAH RUBIO: Because the first time I  
13 met him, I was across the street at my cousin's house and  
14 then went over there. And he showed me he had a stack full  
15 of EBT cards and a stack of food stamps. And he was  
16 telling me why he wanted to sell them, because he said that  
17 he lived on a reservation and that they needed money more  
18 than they needed the food. And I told him that it didn't  
19 seem right, that he had too many food stamps and EBT cards.

20 And so he left, and he took the girl home. And  
21 then he came back to talk to me again, and I still didn't  
22 buy them.

23 And then he came by my house again to try to sell  
24 them to me, but I wouldn't buy them. And they went to my  
25 parents' house to try to sell them to my parents, that they

1 might buy them if they went over there. And they wouldn't  
2 buy any.

3                   And then I was at a soft -- I took my kids to  
4 softball practice. Then I bought them.

5                   COMMITTEE MEMBER THOMAS: When they came to  
6 arrest you, how many police came?

7                   MS. DEBORAH RUBIO: There was eight of them  
8 in my house, and there was some in the backyard and the  
9 front.

10                   COMMITTEE MEMBER THOMAS: Did they knock on  
11 the door or did they just barge in?

12                   MS. DEBORAH RUBIO: They knocked on the  
13 door.

14                   THE CHAIRPERSON: We thank you for your  
15 statement.

16                   Deborah McDevit?

17                   (A lady approaches the podium.)

18                   MS. DEBORAH McDEVIT: All I can say is that  
19 based on what I witnessed that morning of the raid -- I am  
20 also related, my grandmother is one of the -- the elderly  
21 lady that was involved; my uncle, the elderly uncle they  
22 were talking about, that was -- had urinated in his pants.  
23 Very many cousins and friends; and since this, new friends.  
24 So I take this very personally.

25                   The morning that I became aware of this, my

1 mother had called me. I lived behind her at that time.  
2 She asked me to come over and keep an eye on her house,  
3 because something had happened at my grandma's house.

4 So my husband and I walked to the front of the  
5 home and were sitting out there on the porch. And I didn't  
6 get the details then at that time.

7 My mother had been gone maybe fifteen, twenty  
8 minutes, when I noticed police officers coming from  
9 different directions in their vehicles. And it was at that  
10 time that I realized that there was a helicopter over our  
11 heads.

12 So I see them getting out of their cars, and they  
13 are running around and going towards the alley. Went to  
14 the corner of Grand Street. And I am talking about my  
15 mother lives at the corner of Second and Davis. And the  
16 police officers started focusing towards the corner of  
17 Third and Davis.

18 At that time my husband and I got off the porch  
19 and went to the corner to go look down the street, see what  
20 was going on is when the vehicles started approaching where  
21 we were. I didn't recognize any of the officers. And I  
22 estimate that there was anywhere from ten to twelve police  
23 officers.

24 At this time the only one I recognized was one of  
25 them, being that I am related to him, Waldo Catharis. He

1 was sitting in one of the vehicles. About six of them were  
2 out. Some with masks, of course, with their guns pulled;  
3 and the helicopter still overhead.

4           They approached me and asked me if I knew  
5 So-and-So. I said, "No," I said, "I know everybody in this  
6 neighborhood. The name doesn't sound familiar." And as I  
7 am thinking, I says, "The only person that is not familiar  
8 to me is someone that lives in the alley here on this  
9 corner, in the back."

10           At that time they backed up and took off and  
11 went. And about two police cars stayed there parked in the  
12 front of Davis, towards the corner of this house that I had  
13 mentioned. Uhm, maybe twenty, thirty minutes went by, and  
14 I'm still standing out there, my husband and I. And we're  
15 looking still in that area. Finally they do come back with  
16 a -- a young lady handcuffed, with her hands behind her  
17 back. At this point we still -- I wasn't aware, my husband  
18 either, of what was happening. And they took her --

19           Of course, as the morning rolled on and I got  
20 more details from my mother, she was calling for us to get  
21 together and go to my grandmother's house. I witnessed the  
22 devastation to my grandmother's home. It wasn't just a  
23 picture window that was broken out, as my father Raymond  
24 Johnson stated. It was a -- her bedroom window was blown  
25 out also with one of these smoke bombs. Back bedroom, that

1 was my uncle's bedroom, was also broken in to. There was  
2 glass everywhere.

3           And as the morning goes along is when bits and  
4 pieces are forming, and I am getting a little more under-  
5 standing of what transpired and what the incident with the  
6 police was searching for that young lady.

7           I also was part of the protesters for this thing  
8 that happened. I spent many nights there with a lot of  
9 these ladies. I, myself, was not approached. And I,  
10 myself, had I been approached, I more than likely would  
11 have bought some myself.

12           Being up there the nights that a lot of us spent  
13 the night out there, my sister, Lisa Chavez, was accused by  
14 a cousin of ours that works for the District Attorney's  
15 Office, Joey Catharis. Apparently it was alleged that  
16 she had threatened him and that we were harassing or trying  
17 to intimidate jurors that were going in, which was untrue,  
18 because we didn't know who the jurors were, of course being  
19 that we were outside during the stampede protesting.

20           What we did do is on the night that she was  
21 accused of this, it was myself and some other ladies that  
22 were just going around the courthouse with our signs. My  
23 sister and I did see Joey Catharis outside the building.  
24 We talked to him. Said, "Hey, prim," and hugged, and this  
25 was that. And, you know, that was it.

1           The next day it was revealed that we were out  
2 there and we got this, I believe, through the newspaper.

3           Another time that we were out there, we had taken  
4 a videocamera at that time, because we had a lot of  
5 hecklers, and most of them being Anglo. The reason for  
6 taking this videocamera was because the hecklers were  
7 getting a little out of hand. At one point Ms. Walker was  
8 walking down the street and -- on a corner, and some people  
9 spat at her and threw Coke cans at her.

10           So we thought we would take this with us to maybe  
11 -- you know, to stop this, because it was scary. I,  
12 myself, had never done anything like this in my life. Uhm,  
13 very intimidating, especially born and raised here and  
14 being aware of the prejudism in this town. I, myself, was  
15 afraid. But I wasn't in such a fear that it was going to  
16 stop me from participating in this protest.

17           My sister and I and some other ladies were  
18 standing there, and I was getting ready to turn off the  
19 videocamera, because we had recognized -- somebody had said  
20 there's that truck that has been heckling Ms. Walker and  
21 some other ladies. And they had called her -- I hate the  
22 word myself. But they had called her "Nigger."

23           So I was picking up the camera and getting ready  
24 to shoot at it, when I felt something hit me. And looking  
25 through the eye that I was looking through, through the

1 videocamera, just saw things flying. When I looked, I  
2 realized one had hit my sister Lisa.

3           We did call the police. Somebody immediately  
4 wrote down the license plate number. We called the police.  
5 Two officers did come by and question us. We told them  
6 exactly what I am telling you here. And come to find out  
7 nothing was done. I, myself, the next day called and asked  
8 if they had found out who these people were. They said,  
9 yeah, they were still doing an investigation. Apparently  
10 it was a vehicle from Portales. But nothing was ever done  
11 of it.

12           We were shaken up visibly, because we -- All  
13 they were, it was shotgun shells. We didn't know -- I,  
14 myself, not being familiar with weapons, did not know that  
15 they were empty. I just know that there was -- If I am  
16 not mistaken, I think there was four of them thrown at us.  
17 One of them did hit me; one hit my sister.

18           THE CHAIRPERSON: Excuse me, Ms. McDevit. I  
19 am going to ask you for a quick summary of what you want  
20 the Committee to consider.

21           MS. DEBORAH McDEVIT: Okay. Just, you know,  
22 we are talking here about our rights. Ours -- We had  
23 rights to be out there protesting ourselves. We had a  
24 right to be protected ourselves, and we felt that we  
25 weren't protected at all.

1           As for being born and raised here and knowing the  
2 people I do, I can't help but be offended that this was --  
3 Women are minorities to begin with, as far as it is in the  
4 business world; but, in this community we are nothing. We  
5 are nothing.

6           And I just hate that this affected my grandmother  
7 deeply. That is what bothers me. And her home. If you  
8 had been there, you would understand the extent of my pain  
9 to see the condition of my grandmother's home.

10           I guess just make it understood that, you know,  
11 the day of that we weren't allowed the decency of protest-  
12 ing quietly. We were told ugly, nasty things. "Get jobs."  
13 Do this. And a lot of these women do have jobs.

14           UNIDENTIFIED SPECTATOR: And lost their  
15 jobs.

16           MS. DEBORAH McDEVIT: A lot of them did lose  
17 their jobs. And I can only say that based on my immediate  
18 family that lost their jobs due to this.

19           I don't know, I just -- If there is rights for  
20 anybody, it's for the Anglos in this community. It's not  
21 for the minorities and Hispanic and the black people.  
22 That's all I have to say.

23           THE CHAIRPERSON: Thank you.

24           Are there any questions from the Committee  
25 members?

1 (No audible response.)

2 THE CHAIRPERSON: Okay. No questions.

3 Ms. McDevit, thank you again. You may have a  
4 seat.

5 Rachel Curry?

6 (A lady approaches the podium.)

7 THE CHAIRPERSON: I do want to thank every-  
8 body for being patient. I believe that I have the last  
9 list of presenters, so we should be ending with presenters  
10 here soon. I just wanted to call that to your attention.  
11 Thank you for being patient.

12 MS. RACHEL CURRY: My name is Rachel Salazar  
13 Curry. I was affected by this, because my grandmother and  
14 other members of my family were involved in this stampede  
15 operation. I did get to see firsthand what they did to her  
16 house as well.

17 My husband worked on the sheriff's department as  
18 a deputy for somewhat -- four years under the direction of  
19 Randall Harris. He worked as an undercover officer prior  
20 to that with the drug enforcement division. And I have  
21 known of operations that he helped to take down, drug  
22 operations, where large amounts of weapons they knew were  
23 involved. He would see them as he was surveying the  
24 location where they were going to do the arrest or where  
25 the people were coming in and out of. He would see them

1 with weapons coming in and out of that place. And when  
2 they finally did take down this operation, there were large  
3 amounts of guns. A huge meth lab that went down.

4           Never ever was there any kind of incendiary  
5 devices; were there any kind of -- the DEA came in. There  
6 were no helicopters; there were no -- no forced entry, the  
7 way they did at my grandmother's house.

8           In this operation it was a group of Anglo men  
9 that they did arrest, one of them whom which is the son of  
10 a prominent Anglo man in this community. And that is just  
11 one -- that is just one example of things that I know  
12 firsthand that have happened.

13           Uh, you know, we -- we as citizens elected  
14 Randall Harris into office to protect and to -- to uphold  
15 the law and to protect the citizens of Curry County.  
16 Initiating the unlawful selling of food stamps is not  
17 upholding the law. And entrapping its citizens of any race  
18 is not protecting them.

19           The law is the law. And if buying food stamps is  
20 illegal, well, so is selling them. The D.A.'s Office is  
21 the law; it's not above the law. Who is going to be here  
22 to protect the civil rights of this community if the D.A.'s  
23 Office won't even do it?

24           You know, a lot of people in this community say,  
25 "Well, you know, why would they buy food stamps? There is

1 food agencies in this community they can go to." Well, I  
2 have an article right here from the CLOVIS NEWS JOURNAL  
3 that was published July 30, 1997. The largest food funding  
4 program or food distribution program in this community --  
5 which is the Lifesaver Food Bank -- this year finally had  
6 to go to the County for funding because of the welfare  
7 reforms. So many people have had to -- have lost their  
8 food stamps. And so as a result they are being bombarded  
9 with more larger needs. And they went to the County.

10 Now, their largest -- their largest supporter  
11 right now is the Curry County United Way. And they went to  
12 the County, hoping to get matching funds for the Lifesaver  
13 Food Bank. And the County denied it. They said it was too  
14 late.

15 Now, I know two weeks ago my husband's step-  
16 mother, whom has the last name Curry, as I do, went to the  
17 same county commission and asked if they would caliche her  
18 road just about a quarter-mile up to her house, and the  
19 County approved it at \$130,000.00. All the Lifesaver Food  
20 Bank asked for was \$20,000.00.

21 This is just a small example of -- of how the  
22 county chooses. You know, they will spend large amounts of  
23 money to do away with programs that help the poor -- you  
24 know, that help the poor people; but, they are not willing  
25 to spend any kind of money to help them.

1 And that is my statement.

2 THE CHAIRPERSON: Thank you.

3 Are there any questions from Committee members?

4 (No audible response.)

5 THE CHAIRPERSON: Thank you.

6 We do have a question.

7 MS. RACHEL CURRY: I'm sorry.

8 THE CHAIRPERSON: Madeline Parry.

9 COMMITTEE MEMBER PARRY: Did anyone help  
10 this grandmother to redo her home?

11 MS. RACHEL CURRY: We have all helped her.  
12 We have had garage sales. We have taken, you know, things  
13 from our own homes. We have taken donations from like the  
14 community; people that we know that, you know, were  
15 affected, because it was -- you know, friends of ours that  
16 helped donate things to garage sales to help. Just, I  
17 mean, put glass windows. We didn't even replace the storm  
18 windows, just the inside windows in her home. And, you  
19 know, that is something that we are going to have to face  
20 before winter comes. Because, you know, as -- as it is,  
21 she is on a fixed income and, you know, storm windows are  
22 -- are, you know, a very large --

23 COMMITTEE MEMBER PARRY: Not the police or  
24 the City?

25 MS. RACHEL CURRY: Oh, absolutely not.

1 COMMITTEE MEMBER PARRY: Just friends?

2 MS. RACHEL CURRY: Just friends and family.

3 They denied help. We have gone to them and  
4 asked, you know, because it was their department that did  
5 the destruction, and they denied helping.

6 Any other questions?

7 THE CHAIRPERSON: Thank you. That will be  
8 all.

9 Crystal Reed?

10 (A lady approaches the podium.)

11 MS. CRYSTAL REED: Uhm, first of all, when I  
12 found out about all this, it was my best friend's grand-  
13 mother, which is the same house that's in question, as far  
14 as the damage that was done. And at first, you know, I  
15 think I was like a lot citizens in Clovis, and I thought,  
16 "Well, gosh, you know, these people are sitting here,  
17 taking advantage of this government program." And I  
18 thought, "Well, you know, they deserve what they're  
19 getting."

20 But then as I really started to acquire the facts  
21 as to what happened, it was literally disgusting. The  
22 D.A.'s Office used the law as a sword and not a shield.

23 I think that -- There's been a lot of emotions in  
24 the community, and we have a lot of people that immediately  
25 started writing letters to the editor. People that were

1 like me and automatically placed judgment on what happened.  
2 So I was going to read you a letter here that I wrote in  
3 response to a lot of the letters that were published in the  
4 NEWS JOURNAL.

5           Initially my letter wasn't going to be published.  
6 The NEWS JOURNAL had contacted me and told me that they  
7 felt that my letter would start arguments back and forth  
8 between people writing in. And I said that they, them-  
9 selves, started with a precedent. I mean, they allowed  
10 people to make response to initial letters that were sent  
11 in. And so I felt that it was within my rights to have it  
12 published. So this is how it went.

13           And it is entitled: "INJUSTICE TO TAXPAYERS."

14           "This is in reference to letters published  
15 in the October 6th Public Forum." And this was  
16 in reference to one of the people that wrote in.

17           "To L. G. Nichols: The people arrested are  
18 not claiming they were arrested on the basis of  
19 ethnicity, but that the investigation targeted  
20 a group of people with specific demographic  
21 characteristics. If this is untrue and there  
22 were other undercover agents on the streets in  
23 Clovis and other areas in Clovis, please  
24 enlighten me.

25           "As to Randall Harris's repeated efforts to

1 link drugs and guns to welfare fraud in the  
2 September 19th and 22nd articles on the arrests,  
3 the CLOVIS NEW JOURNAL reported that of the  
4 fifty-two people arrested, fourteen faced charges  
5 not related to food stamps."

6 So within this big drug raid there was fourteen  
7 people that had no relation at all to food stamp fraud;  
8 but, they were yet grouped in this big facade.

9 "Of the fourteen, six have no charges  
10 involving food stamps. Fourteen minus six is  
11 eight. So there were eight people that had  
12 charges other than food stamp fraud. So where's  
13 the link?

14 "To Steve Mayfield: Many of the people were  
15 arrested were not on welfare; they were arrested  
16 for allegedly buying food stamps. So no food was  
17 taken from small children's mouths.

18 "To Victoria Rush: How does an undercover  
19 agent selling food stamps to the needy help the  
20 needy? The vast majority were charged with buy-  
21 ing the stamps. Obviously there was a need for  
22 food.

23 "Finally Rick and Barbara Sprout wrote.  
24 'A quick perusal of the facts would suggest that  
25 most of those arrests had participated in illegal

1 activities for some time before this most recent  
2 arrest.' What number constitutes many? Eight?  
3 Eight of fifty-two?

4 "Surprisingly the kindly grandmother  
5 depicted in this letter is not one of the eight  
6 facing other charges.

7 "Again and again Randall Harris attempts to  
8 lump all those arrested September 19th into one  
9 category. More than seventy-five percent of  
10 those arrested did not have previous criminal  
11 records. Randall Harris used food as enticement  
12 against people who were poor. How despicable is  
13 that?

14 "I am married, work full time, and have no  
15 children. I don't worry about stretching my  
16 grocery budget or where my next meal will come  
17 from. But many of those arrested do. Food is a  
18 priority in their budgeting. Put yourself in  
19 their shoes.

20 "Aside from the injustice to these people,  
21 there is the injustice done to the taxpayers.  
22 Nothing is free. How much did the use of three  
23 helicopters, the additional law enforcement,  
24 U.S. Secret Service, U.S. Bureau of Tobacco,  
25 Alcohol" -- excuse me -- "Alcohol, Tobacco and

1           Firearms, and U.S. Customs cost? These people  
2           did not come without pay.

3                    "What about the additional burden on the  
4           Public Defender's Office. Will we have to hire  
5           additional defenders outside of our district?

6                    "I implore you citizens of Clovis, take a  
7           second look."

8                    So basically what I wanted to say is just what I  
9           had stated before, is that the D.A.'s Office basically used  
10          the law as a sword against the citizens of Clovis, and  
11          specifically in the west side of town. I think if you  
12          could look at a map and maybe put little red tacks where  
13          the people lived that were arrested, you will see it is  
14          predominantly like ninety percent on the west side of town.

15                   That is all I have to say.

16                   THE CHAIRPERSON: Thank you.

17                   Any questions from Committee members? Vincent  
18          Gallegos.

19                   COMMITTEE MEMBER GALLEGOS: You had some  
20          statistics there, Crystal. And you said seventy-five  
21          percent of the people that were arrested had no prior  
22          convictions before.

23                   MS. CRYSTAL REED: Right.

24                   COMMITTEE MEMBER GALLEGOS: Out of these  
25          arrests, of all the arrests that occurred you said that

1 ninety percent were on the west side of town?

2 MS. CRYSTAL REED: Yeah.

3 COMMITTEE MEMBER GALLEGOS: How many were on  
4 the east side or north side?

5 MS. CRYSTAL REED: If I recall correctly,  
6 there was probably five or six, maybe. But it was still --  
7 I think none were actually on either -- Very few were on  
8 the east side of town. But I would consider it a lower tax  
9 bracket on that side of town, the east side also. I mean,  
10 there were none in Colonial Park or Jungle Park, or what I  
11 would think is a predominantly wealthy -- or people that  
12 are actually getting by. I don't know how else to state  
13 it.

14 I mean, the undercover agent obviously did not go  
15 to other places in town where the possibility would be that  
16 the people would buy them. We've got military people here  
17 in town that qualify for welfare, and I don't recall this  
18 agent ever going to any of them and, you know, attempting  
19 to sell them there. I mean, he focused directly on one  
20 side of town.

21 COMMITTEE MEMBER GALLEGOS: Do you know of  
22 -- I think there was what, fifty --

23 MS. CRYSTAL REED: I have here that there  
24 was fifty-two arrested that day.

25 COMMITTEE MEMBER GALLEGOS: How many of

1 those were felonies, do you recall?

2 MS. CRYSTAL REED: Less than eight.

3 COMMITTEE MEMBER GALLEGOS: Less than eight  
4 felonies?

5 MS. CRYSTAL REED: There was less than  
6 eight, yeah.

7 COMMITTEE MEMBER GALLEGOS: That is all.

8 COMMITTEE MEMBER NEZ: To your personal  
9 knowledge, would you say there are pockets -- pockets of  
10 residences here in Clovis predominantly poor Anglo or  
11 Caucasian people?

12 MS. CRYSTAL REED: Yes.

13 COMMITTEE MEMBER NEZ: Where would that be?

14 MS. CRYSTAL REED: The west side of town,  
15 definitely.

16 COMMITTEE MEMBER NEZ: So they also reside  
17 -- The lower income Anglo or Caucasian also live on the  
18 west side?

19 MS. CRYSTAL REED: Uhm, very few. No, the  
20 majority of the west side of town, I would say, is  
21 minority.

22 COMMITTEE MEMBER NEZ: Would you say then  
23 there is a large population in relation to Hispanics and  
24 blacks? Is there a comparable number of Anglo or white  
25 people who are in that low income category as well?

1 MS. CRYSTAL REED: I am not sure exactly  
2 what you are asking. I think --

3 COMMITTEE MEMBER NEZ: Are there poor whites  
4 in Clovis?

5 MS. CRYSTAL REED: Yes, there are. But --

6 COMMITTEE MEMBER NEZ: Are there a lot of  
7 them? Or as many as other --

8 MS. CRYSTAL REED: I think that -- No, the  
9 Hispanics and blacks combined are probably a majority. But  
10 I do think that there are a significant enough number of  
11 white Anglos in town that if had been approached probably  
12 would have purchased also.

13 COMMITTEE MEMBER NEZ: Okay.

14 THE CHAIRPERSON: Thank you, Ms. Reed.

15 Our last presenter will be Michelle Campos.

16 (A lady approaches the podium.)

17 MS. MICHELLE CAMPOS: I would like the media  
18 not to record any of my statements. There is one over  
19 there.

20 THE CHAIRPERSON: She wishes not to be tele-  
21 vised, please.

22 NEWS CAMERA OPERATOR: It is off.

23 MS. MICHELLE CAMPOS: My name is Michelle  
24 Campos, and I want to tell you about what happened on  
25 September 19th.

1 THE CHAIRPERSON: What about this one here  
2 (indicating individual operating a videocamera next to the  
3 speaker)?

4 MS. MICHELLE CAMPOS: She's okay.

5 At approximately 5:30 to 6 o'clock in the morning  
6 my children and I were awoken by a loud pounding noise.  
7 When I immediately woke up to open the door, I was then  
8 rushed in upon officers claiming to be Secret Service.  
9 Seven officers to be exact; one with a mask on. They asked  
10 me if I was Michelle. I applied, "Yes." They asked me if  
11 I knew Flavia Garcia. I replied "Yes. He's my uncle."  
12 Then they told me they had a warrant for my arrest and they  
13 had a search warrant to search my house for drugs. No  
14 search warrant was ever shown to me. I was then thrown on  
15 my bed by a female officer and told to keep my face down  
16 and not to look at them.

17 I had just had surgery twenty days prior on my  
18 stomach. When I attempted to lift my head up to see if my  
19 child was okay -- I had one next to me, the other one in a  
20 crib -- she just threw my head down and told me not to look  
21 at them.

22 The officer had her knees so pressured on my back  
23 and her hands on my neck, that I couldn't move. I wasn't  
24 resisting arrest. I wondered why she was using so much  
25 excessive force. I was cooperating with them.

1           When the officer had me down on the bed, I tried  
2 to tell her I had surgery; but, I was ignored. After a  
3 short period of time, the lady officer got me up and told  
4 me that I was under arrest; she read me my rights and told  
5 me what I was being charged with.

6           At this time I asked if I could go to the  
7 restroom. They told me, "Later." I told them that it was  
8 that time of the month and that I needed to change. They  
9 still didn't listen to me.

10           At this time Joe Catharis walked in. And as I  
11 knew him from my previous instructor, I begged him --  
12 Because my children were there, I told him if he could  
13 please call my mother to pick up my children, because she  
14 had slept over at her boyfriend's house. He said, "Yes."  
15 So he phoned her.

16           And at that time they handcuffed me and they were  
17 going to take me out, outside. But before then they gave  
18 me a paper giving them consent to sign -- to search for  
19 drugs. I let them; but, my charges weren't drugs. After  
20 giving consent, one officer started taking me outside. I  
21 asked, "Can I change my clothes? Can I comb my hair, brush  
22 my teeth, wash my face, change my pad?" I had been on my  
23 period. They said, "No."

24           As they took me outside in the cold, my children  
25 -- ages six and ten months at the time -- were in the house

1 with the officers. As I was outside on a chair with a  
2 T-shirt backwards, shorts, no socks, just my slippers. I  
3 looked to the door, my son was crying. I guess the  
4 officers got him, because when I turned again he wasn't  
5 there.

6 My mom arrived about ten minutes later. She  
7 said, "Can you please" -- They wouldn't let me talk to  
8 her. They just took her purse and started searching it.  
9 When she went inside, I saw her grab her purse.

10 They told -- She had asked the officers, I  
11 guess, to bring me a blanket, because I was shivering; it  
12 was cold. They brought me a blanket. I asked the sheriff  
13 -- the sheriff that was outside with me, "Can I please go  
14 inside? You can go with me. You can do whatever. You  
15 know, I need the restroom. I need to change my pad." He  
16 refused.

17 Time went on. They were taking me -- They were  
18 going to transport me to the National Guard Armory. I  
19 asked them, "I am hurting from my stomach. I am still on  
20 medication. Can you please get my give pills" -- I was  
21 still on medication -- "and pads to change?" They said,  
22 "Okay."

23 They transported me to the National Guard Armory.  
24 I was about the sixth person there. I was in handcuffs. I  
25 was still hurting from my stomach where the officer had

1 used excessive force from my stomach. I was about the  
2 sixth person; and then I was handcuffed tight. I was on  
3 the first section. And then in the second section I asked  
4 -- I begged, "Can you" -- "I need the restroom. Can you  
5 please" -- "I need to change my pad." They said, "Okay."

6           When they saw that I was hurting, they unhand-  
7 cuffed me. I was the only one unhandcuffed. At this time  
8 I was taken to be questioned. I told them I wasn't going  
9 to answer no questions. Then I was taken back out. And  
10 they saw that I was crying, hurting from my stomach. They  
11 told -- They gave me -- A Secret Service gave me water  
12 and some chips and some cookies for me to take my pills,  
13 because I need to take it with food.

14           But I would see -- I saw Pearl handcuffed with  
15 -- I saw a lot of individuals handcuffed purple. "Please  
16 untie them." They wouldn't. They would not unhandcuff --  
17 you know, untighten them. I was the only one unhandcuffed.

18           The National Guard Armory was not organized.  
19 They lost my shackles. I was the last one -- I was  
20 practically the first one to be arrested; I was the last  
21 one to be transported. I saw the pizzas, the doughnuts,  
22 the Cokes; and none for none of the individuals before they  
23 were transported off.

24           I have been attending classes before all this, my  
25 arrest; and I have never had a problem with the instructors

1 until after my arrest. My major is criminal justice. Now  
2 I have to go direct study. They can't find me people to --  
3 to teach me.

4 I have never been arrested. I have never been  
5 in trouble. And my charges were unlawfully -- one -- two  
6 felonies: One unlawfully dealing with federal food  
7 coupons; and one conspiracy.

8 But the way they handled the people down there,  
9 they were not organized. I was the only one that I could  
10 say was not handcuffed. But I saw most of them, especially  
11 Pearl, purple.

12 I just don't think what they did was right. What  
13 they did to me, not letting me use the restroom, brush my  
14 teeth, comb my hair. Repeatedly. I didn't just ask two or  
15 three times. I asked numerous times.

16 And that is all I would like to say..

17 THE CHAIRPERSON: Thank you. Please remain  
18 for questions.

19 Michael Antiporda.

20 COMMITTEE MEMBER ANTIPORDA: Ms. Campos, how  
21 long would you say it was from the time of your initial  
22 request to go to the bathroom until they actually allowed  
23 you to?

24 MS. MICHELLE CAMPOS: I was -- They were at  
25 my house about 5:30, 6:00. I was at the National Guard

1 Armory about 6:30, and they didn't take it off until about  
2 11:00, 12:00, if that.

3 COMMITTEE MEMBER ANTIPORDA: And you had  
4 asked before you left for the armory --

5 MS. MICHELLE CAMPOS: Yes.

6 COMMITTEE MEMBER ANTIPORDA: -- you had  
7 asked at your home at the time of the arrest; and then you  
8 weren't able to go to the bathroom until --

9 MS. MICHELLE CAMPOS: No, no.

10 COMMITTEE MEMBER ANTIPORDA: -- 11:30?

11 MS. MICHELLE CAMPOS: Uh-huh, about 11:30,  
12 12:00.

13 COMMITTEE MEMBER ANTIPORDA: From 6:30 to  
14 11:30 or 12:00.

15 MS. MICHELLE CAMPOS: And I told them, "I  
16 need to change my pad." You know, I hate to say that, and  
17 it is embarrassing. But they could have gave me that  
18 respect. If they didn't want me to brush my hair, comb my  
19 -- you know, nothing. They could have just gave me that  
20 respect, and they didn't. The only -- You know, the only  
21 thing I can say is they unhandcuffed me after I told them I  
22 was hurting.

23 Even Randall Harris went up to me at the National  
24 Guard Armory and asked if I would like to speak to Deborah  
25 Potter, since she had been my instructor. And I just -- I

1 didn't -- He brought in someone else, and I just said I  
2 didn't want to talk. I was just in pain. And Everybody  
3 can -- you know, can tell you, I was crying, had my head  
4 down. Not just the hurting; the humiliation. You know, I  
5 had to just -- I don't know. I was just in pain. And,  
6 you know, the people laughing. I just -- It was unfair.

7 COMMITTEE MEMBER ANTIPORDA: Thank you.

8 THE CHAIRPERSON: Any more questions?

9 Mr. Gallegos has a question for you.

10 COMMITTEE MEMBER GALLEGOS: You mentioned  
11 twice about instructors, Joe Catharis and Deborah Potter.

12 MS. MICHELLE CAMPOS: I had Joe Catharis.  
13 And he's the one who -- who identified me as Michelle  
14 Campos, since I never met the agent.

15 COMMITTEE MEMBER GALLEGOS: But, I mean,  
16 what do you mean by "instructors"? They were instructors  
17 of what?

18 MS. MICHELLE CAMPOS: Yeah, my instructor --  
19 Well, I had had him the previous semester. And he had  
20 walked in my home, and I said, "Joe," I said, "Can you  
21 please call my mom? My children are terrified. My son is  
22 crying. Can you please phone her?"

23 COMMITTEE MEMBER GALLEGOS: They were teach-  
24 ing you classes at the college?

25 MS. MICHELLE CAMPOS: Yeah.

1 COMMITTEE MEMBER GALLEGOS: Did you meet  
2 this Ernie person?

3 MS. MICHELLE CAMPOS: No, I didn't. And I  
4 am not allowed to talk about my criminal, because I am  
5 pending. I go to trial tomorrow.

6 COMMITTEE MEMBER GALLEGOS: Okay. Thank  
7 you.

8 THE CHAIRPERSON: Thank you.

9 I apologize. I said Michelle Campos would be  
10 our last presenter. We do have two more. At the end of  
11 these two people presenting, this will conclude Part One:  
12 Individuals Affected by the Sting Operation.

13 We will take a short break after the two have  
14 done their presentations. Then we will go in to Part Two,  
15 which would be the Response of Officials Participating in  
16 Operation Stampede.

17 And because of conflicting scheduling and because  
18 three of the Committee members will be leaving at 2:15, or  
19 before that, to catch their plane, that is why we are just  
20 going through lunch and trying to get as much information  
21 as we can.

22 We will still continue even after the other  
23 committee members leave. We will still have a quorum to  
24 conduct the meeting.

25 So our next presenter at this time will be Jonnie

1 Santos.

2 (A lady approaches the podium.)

3 MS. JONNIE SANTOS: I am Jonnie Santos. I  
4 want to apologize. I came in late.

5 I had personally met this Ernie, and he had taken  
6 my cousin and I out to eat on a few occasions. And when he  
7 would be out at the restaurant with us, he would tell us  
8 that he was from the Indian reservation and that he was a  
9 very sick man and didn't have any family; and that he lived  
10 at the Grand Avenue Homes and that he needed money for  
11 medicine.

12 And I didn't buy any from him personally. This  
13 lady friend of mine was from Mexico and she had a language  
14 barrier. And I went to his apartment with her. We talked  
15 about the deal outside. She wanted to buy some food  
16 stamps. We talked outside. And she was kind of scared,  
17 because she didn't understand English at all. He said he  
18 didn't speak Spanish. I don't know if he ever did. He  
19 never did to me.

20 So I went inside with her money and did the  
21 transaction with him. He gave me the stamps. She didn't  
22 have enough for the last book. So I said, "She doesn't  
23 have any money." And he said, "Well, that's okay. Just  
24 buy me a beer later, a couple of beers later," to make up  
25 the little bit of money for the last book. Well, the last

1 book, come to find out, is what threw it into a felony.

2 I have never -- I don't have any -- I didn't  
3 even have a speeding ticket in my life. I have never had a  
4 record of any kind. Nothing.

5 When the police came to arrest me, it shocked me.  
6 It really did. I knew -- you know, I knew -- It was like  
7 a dilemma, "Is it morally right or is it legally wrong?"  
8 you know.

9 I felt sorry for her. I thought that they -- you  
10 know, her kids were hungry. So that is why I translated  
11 for her. It came as a shock to me, because I had never  
12 broken the law before. I had never been humiliated. I  
13 didn't even know. I go to college. I am getting my  
14 bachelor's degree this coming week, as a matter of fact.

15 It was very embarrassing to me when they came and  
16 arrested me. I didn't -- I kind of knew why, yes. I  
17 wasn't that dumb, you know. I knew that it was wrong for  
18 her to buy the stamps. I knew it was wrong for him to sell  
19 them. But I guess I thought it wasn't wrong to translate,  
20 you know, to help somebody.

21 And when they came to arrest me, I was so  
22 embarrassed. I was so embarrassed. I just didn't know how  
23 to handle it. I even thought of suicide for a while,  
24 because I couldn't handle it. I just couldn't handle the  
25 embarrassment, what went down.

1           I think if Randall Harris had wanted to arrest  
2 people that are selling the food stamps, why didn't they  
3 handle it differently? Go after those people personally;  
4 not set up somebody over there. Food is a basic need for a  
5 lot of people. If it was drugs, I could understand it.  
6 But food?

7           When I went in to the armory, I just -- I wished  
8 -- To me that was the most embarrassing day of my whole  
9 life, to go in there and see all my instructors from the  
10 college, police I had gone to class with. Teachers were  
11 still teaching me. Judge Chandler, he was my instructor.

12           And the humiliation of being handcuffed for six  
13 hours there. This lady beside me went to the restroom.  
14 She came back crying. I asked her what was wrong. She  
15 said that they had pulled her pants down and pulled her  
16 pants back up. They didn't handcuff -- they didn't remove  
17 the handcuffs while she went. I didn't go. I needed it  
18 bad; but, I didn't go. I waited. I waited all day.

19           I was hungry too. They didn't even feed us. I  
20 was there from 8:00 in the morning until 1:00 in the after-  
21 noon. If I felt bad, I can imagine even the older people  
22 than me, how awful and humiliated they felt.

23           I really feel like this -- They didn't take any  
24 criminals off the street. They made criminals out of a lot  
25 of innocent people is what they did.

1 My grades went down at school after that. My  
2 grades went down. It affected me a lot emotionally. I  
3 never really went to get help, any kind of mental help. I  
4 -- I just dealt with it the best way I know how.

5 I continued school and everything. I keep tell-  
6 ing myself every day, "It's okay. It's going to get  
7 better," you know. But I still feel emotionally upset  
8 about it, and I am sure all these people do. It has been a  
9 year now, and it feels like it was just yesterday.

10 I mean, it wasn't like we're a bunch of murderers  
11 and serial killers to have us handcuffed. I asked this  
12 policewoman if she would remove my handcuffs, or even just  
13 handcuff me in the front, you know, because my arms were so  
14 sore and my hands and my wrists. She said, "No." She  
15 refused. So we had to stay like that until they were good  
16 and ready to take the handcuffs off.

17 That is all I have to say.

18 THE CHAIRPERSON: Thank you.

19 Any questions? Anne Thomas.

20 COMMITTEE MEMBER THOMAS: Was there a large  
21 show of force when they arrested you?

22 MS. JONNIE SANTOS: No, there wasn't. No,  
23 there wasn't. They did respect my house, as far as that,  
24 you know.

25 COMMITTEE MEMBER THOMAS: And were your

1 handcuffs too tight?

2 MS. JONNIE SANTOS: Yeah, they were tight.  
3 They were tight. And my arms were hurting so bad all day.  
4 They wouldn't change the positions of the handcuffs.

5 COMMITTEE MEMBER THOMAS: Did you get to see  
6 your rights on the videotape? Did they display your rights  
7 on the TV monitor?

8 MS. JONNIE SANTOS: Yes. But when they  
9 showed us the TV monitor, we were about ready to be booked  
10 out, to be bailed out.

11 COMMITTEE MEMBER THOMAS: You had already  
12 been questioned before they showed you the monitor?

13 MS. JONNIE SANTOS: Yes.

14 COMMITTEE MEMBER THOMAS: And could you  
15 understand what your rights were based on what was shared  
16 on the monitor?

17 MS. JONNIE SANTOS: Well, as much as I study  
18 law and everything, I really, to be honest with you, I  
19 didn't -- I didn't -- I think I was just too emotionally  
20 upset. I didn't -- I don't know what they were saying. I  
21 really -- Maybe at that point I didn't even care. But,  
22 you know, at the time that they were -- at the time that --

23 I guess those are preliminary hearings they were  
24 having there? Is that what that was?

25 COMMITTEE MEMBER THOMAS: (Shrugs.)

1 MS. JONNIE SANTOS: You decide whether you  
2 wanted a lawyer or you wanted to fight it or whatever. You  
3 know, we were informed -- or I was informed, anyway. They  
4 had videotapes. And I said, "Well, if they have video-  
5 tapes, what is there to fight?" you know. So I didn't  
6 fight it. I went through prosecution. I had to at that  
7 point, because I couldn't lose my career with a felony.

8 COMMITTEE MEMBER THOMAS: So were you  
9 arrested for buying food stamps yourself or for  
10 interpreting for someone who bought food stamps?

11 MS. JONNIE SANTOS: Arrested for buying  
12 them.

13 COMMITTEE MEMBER THOMAS: How many times did  
14 he approach you to buy them?

15 MS. JONNIE SANTOS: Just that one time.

16 And when I went -- Okay, maybe I will just wait  
17 until later. But when I went -- This lady had wrote up a  
18 statement, you know, saying that she had bought them for  
19 herself and she had spent them and everything. She had  
20 typed up a statement -- well, wrote it.

21 Anyway, when I had talked to Mr. Limmer -- he  
22 works for the D.A.'s Office -- he said, "I don't even want  
23 to hear about it. I don't even want to see it." I was  
24 just trying to clear my name. I was just trying to clear  
25 up what had happened.

1                   COMMITTEE MEMBER THOMAS: Was that after you  
2 plea bargained?

3                   MS. JONNIE SANTOS: It was at the time I was  
4 going to talk to him about plea bargaining. I hadn't plea  
5 bargained yet. I was still trying my best to tell him what  
6 had happened.

7                   THE CHAIRPERSON: Rebecca Bustamante.

8                   COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

9                   Ms. Santos.

10                  MS. JONNIE SANTOS: Yes.

11                  COMMITTEE MEMBER BUSTAMANTE: Did you  
12 actually buy the food stamps, or did you just -- were  
13 interpreting?

14                  MS. JONNIE SANTOS: See, we were outside.  
15 He was outside. And as he saw us coming, he came outside.  
16 And we were talking outside. And I told him, you know,  
17 what she needed to know. And he said, "Okay." And he told  
18 her how much. And she pulled out some money, but I didn't  
19 even count it. I didn't pay attention. But she knew --  
20 you know, I told her in Spanish how much it was. When I  
21 walked inside, she was scared. She said she would wait --  
22 she would wait outside. I said, "Well, all right."

23                  So I went inside. And I told him, you know --  
24 I just followed him. He said to go inside, because that is  
25 where the food stamps were. So I followed him and gave him

1 the money. And he went into another room. Waited for a  
2 little bit and then he came back out. When he came out, he  
3 told me I was like five dollars short. And I said, "Well,  
4 I think that's all she has, because that's all she gave  
5 me." He said, "Oh, well, just here. Just take it."

6 And he knew -- we had talked. He knew I was  
7 studying. He knew. He didn't care. At that point they  
8 just wanted an arrest from anybody. They didn't care from  
9 who, as long as it looked good. I think that's all it was,  
10 was politics.

11 THE CHAIRPERSON: Vincent Gallegos.

12 COMMITTEE MEMBER GALLEGOS: Were you  
13 arrested the same morning that everybody else was?

14 MS. JONNIE SANTOS: Yes.

15 COMMITTEE MEMBER GALLEGOS: Were there a lot  
16 of police officers there?

17 MS. JONNIE SANTOS: There was a lady and  
18 three officers, I believe.

19 COMMITTEE MEMBER SANTOS: That's all. No  
20 helicopters or SWAT teams or nothing like that?

21 MS. JONNIE SANTOS: No, there wasn't.

22 As a matter of fact, when we came out, I told  
23 them that, "If you could please" -- because I have a little  
24 aunt that lives behind me. She's a little old lady. She  
25 is sick. And my uncle lives in the house next to her. And

1 I asked them if they could please -- I am sorry -- if they  
2 could just let me go out, and not handcuff me on the way  
3 out. They said that they had to follow procedures, right.  
4 But they didn't handcuff me on the way out. I told them  
5 that it would really upset them, and they were real sick  
6 and old, you know.

7           And they did follow me out to the car. I mean,  
8 two officers, one in front and two in back, I believe. But  
9 they didn't handcuff me. They let me go to the car. They  
10 let me get in and then they handcuffed me inside the car.

11           The only thing that saved my little son -- I have  
12 a twelve-year-old son. He had just left to school at 7:15  
13 on the bus. Other than that, he probably would have been  
14 as emotionally as I am, or worse.

15           THE CHAIRPERSON: Anything else? Any  
16 questions?

17           . (No audible response.)

18           THE CHAIRPERSON: Thank you, Ms. Santos, for  
19 your statements. And I want to thank the Committee members  
20 for the questions presented to her. You may have a seat.

21           At this time, rather than take Lisa Chavez's  
22 presentation, we will take a short break. And the reason  
23 why we are going to take a short break is so that the  
24 Committee members here may be able to come to some  
25 resolution or come to some agreement as to how we are going

1 to deal with Part Two. Part Two is for the Responses of  
2 Officials Participating in the Operation Stampede will be  
3 given an opportunity to also give their presentations.  
4 However, I understand that although there is an invitation  
5 mailed out, we do not have anybody presenting.

6 So we need to go into discussion on that issue  
7 before the Committee members that have to leave have to go.  
8 And we would like to include them in on the discussion as  
9 to how we are going to pursue the officials' presentations.  
10 And so for that reason we will take a short break again.

11 (The spectators take a recess, while the  
12 Committee confers as follows:)

13 COMMITTEE MEMBER THOMAS: I have got a list  
14 of questions I would like to have answers to.

15 MS. YOUNGBLOOD: Sure.

16 COMMITTEE MEMBER THOMAS: Can we just do it  
17 with an interrogatory where we all come up with questions?

18 MS. YOUNGBLOOD: I think that is an  
19 excellent idea.

20 COMMITTEE MEMBER THOMAS: Do you want to  
21 begin the process of doing it and designate a subcommittee  
22 to deal with this, so that later on if we do have them come  
23 back and appear and they come, it is on the record? Then  
24 we would have provided them with this list of interroga-  
25 tories beforehand and they could come back and answer

1 questions.

2           Because it is my feeling that Randall Harris does  
3 want to come and appear before the advisory committee. It  
4 just appeared to be a conflict issue. And it is my feeling  
5 further that the Secret Service and some of the other  
6 agencies are just guided by his direction on this. And  
7 once he appears, they will be more willing to appear as  
8 well. That is my feeling on this.

9           COMMITTEE MEMBER THOMAS: I know that if I  
10 go home now, this will fade from my memory pretty quickly  
11 and I will be back into my real demands of the world. So I  
12 would suggest that since other people have planned to be  
13 here this afternoon, we just do it now and get it done. We  
14 will just sit around and brainstorm what interrogatories  
15 you would like to have the Secret Service, Randall Harris,  
16 and whoever answer.

17           MS. YOUNGBLOOD: I think that is a good  
18 idea.

19           COMMITTEE MEMBER THOMAS: We are ready for  
20 the next step, which is we send out these questions, and  
21 then we wait for their responses, and then we are done. As  
22 opposed to go home, think about it. I heard from six  
23 people; I didn't hear from everybody.

24           MS. YOUNGBLOOD: Right, right.

25           And then would you-all want to come back to

1 Clovis again following this process of sending out the  
2 interrogatories?

3 COMMITTEE MEMBER THOMAS: It is a lot of  
4 money and effort to bring all these people down here. And  
5 this is the second time we have tried to schedule it.  
6 Because how do we know with his court calendar, the third  
7 time we schedule, he'll say, "Oh, I have been scheduled for  
8 another important case I have to go to court for." I would  
9 rather see the interrogatories before I decide if I need to  
10 come back.

11 COMMITTEE MEMBER BUSTAMANTE: I would  
12 suggest that; or also a subcommittee also, in case we do  
13 have to come back.

14 COMMITTEE MEMBER THOMAS: That is true.

15 MS. YOUNGBLOOD: Okay. Then we can discuss  
16 the subcommittee matter when I get back from the airport.  
17 If you want to press on. If you have any questions, just  
18 leave them.

19 And then Judge Eaton, if you want to continue on  
20 with the process and consider questions to be added.

21 THE CHAIRPERSON: So when this last  
22 presenter gives her statements, then we go through these  
23 questions.

24 COMMITTEE MEMBER BUSTAMANTE: I think we  
25 should ask for the record, is there anybody from the

1 agencies, just for the record, so that we have them.

2 COMMITTEE MEMBER ANTIPORDA: There may be  
3 some other people that wanted to add more, say something  
4 else briefly. There may be others who want to.

5 THE CHAIRPERSON: The lady that wanted to  
6 make a brief statement, more or less her point was just  
7 proven that there is not anybody being here from the D.A.'s  
8 Office.

9 COMMITTEE MEMBER ANTIPORDA: And the other  
10 thing, to remind people of the opening statement, that we  
11 are also accepting additional written comments, if they  
12 would like to augment what they said, or if they are not  
13 comfortable coming forward, that written comments are  
14 acceptable and welcomed also.

15 THE CHAIRPERSON: We will take a recess.

16 (Brief recess.)

17 COMMITTEE MEMBER ANTIPORDA: If we could  
18 please call the meeting back into session.

19 Judge Eaton is taking a short break and has asked  
20 me to fill in for just a little while. So we are going to  
21 continue.

22 I believe Lisa Chavez is our next presenter.

23 (A lady approaches the podium.)

24 MS. LISA CHAVEZ: Hello, I am Lisa Chavez,  
25 advocate for the group of people that were arrested.

1 I would like to first speak for Flavia Garcia.  
2 He is here. He doesn't speak very well English and he  
3 asked me if I would speak on his behalf.

4 On the morning of September 19th, when the raid  
5 took place, Flavia was awakened by pounding on his door.  
6 And when he went to get the door, they pushed it open,  
7 forced him on to the couch, and told him what they were  
8 there for.

9 In the meantime, his wife had just gotten out of  
10 bed. She was not a part of the arrest. But she was made  
11 to undress from her pajamas into her street clothes in the  
12 presence of her husband and the male officers. He endured  
13 a lot of humiliation; his children there. And I know as a  
14 -- speaking as a woman, if I was forced to undress in front  
15 of male officers from my pajamas into my street clothes, I  
16 would feel a lot of humiliation and embarrassment. And  
17 much more for the man, because he must have felt his hands  
18 were tied. There was nothing he can do.

19 There are other women here. Mary Ortiz, her  
20 daughter also was in her underwear and was forced to dress  
21 in front of the male officers.

22 There is a woman who couldn't be here today. Her  
23 name is Roberta. She also was on her period and she soaked  
24 through. And when it was her time to go before the judge,  
25 it was obvious that it was her time of the month.

1           And Flavia's case, after the arrest and they were  
2 leaving his trailer house, they pushed him down the steps.  
3 He already had an injured leg, hip and knee.

4           This is what they had to remove from him (holding  
5 up a plastic baggy containing metal items). They bent his  
6 rods during the arrest. When he walked into the jail he  
7 was using a cane. When he came out -- now he is in a  
8 walker. They did so much damage to his injury he will  
9 never be able to walk the same. He will always have to  
10 have help.

11           While he was incarcerated for --

12                     (The speaker speaks to Mr. Garcia in  
13                     Spanish.)

14           MS. LISA CHAVEZ: About the ten-day period  
15 he was there, he was refused repeatedly medical attention.  
16 He kept asking for pain pills and medicine and to see a  
17 doctor. On one occasion they did take him, and the doctor  
18 didn't want to look at him. The doctor refused to see him.

19           And so finally at his mother's urgency -- she  
20 called the city manager and various people to get them to  
21 get her son some medicine, her son medication for the pain,  
22 because he had called her. Prisoners were calling her and  
23 telling her, "Your son needs medicine. He's in pain."

24           If you would like to -- These were once straight  
25 rods. They have been bent. And this was due to the course

1 of the arrest (handing the baggy to the Committee members  
2 to review).

3           Several of those bolts you will see in there, the  
4 screws, they were broken. They don't have the ends. Some  
5 of them have been broken.

6           Now many years ago Randall Harris came into our  
7 community and he asked us to vote for him, and which we  
8 did. Many of us. We did literature drops; knocked door to  
9 door; and we voted him in to office.

10           He wasn't even in office a year when he converted  
11 from Democrat to Republican. Which is okay. He had that  
12 choice. He had that right. But he used us then and he  
13 used us now for political gain.

14           He intends to run for Attorney General, and I  
15 most certainly do not want any attorney general such as  
16 Randall Harris to be overseeing our state.

17           It has really bothered me that this agent was  
18 able to get into the Grand Avenue Homes. You have to have  
19 proof of your income, your financial status. It just  
20 puzzles me. I am sure they were aware of what was taking  
21 place. How can they not? Police officers were coming in  
22 and out of his apartment repeatedly.

23           The fact that guns were pointed to the children's  
24 heads. Many of these people won't even come for fear of  
25 retaliation. I went door to door yesterday, and they had

1 it. No more. They have been through a lot. Many of them  
2 have received counseling.

3           The children -- it was very damaging to the  
4 children. I think it was cruel the way the children were  
5 sent to school right after their parents had been arrested.  
6 Officers sent them to school. Not everyone had the oppor-  
7 tunity to call loved ones and tell them to come pick up my  
8 kids. Many of them were forced to go to school. Ofelia  
9 Montano's children were forced to go to school. The social  
10 services were called in there to counsel the children; they  
11 were crying, they were hysterical, as well as other  
12 children.

13           As Deborah, my sister, spoke about our presence  
14 at the courthouse, there were many derogatory remarks made  
15 to all of us. And in one case I think we were trying to be  
16 set up where a man in a van came and tried to sell us drugs  
17 real late at night while we were sleeping out there. And  
18 that same van and the same man was at the courthouse the  
19 following day.

20           The same truck with the male -- the men that  
21 drove by and threw gunshot shells at us and called  
22 Mrs. Walker "nigger" followed me back from school. And we  
23 were on a high-speed down the highway. I was trying to get  
24 away from them, and they just stayed on my tail trying to  
25 run me off the road. I reported this to the police.

1 Nothing was done at any time. Any of the reports we made,  
2 they never acted on them.

3 And Randall Harris stated he took an oath to  
4 prosecute fairly and equally, no matter who you are, who  
5 you are related to. I would just like to state in another  
6 statement that he made in the CLOVIS NEWS JOURNAL that  
7 there was an incident with our sheriff -- or Sheriff Mike  
8 Jackson, former sheriff, where he is now no longer in  
9 office for perjury. And Randall Harris stated that he  
10 couldn't prosecute him because he was such a close friend,  
11 he would not conduct the investigation.

12 This man has repeatedly contradicted himself on  
13 paper. He has fabricated many stories as to why they had  
14 to invade my grandmother's home, because there was a felon  
15 in there who had spent prison time. My uncle had never  
16 done any prison time.

17 Recently a man stole \$6,000.00 from Sunwest Bank  
18 where he was working, and soon after was arrested for  
19 selling and trafficking in drugs. Randall Harris did  
20 nothing. His punishment was being sent to a Christian  
21 college in Texas, while Odessa's daughter sits in prison,  
22 as well as many other parents here, who are here for their  
23 children -- or spending time in prison. First time  
24 offenses.

25 I think the way they handled these people is that

1 they felt these people had no dignity, no shame. They  
2 treated them as such.

3 My great-uncle, the humiliation he felt to have  
4 urinated in your pants and then to be made fun of. He  
5 didn't want to fight. He didn't want to come down here  
6 today. And then he gave it some thought and he said, "I'll  
7 be there for my sister who is still fighting."

8 And I ask you to please, what goes on here in  
9 Clovis, it has gone on many, many years. As my dad once  
10 stated, it still has a Mississippi mentality. The senti-  
11 ment is here. The signs are no longer up, "No Mexicans,  
12 dogs or niggers allowed," but the treatment is.

13 One woman here, she couldn't get her message  
14 across clearly. I think she was just really shaken up.  
15 Recently there was a death in her family, her brother had  
16 died. And they lived on the east side of town in a nice  
17 neighborhood where it is predominantly Anglo. Well, when  
18 they gathered for the funeral, everyone was coming to the  
19 home. The police surrounded the house, thinking that a  
20 riot was taking place, because there were so many blacks  
21 out there.

22 Her daughter was beaten up in front of her. She  
23 had just lost her brother and her daughter was beaten up  
24 and is now -- or was in jail. And now charges are brought  
25 up against her and many other family members that were

1 there at the funeral. And they did nothing but walk into  
2 their home. They had just lost a family member. And this  
3 has gone on so very long, where it does tie in.

4           It wasn't just Randall Harris. Yes, he initiated  
5 it. But, it's the police force that is here. The dis-  
6 crimination that is taking place. The large amounts of  
7 minorities that house our detention centers. It is not  
8 representative of the population here. When these people  
9 go to trial, the jury selection is not representative of  
10 their race. They are predominantly white. I think these  
11 people need to be judged by their peers.

12           And lastly I would like to state that all this  
13 welfare fraud, the stampede, took place during a time that  
14 they were initiating the welfare reform. I feel Randall  
15 Harris had a great hand in playing public opinion -- I  
16 mean, in getting votes for the governor in this welfare  
17 reform.

18           And I just ask you to please hear them. We have  
19 been quiet too long. We want to do something. We need it  
20 stopped. I know after today -- I know it is not going to  
21 stop. It may even get worse. I have had threats, I know.  
22 Our representative at the time had threats. But we are  
23 willing to stick this out and fight it all the way.

24           Thank you.

25           COMMITTEE MEMBER ANTIPORDA: Are there any

1 questions from the Committee members of Ms. Chavez?

2 (No audible response.)

3 COMMITTEE MEMBER ANTIPORDA: Thank you for  
4 your statement.

5 On the agenda at this point we are moving on  
6 to our second part with the Response of Officials Partici-  
7 pating in Official Stampede. Are there any officials here  
8 today that are here to address the Committee?

9 (No audible response.)

10 COMMITTEE MEMBER ANTIPORDA: And seeing  
11 none, what we would like to do, since we have been trying  
12 to keep people on time, if there is anybody that did not  
13 have an opportunity to address the Committee earlier, but  
14 would like to; or if there is anybody that feels that there  
15 is something they would like to add to their testimony, we  
16 will allow that at this time.

17 Is there any such person?

18 (A spectator approaches the podium.)

19 COMMITTEE MEMBER ANTIPORDA: Ma'am, could  
20 you please state your name for the court reporter.

21 MS. DORA GARCIA: I am Dora Garcia and I am  
22 here to talk for my son Flavia.

23 My son has -- My son is a disabled person since  
24 he was fifteen. Everybody in Clovis knows him. He is  
25 forty-six now. So everybody knows he is disabled.

1 Well, they arrested him. They went into his  
2 trailer. They broke the window. He can't get up fast.  
3 His leg -- His hip is messed up. He has got an artificial  
4 hip. And then he had those things on his leg.

5 They threw him down. They hurt him bad. There  
6 was no reason to do that, because they didn't find nothing.  
7 I cannot say if he fought or if he didn't. I don't know.  
8 I wasn't there. But what I am saying is that they  
9 shouldn't have done that to him, because he was walking.

10 They put him in jail. They had him two weeks.  
11 They didn't want to give him no medication, nothing. I  
12 know how my son was. I told them, "He is disabled. He has  
13 this kind of" -- Nobody believed me.

14 I had to beg. I had to borrow five thousand  
15 dollars to get him -- five thousand dollars cash to get him  
16 out of jail, because nobody would listen to me that he was  
17 sick, he was hurting.

18 I got him out. I took him to Lubbock. The first  
19 thing they said, "His leg is messed up. He has to have  
20 surgery." He has a -- They did a real bad surgery on him.  
21 Now he has to go back and have another surgery for his hip.

22 And he is still going to court. His doctor wants  
23 a mistrial, but they don't want to. They want to put him  
24 wherever they think that they think he belongs. But he has  
25 to go for another surgery.

1           So they messed up his life, my life. I have gone  
2 through so much with my son, seeing him the way he is. He  
3 is right there (pointing to a man in the back of the room).  
4 Which he wasn't like that. He was walking. He was  
5 disabled, but he wasn't this bad. They shouldn't have done  
6 that. They should have knocked and said, "Well, we are  
7 going to arrest you," or something. Don't do that to a  
8 person. We are human beings. But there is nothing you can  
9 do.

10           I called our administrator that I needed help to  
11 get him out of jail. I told him to lower his bond, since I  
12 was so poor. Nobody would listen to me. They said he was  
13 just acting to get out of jail. That is why I brought the  
14 proofs that he wasn't acting. No, he wasn't. I know how  
15 my son was. I know how much he suffers. And from there on  
16 -- that day on he will suffer for the rest of his life,  
17 especially if they can't fix his hip.

18           Thank you.

19           COMMITTEE MEMBER ANTIPORDA: Are there any  
20 questions for Mrs. Garcia?

21           (No audible response.)

22           COMMITTEE MEMBER ANTIPORDA: Thank you.

23           Anybody else who would like to address the  
24 Committee?

25           UNIDENTIFIED SPECTATOR: Yes. I think I

1 left something out.

2 (A lady approaches the podium.)

3 COMMITTEE MEMBER ANTIPORDA: Could you  
4 please state your name for the court reporter.

5 MS. OFELIA MONTANO: Ofelia Montano.

6 And like I said, I think somebody left something  
7 out of the Grand Avenue Homes. When you go and apply for  
8 housing there, you have to give your name. They have to  
9 investigate you. They have to run a police report on you,  
10 see you are not a criminal. I know that, because I took my  
11 brother in the month of February. By that time Ernie was  
12 already here. And if he came in January, like the D.A.  
13 said, well, how come he got in there so fast? You know, my  
14 brother, it took him a month after he applied, which I gave  
15 him the letters for him to go to the Grand Avenue Homes.

16 But I don't see -- I still say that the people  
17 from the Grand Avenue Homes knew what they were getting  
18 into, because they have to run a police report. So they  
19 are just playing dumb or they are just trying to cover up  
20 that they did know nothing. They did know something about  
21 it. That is what I am saying, they just left that part  
22 out. And that is all.

23 COMMITTEE MEMBER ANTIPORDA: Any questions?

24 (No audible response.)

25 MR. ANTIPORDA: Thank you.

1 Any additional?

2 (No audible response.)

3 COMMITTEE MEMBER ANTIPORDA: Judge Eaton, I  
4 believe we are continuing with our meeting and we will be  
5 working as a committee. Our meetings are always open. So  
6 everyone is welcome to stay and join us. You are welcome.

7 I would like to also remind people that we do  
8 have a 30-day period, I believe it is, where comments may  
9 be submitted. And that address was read by the Chair  
10 during the opening statements. And is that written down  
11 everywhere, or do people want to write it down?

12 MS. YOUNGBLOOD: I can provide them with the  
13 address. Or if you want to read it out loud again.

14 COMMITTEE MEMBER ANTIPORDA: Okay, let me go  
15 ahead and read that. And if you would like to write this  
16 address down.

17 COMMITTEE MEMBER GALLEGOS: These written  
18 comments, are these for these things they left out or they  
19 wish to add to any testimony?

20 COMMITTEE MEMBER ANTIPORDA: Yes, that is  
21 correct.

22 (A lady approaches the podium.)

23 MS. LISA CHAVEZ: Well, I have one last  
24 thing I would like to say. I am Lisa Chavez.

25 I failed to mention this. But at one point the

1 agent had a huge barbecue and he used those food stamps  
2 that he was given by the D.A. to purchase all the food for  
3 the barbecue. He invited many, many of these people to  
4 this barbecue. And there he got a lot of his clients, I  
5 guess.

6           And also the time that he spent at the bar, many  
7 of these people were intoxicated when he made the sale.  
8 Several of the women couldn't be here for various reasons.  
9 But I would just like that noted, that he just endeared  
10 himself so well and he hooked them. And he used the most  
11 vulnerable of our people.

12           (A lady approaches the podium.)

13           MS. ORA LEE HARRIS: My name is Ora Lee  
14 Harris, and I need to ask a question. How can they go to  
15 the DVO and get a picture of you to use to set up the food  
16 stamp sting?

17           COMMITTEE MEMBER ANTIPORDA: I don't  
18 understand.

19           MS. ORA LEE HARRIS: Okay. They went and  
20 got a picture of my husband at the jailhouse, and they gave  
21 it to Ernie Valdez. And they used Keith as a target to  
22 sell the food stamps to other peoples.

23           MS. LISA CHAVEZ: In other words, prior to  
24 the agent coming out into the community, he was given a  
25 picture of Keith Harris, her husband, and told to use him,

1 to become acquainted with him to sell the food stamps.

2 That is what they were told.

3 MS. ORA LEE HARRIS: Yeah.

4 MS. LISA CHAVEZ: Who told you this?

5 MS. ORA LEE HARRIS: It's in -- It's in his  
6 paper work that they went to the police station and got a  
7 picture of him out at the DVO.

8 COMMITTEE MEMBER ANTIPORDA: What is DVO?

9 MS. ORA LEE HARRIS: For their mug shot.  
10 They went and got a mug shot of him. Because they didn't  
11 even know his last name. Ernie only just knowed him by  
12 Keith. And they went to the police station and got a  
13 picture of him and gave to Ernie.

14 COMMITTEE MEMBER ANTIPORDA: I don't know if  
15 anyone on this committee is able to respond to that. But  
16 we will note that, so it is included in the public record.

17 MS. ORA LEE HARRIS: Could you find out for  
18 me? And then they used -- they had Ernie, to target him  
19 out to do things with him all the time.

20 COMMITTEE MEMBER ANTIPORDA: Any questions?

21 COMMITTEE MEMBER GALLEGOS: That can be one  
22 of the questions that we can ask the officials.

23 COMMITTEE MEMBER ANTIPORDA: Okay. Thank  
24 you.

25 (A lady approaches the podium.)

1 MRS. HELEN DEE WALKER: I have one question.

2 COMMITTEE MEMBER ANTIPORDA: Go right ahead.

3 MRS. HELEN DEE WALKER: I am Helen Walker.

4 I am still curious. I don't know anything about  
5 it, because I haven't lived in the Grand Avenue Homes. But  
6 from all indications, the people that live over there,  
7 Ms. Thomas and them, they had saw Ernie -- I think, didn't  
8 you say, he lived two doors from you (addressing a lady in  
9 the audience)?

10 If he was coming to us, it was with the story  
11 that he needed a place to stay. Because I know I am one of  
12 them -- one of these people. I am a second Mother Teresa,  
13 in other words. This is what he told me, that he was  
14 looking for a place -- he was selling the stamps to get a  
15 place to stay. But Ms. Thomas and him say he was already  
16 in the Grand Avenue Homes.

17 UNIDENTIFIED SPECTATOR: Uh-huh.

18 MRS. HELEN DEE WALKER: Now, Mr. Wilkerson  
19 is back here. He is affiliated with the housing authority.  
20 If you would allow it -- and he would like to come forward  
21 and explain to us, did he -- when Ernie came to town, did  
22 he go into the Grand Avenue Homes in January, when he came  
23 here, as they has stated? Because he came to me in March.  
24 This is what he was telling me, that he needed a place to  
25 stay. But they are saying he was there all the time. So

1 how -- how did he get in the Grand Avenue Homes and --  
2 and you know, and things? So I would like to have an  
3 explanation of Mr. Wilkerson, if it is all right with the  
4 Committee to ask about it.

5 COMMITTEE MEMBER ANTIPORDA: I think  
6 Mr. Wilkerson, like any other citizen, is welcome to  
7 testify in front of the Committee. But it is my under-  
8 standing that we don't have any type of subpoena power. We  
9 cannot point to the gentleman and say, "You will answer the  
10 question now." But if he would like to come forward, he is  
11 welcome to do that.

12 MRS. HELEN DEE WALKER: Thank you.

13 (A lady approaches the podium.)

14 MS. ODESSA KANU: He also told me that --  
15 that the housing people from Grand Avenue Homes were always  
16 coming to his house and sending him a letter or putting a  
17 note on his door asking him why -- how was he getting his  
18 money. They wanted to know how he was getting his money.  
19 And he said he was telling them that he was doing odd jobs.  
20 But he was like that they didn't know. So he acted as if  
21 they didn't know that he was there. I am quite sure that  
22 they did know that he was there, because they were always  
23 in and out of there and they were always talking.

24 (The baby in the audience is crying loudly.)

25 MS. ODESSA KANU: No one is going to have

1 repairs and stuff every day done on their apartment and  
2 stuff. No one. And if he moved in there, they are  
3 supposed to prepare that apartment when he first got there.

4           And he said he never -- he went back and forth to  
5 the reservation -- you know, to Arizona doing work, you  
6 know, picking apples and oranges and all this there. You  
7 know, he was never there to tear up anything. So they had  
8 to know he was there.

9           COMMITTEE MEMBER ANTIPORDA: Questions?

10           (No audible response.)

11           COMMITTEE MEMBER ANTIPORDA: Let me read  
12 that address for sending additional comments or written  
13 statements. The address is the Western Regional Division,  
14 United States Commission on Civil Rights, 3660 Wilshire  
15 Boulevard -- that is W-i-l-s-h-i-r-e -- Suite 810, Los  
16 Angeles, California 90010.

17           Would anyone like that repeated?

18           (Spectators answer in the affirmative.)

19           COMMITTEE MEMBER ANTIPORDA: Western  
20 Regional Division, United States Commission on Civil  
21 Rights, 3660 Wilshire Boulevard, Suite 810, Los Angeles,  
22 California 90010.

23           COMMITTEE MEMBER ANTIPORDA: We have one  
24 more person. Go right ahead.

25           (A lady approaches the podium.)

1 MS. MARY CAMPOS: My name is Mary Campos and  
2 Michelle Campos is my daughter.

3 I am not going to say too much, because my  
4 daughter is going to trial tomorrow. I just want to say  
5 briefly the way that I was treated that morning. That  
6 night I had gone to spend the night with my boyfriend,  
7 because my daughter was living with me in my home. I got a  
8 call, seven till 6:00..

9 When I had got home, I had just gotten off the  
10 truck, I seen all kinds of police cars and men standing all  
11 around with masks. As I approached the fence, they grabbed  
12 my purse. They told me to stretch out, to check me. I was  
13 checked all over. They told me I couldn't take my purse  
14 inside the house, so they got a hold of my purse.

15 They would not let my boyfriend in the house.  
16 They told him to stand by the truck. They searched the  
17 truck.

18 When they let me inside the house, when I  
19 approached the door, my daughter was just sitting there,  
20 outside the house with just shorts and a little blouse.  
21 She was cold. As I walked -- They wouldn't even let me  
22 talk to her.

23 When I walked in the house, the baby was crying  
24 and the little boy, my grandson, was just standing there.  
25 There was cops all over my house and I could see these guys

1 with masks. They told me that I had to sit down and I  
2 couldn't move.

3 I told them, I said, "Could I please take a  
4 blanket to my daughter, because she is cold?" They finally  
5 let me take a blanket to her, but I couldn't give it to  
6 her. I had to give to lady police there. There was two of  
7 them.

8 When they brought my purse in, one of the police  
9 officers grabbed my purse and she took everything from my  
10 purse. Everything. She just scattered it all over the  
11 couch.

12 I needed some water, because I was so scared. I  
13 didn't know what was going on. And they wouldn't give me  
14 no water. They just told me to sit right there by the  
15 couch and not move. And I seen all these people just going  
16 around the house. I am just so scared. They were just --

17 And then all of a sudden they told me that my  
18 grandkids had to leave. And I told them if I could take  
19 them somewhere. I was so scared. They told my boyfriend  
20 that he could take the baby and my grandson, but that I had  
21 to stay there. I had to stay there. And they searched my  
22 house, especially my room. They went through my room.

23 I remember I needed my pill, because I have to  
24 take a pill at a certain time. They -- They wouldn't give  
25 it to me. When I -- I guess the lady cop saw I was -- I

1 was all white and stuff. She finally got up and told me  
2 that she would walk into the kitchen with me to get a glass  
3 of water. Then I needed the bathroom. And she finally  
4 took me to the bathroom, but she stood right there with me.

5           When they finished searching my house, one of the  
6 officers or Secret Service had a mask on. He sat down  
7 right in front of me and he was being very mean to me. He  
8 asked me if I had anything to say to him. And I said,  
9 "No." He got up and he took off his mask and he goes --  
10 He got real close to me and he said, "Well, you sit there  
11 and you wait, because you're going to get arrested. You  
12 are going to be arrested. Don't you dare move from there."

13           That is all I can say. But we have been -- we  
14 have been going through a lot. My daughter goes to  
15 college. She has been going to college for four years.  
16 She is being followed at school.

17           THE CHAIRPERSON: Mr. Gallegos.

18           COMMITTEE MEMBER GALLEGOS: Were you  
19 arrested?

20           MS. MARY CAMPOS: No. They never came for  
21 me. But they told me -- He told me real mean to stay  
22 right there and not to move, that they were going to come  
23 and arrest me, after he took off his mask.

24           And they left my house, it probably was like  
25 8:30. Since about 5:30, 6:00, and they stood there until

1 about 8:30 -- 8:00, 8:30. And all that time I just sat  
2 right there. They had me just sitting right there by the  
3 couch. I wasn't able to move.

4 They wouldn't even -- When I walked in the  
5 house, they wouldn't even let me hold my baby -- my grand-  
6 daughter. She was just a baby, ten months.

7 COMMITTEE MEMBER GALLEGOS: That is all I  
8 have.

9 COMMITTEE MEMBER ANTIPORDA: Are there any  
10 other questions?

11 (No audible response.)

12 COMMITTEE MEMBER ANTIPORDA: Thank you.

13 (The Chairperson re-enters the room.)

14 COMMITTEE MEMBER ANTIPORDA: I guess I am  
15 relieved. It is a hard job.

16 THE CHAIRPERSON: I want to thank Michael  
17 Antiporda for helping me while I took a break. And I do  
18 want to thank all of you for being patient, for giving your  
19 statements.

20 Understand that it is important for you to give  
21 us this information. It is also important for us, as a  
22 committee, to gather all of the facts and to know exactly  
23 what went on with this -- with the Operation Stampede that  
24 occurred.

25 And as a committee now we need to decide what we

1 are going to do, because we are at a disadvantage here with  
2 no one coming to give their side of the story from the  
3 D.A.'s office and from the administration; and to come to  
4 some fair conclusion or come to some fair summary on this.  
5 We also need to get their side of the story.

6           And so at this time then that is what the  
7 Committee will do then. The meeting is then open for how  
8 we are going to proceed from here, so that the people here  
9 giving their testimony, their statements, then will know  
10 what we are going to be doing with this gathering of facts.

11           And so the meeting then is open for whatever  
12 suggestions that the Committee has to see how we are going  
13 to proceed with the absence of the administration giving  
14 their side of the story.

15           Are there any questions?

16           COMMITTEE MEMBER BUSTAMANTE: Madam Chair.

17           THE CHAIRPERSON: Yes.

18           COMMITTEE MEMBER BUSTAMANTE: Give us some  
19 direction. My suggestion would be that we pose some  
20 questions, at least send them to these individuals,  
21 requesting a response and that response be sent to all of  
22 us.

23           COMMITTEE MEMBER GALLEGOS: I would like to  
24 see if that is a possibility, that we get something from  
25 this meeting so that we can refresh our memories to make

1 sure that our questions are correctly placed, so that when  
2 those questions are asked that we return them back to  
3 Stella and give those some thought.

4           These questions we are going to address everybody  
5 that was invited or involved in this food stamp sting.  
6 Because there is questions that I would like to see from  
7 the Inspector General's Office and different things like  
8 that that I would like to see responded to.

9           THE CHAIRPERSON: Michael Antiporda.

10           COMMITTEE MEMBER ANTIPORDA: I have a  
11 question about the time frame for this too. How much time  
12 do we allow them to respond to our questions? We have  
13 a 30-day comment period in which everyone else is  
14 constrained. I think that would be our outer limit for  
15 officials from the agencies to respond also. But do we go  
16 shorter than that, or will we just have all of them at the  
17 end of the 30 days, whatever day specified?

18           MS. YOUNGBLOOD: It will be 30 days from  
19 whatever today's date is. That would October the 15th. I  
20 think that is probably the right recommendation that I  
21 would make to the Committee at this time is to go with the  
22 30-day limit for them to respond to questions, or prior to  
23 that, providing a reason why they would not be responding.

24           I would also to suspender it, if you will, by  
25 directing questions all the way of the chain of command,

1 not only to the Inspector General of the New Mexico  
2 Department of Human Services, but also to the Director as  
3 well, providing us with a reason why his Inspector General  
4 didn't make himself available to the Committee this after-  
5 noon with sufficient notice. And likewise to all of the  
6 other officials. Same with the Regional Director with the  
7 Department of Agriculture, Food and Nutrition Service. I  
8 would direct a copy of the letter to the Secretary of  
9 Agriculture asking that he direct his official to respond.  
10 And perhaps we could copy the Attorney General on all of  
11 the letters that are sent.

12 COMMITTEE MEMBER GALLEGOS: Also I am  
13 wondering, being that the Public Defender's was also  
14 contacted, why they didn't respond. I don't know if it is  
15 because of cases pending or under whose guidance they were;  
16 but, I feel like there should be some response to that  
17 also.

18 THE CHAIRPERSON: So to put this into some  
19 consensus here, then the recommendation then is that the  
20 Committee members then will direct questions then to these  
21 officials that did not appear today and have them respond  
22 to the questions within 30 days. It will be October 15th.  
23 Is that the correct understanding?

24 COMMITTEE MEMBER ANTIPORDA: And they are  
25 all going to go out from the Western Regional Office?

1 MS. YOUNGBLOOD: This week. They need to go  
2 out this week.

3 COMMITTEE MEMBER GALLEGOS: We need to fax  
4 all the questions to your office so that we can compose a  
5 general list?

6 MS. YOUNGBLOOD: It was a recommendation, I  
7 believe, of Ms. Thomas before she left. She provided us  
8 with a list of several questions that she had.

9 COMMITTEE MEMBER BUSTAMANTE: So did Stanley  
10 also.

11 MS. YOUNGBLOOD: And perhaps we should  
12 just go through those. Their list of questions might be  
13 comprehensive; and you might be able to come to some agree-  
14 ment, Madam Chair, while we are here as to the scope of  
15 that.

16 COMMITTEE MEMBER ANTIPORDA: I would like to  
17 add to that. Maybe we could have just another day or two  
18 for us to submit additional questions, because I know  
19 having taken notes today that I would like to go through  
20 and make sure that I don't leave anything out. Then we  
21 could fax them to you.

22 MS. YOUNGBLOOD: Sure.

23 COMMITTEE MEMBER GALLEGOS: And also you  
24 could fax them back to us to see what the other questions  
25 are, so that we won't trip on each other. I think if

1 the office would help us sort and review some of those  
2 questions.

3 MS. YOUNGBLOOD: Would a reasonable deadline  
4 be -- I will be returning to Los Angeles tonight, and in  
5 the office tomorrow afternoon. I can fax them out to  
6 you-all tomorrow afternoon. And by Thursday, by no later  
7 than Thursday, will that provide you-all with sufficient  
8 time?

9 THE CHAIRPERSON: I believe so. So then the  
10 deadline will be Thursday then to fax the questions that we  
11 have to the Western Regional Office, to Ms. Youngblood.  
12 And then you will be faxing back to the Committee members  
13 all the questions.

14 MS. YOUNGBLOOD: Right. And they will be  
15 for the Chairperson's signature. I would recommend it be  
16 for your signature.

17 THE CHAIRPERSON: Okay. And then we will be  
18 requesting from the officials a response by October 15th,  
19 1997, and proceed from there.

20 COMMITTEE MEMBER GALLEGOS: After that date,  
21 do we need to set up a day to review the questions or the  
22 responses to the questions so that we could understand what  
23 further initiatives the Committee needs to take?

24 THE CHAIRPERSON: Again, that is open for  
25 discussion. We could consider having the full Committee

1 meet again, or we could have a subcommittee meet to see  
2 where we are going to go with this.

3 COMMITTEE MEMBER GALLEGOS: What if one of  
4 the responses is from one of the agencies that they would  
5 like to meet with us? Would that be in consideration  
6 versus the response to the questions in writing?

7 THE CHAIRPERSON: Again, you know, they  
8 would be able to meet with full Committee or the sub-  
9 committee. This is going to be our third meeting that is  
10 going to be set.

11 MS. YOUNGBLOOD: Excuse me, Madam Chair. I  
12 would like to make a recommendation that a subcommittee be  
13 appointed to deal with this for two reasons. First, the  
14 officials would avail themselves or would make themselves  
15 available to come to Clovis and speak on the record  
16 regarding this issue. I think it would be a courtesy for  
17 them to meet here in Clovis. But cost-wise, based on the  
18 timing we are talking about, it would be very difficult to  
19 get funding for all twelve committee members to travel to  
20 Clovis at this time. Our new fiscal year starts October  
21 the 1st; and generally from October the 1st through the  
22 22nd of October, the Commission operates under a continuing  
23 resolution where we cannot make any sort of discretionary  
24 expenditures. We can only travel for emergencies. And so  
25 it would be a lot easier to get funding for two to three

1 advisory committee members to travel to Clovis and listen  
2 to these people, rather than all twelve. That would be my  
3 recommendation. And also that would enable the other  
4 advisory committee members who are involved in the  
5 preparation for the Farmington meeting -- which is the next  
6 major fact-finding meeting that has been requested by the  
7 Committee -- that would enable them to continue their work  
8 on that project while we are completing our fact-finding  
9 here in Clovis.

10 COMMITTEE MEMBER NEZ: I like that idea. I  
11 think we ought to go with a subcommittee and be accommodat-  
12 ing. If any of the officials want to come to the next  
13 meeting, I think we should be accommodating to them and  
14 have a subcommittee come to Clovis for that purpose.

15 THE CHAIRPERSON: Mr. Antiporda.

16 COMMITTEE MEMBER ANTIPORDA: If we do that  
17 and we have a subcommittee, there is two things I think  
18 we ought to consider. One is to make sure that that  
19 subcommittee gets to Clovis before the end of the 30-day  
20 deadline; and the second is that they are not the only ones  
21 allowed to come and speak, because they also had this  
22 opportunity and I am sorry that they couldn't make it.  
23 Because I think if other people that were here today wanted  
24 to come back -- I think that if we are going to give a  
25 second opportunity to the public officials, we should give

1 the same opportunity to others.

2 MS. YOUNGBLOOD: Yes.

3 COMMITTEE MEMBER GALLEGOS: On that same  
4 note. I would prefer that if there is going to be three  
5 persons appointed to the subcommittee based on funding  
6 needs, I would prefer that that be done with people from  
7 outside the Clovis area, that way I can attend as a  
8 non-funded member and be able to participate in committee  
9 hearings. That way would allow more of us to be here.

10 THE CHAIRPERSON: Okay, based on those  
11 recommendations, then, we would need to determine who would  
12 serve on the subcommittee. If we want to go with the same  
13 subcommittee that is on the Farmington one.

14 COMMITTEE MEMBER BUSTAMANTE: I would choose  
15 a different one.

16 THE CHAIRPERSON: Do a different one?

17 COMMITTEE MEMBER PARRY: Yeah, that should  
18 be different. There is a variance there.

19 THE CHAIRPERSON: Okay. The only reason why  
20 I thought we might want to consider the same subcommittee  
21 is so that they can take care of the business with  
22 Farmington and this one also at the same time. However,  
23 and because it is so hard to get together -- They would  
24 meet here to allow time for the officials also to give  
25 their presentations.

1 COMMITTEE MEMBER BUSTAMANTE: Would we need  
2 to bring the people from Farmington over here?

3 COMMITTEE MEMBER PARRY: No, no. It is  
4 separate.

5 THE CHAIRPERSON: No, this subcommittee  
6 would again meet here, based on Ms. Youngblood's recommen-  
7 dation because of the budget and the fiscal year running  
8 out and not being able to include all of the Committee  
9 members.

10 COMMITTEE MEMBER NEZ: Well, if we get three  
11 committee members, we only need two others here. Vincent  
12 would be the third one, right? And we don't have to pay  
13 him.

14 THE CHAIRPERSON: So the first thing we need  
15 to determine is who is going to serve on the subcommittee,  
16 because based on the budget factor it is pretty much a  
17 subcommittee, rather than the whole committee meeting.

18 COMMITTEE MEMBER ANTIPORDA: One thing to  
19 consider, if we are going to have the same committee for  
20 Farmington as we use --

21 MS. YOUNGBLOOD: There will be two separate  
22 subcommittees.

23 COMMITTEE MEMBER ANTIPORDA: Never mind.

24 THE CHAIRPERSON: Let's go ahead and go with  
25 a separate subcommittee. Is everybody in agreement with

1 that?

2 (The committee answers in the affirmative.)

3 THE CHAIRPERSON: Everybody is in agreement  
4 with a different subcommittee. Who will serve on the  
5 subcommittee, then, to carry out this next meeting with  
6 officials?

7 COMMITTEE MEMBER GALLEGOS: I am one, for  
8 sure.

9 THE CHAIRPERSON: Thank you, Mr. Gallegos.

10 COMMITTEE MEMBER NEZ: And Madeline, you are  
11 Artesia, so you don't have to travel that far.

12 COMMITTEE MEMBER PARRY: I wouldn't mind  
13 doing it. My problem is I will be out of state the 23rd  
14 and 24th of September; and October the 7th, 8th and 9th.  
15 So that may be a conflict. But otherwise I wouldn't mind.

16 COMMITTEE MEMBER ANTIPORDA: I don't live  
17 that far.

18 MS. YOUNGBLOOD: Excuse me, Madam Chair. My  
19 question is directed for Mr. Antiporda.

20 Michael, would that create a problem for you,  
21 because I know you do sit on the Farmington subcommittee as  
22 well?

23 COMMITTEE MEMBER ANTIPORDA: Depends on how  
24 many more days I can take off work to come.

25 MS. YOUNGBLOOD: Did every one hear

1 Mrs. Parry's comments.

2 COMMITTEE MEMBER PARRY: There is twelve of us.  
3 We don't need to serve on two committees. One committee is  
4 enough.

5 MS. YOUNGBLOOD: This might be helpful.  
6 Anne Thomas, Mike Antiporda, Cindy Lovato-Farmer, Emma  
7 Armendariz and Stan Agustin all sit on the Farmington  
8 subcommittee. And I feel that I am forgetting one person.  
9 Is that everyone? That is everyone.

10 What about the bishop who was not available or  
11 Mr. Nez?

12 THE CHAIRPERSON: Mr. Nez?

13 COMMITTEE MEMBER NEZ: If there is no one  
14 else that can make it, I think I can probably come up.

15 THE CHAIRPERSON: Then we have four. I  
16 think that is plenty. I think that is sufficient.

17 Right now we are trying to find out and determine  
18 what we are going to do with unfinished business here.  
19 Responses were to be taken from officials who participated  
20 in the Operation Stampede.

21 If we do have time, if there is time after we  
22 have taken care of what business we need to take care of,  
23 then I am sure the Committee will be glad to hear you. But  
24 we do need to come to some consensus here on where we are  
25 to go with all of this.

1 MS. MARSHA JOANETTE VOHS: Okay. Thank you.  
2 I will wait around. Thank you very much.

3 COMMITTEE MEMBER BUSTAMANTE: Madam Chair.  
4 I might make a suggestion that might be helpful too.

5 I have three questions to ask here. I would be  
6 happy to go home tonight. I have a fax machine at home. I  
7 can fax everything out, these three to you tomorrow, to the  
8 individuals. That will help you.

9 MS. YOUNGBLOOD: Sure, that will be fine.

10 COMMITTEE MEMBER BUSTAMANTE: If I could  
11 have fax numbers, I will be happy to do that. That will  
12 get everybody else started.

13 THE CHAIRPERSON: And I appreciate that,  
14 Ms. Bustamante.

15 Before we go any further. We have determined who  
16 will serve on the subcommittee. If we could get a date  
17 then.

18 Is there anything more than that we need to  
19 discuss?

20 (No audible response.)

21 MS. YOUNGBLOOD: I have nothing further,  
22 Madam Chair.

23 THE CHAIRPERSON: Just so there is no  
24 misunderstanding, we know who the subcommittee is, and it  
25 will be up to them, up to the subcommittee members then to

1 come up with a date when they are going to be meeting and  
2 following through on these questions.

3           The subcommittee members will be Vincent  
4 Gallegos, Madeline Parry, Rebecca Bustamante, and James  
5 Nez. And I want to thank these Committee members for  
6 serving on this Committee.

7           And the other thing that we need to remember is  
8 that any questions that we have to ask of any of the  
9 officials that were to be presenting today, we will fax  
10 those in to the Western Regional Office, to Ms. Stella  
11 Youngblood, no later than this Thursday, no later than  
12 5 o'clock.

13           So if there is not anything more to discuss.  
14 Then we have taken care of the matter at hand here. So the  
15 Committee will allow you time to give your statement.  
16 Please give your name and organization you are with. Step  
17 over here by the podium. That helps our reporter.

18                       MS. MARSHA JOANETTE VOHS: Madam  
19 Chairperson, I am here on behalf of myself, Marsha Joannette  
20 Vohs. And my civil rights have been violated also by Curry  
21 County. Not only the District Attorney, but other offices  
22 involved.

23           I am here to substantiate claims that these civil  
24 rights violations have occurred, not only to me, but to  
25 others. And I wanted to come today to say that this is a

1 serious situation.

2 I am thankful that you have come to look at it  
3 further. It is a very nerve-racking situation whenever you  
4 feel like your life is in control of somebody else who is  
5 supposed to be protecting you and indeed violates your  
6 civil rights. It is a very serious situation.

7 I am here on my behalf because I felt like I saw  
8 some of the fraudulent schemes taking place with other  
9 people. I feel like this has continued in this county too  
10 long. And that is why I am here.

11 If you would like to know more, I do have  
12 documentation; I do have other things that would support  
13 what I have come to say. This is an ongoing situation.  
14 And by coming here today, I feel like I have also taken  
15 another step to put myself in a vulnerable position to  
16 where they could violate my rights again.

17 THE CHAIRPERSON: And again what  
18 organization are you with?

19 MS. MARSHA JOANETTE VOHS: I am not with an  
20 organization. I am representing myself today.

21 THE CHAIRPERSON: Because you were not here  
22 earlier, I will repeat again that there is a 30-day period  
23 that will remain open following today. And the Committee  
24 will welcome any additional written statements and exhibits  
25 for inclusion to the record. And that these should be

1 submitted then to the Western Regional Office. Mr. Michael  
2 Antiporda just gave the address earlier. And if you wish  
3 to have that address, you may either ask Ms. Youngblood --  
4 she will give you a card -- or you can ask me. We had  
5 given that information earlier.

6 MS. MARSHA JOANETTE VOHS: Is that 8:30 in  
7 the morning?

8 COMMITTEE MEMBER GALLEGOS: No, a 30-day  
9 period.

10 THE CHAIRPERSON: A 30-day period will  
11 remain open after today, which would be up to October 15th  
12 of this year.

13 MS. MARSHA JOANETTE VOHS: Good. Because  
14 mine is a different situation than the petitioners here.  
15 But it goes right along with the identical situation that  
16 civil rights have been violated. And I am here to  
17 substantiate their claims.

18 THE CHAIRPERSON: Any questions?

19 Mr. Nez?

20 COMMITTEE MEMBER NEZ: Can you elaborate  
21 more?

22 MS. MARSHA JOANETTE VOHS: Yes, I can. How  
23 far do you want me to elaborate? Just give a synopsis?

24 COMMITTEE MEMBER NEZ: Yeah, a synopsis.  
25 Say five minutes.

1 MS. MARSHA JOANETTE VOHS: Okay. Briefly I  
2 was committed involuntarily to the Las Vegas Mental Health  
3 Center up in Las Vegas, New Mexico. My rights were  
4 violated. I was not appointed a hearing. I was not  
5 appointed an attorney. And I was held against my will,  
6 which was fine. I mean, I am a very honorable citizen. I  
7 will go with my authority and do what they tell me to do.

8 But on behalf of this, my rights were violated in  
9 the fact that nothing that was given to me as a right as a  
10 citizen of New Mexico, or of the United States, was honored  
11 to me as a person.

12 I am also disabled, and because of that I feel  
13 they did not appoint the attorney. They did not have a  
14 hearing before the judge. I never had any kind of hearing.  
15 I had no -- none of the rights that are afforded to any  
16 normal citizen. And I am saying "normal." I feel I am  
17 normal, but I have two strikes against me. I am disabled  
18 and I was at the mercy of Curry County and my rights were  
19 not honored at all.

20 I was not treated respectfully or kindly until I  
21 reached Las Vegas. And up there they did give me a kind  
22 and decent treatment, but not here.

23 THE CHAIRPERSON: Thank you.

24 Any questions? Mike Antiporda has a question.

25 COMMITTEE MEMBER ANTIPORDA: Could you

1 please spell your last name?

2 MS. MARSHA JOANETTE VOHS: "V," as in  
3 Victor; "O"; "H," as in Harry; "S," as in Sam.

4 THE COURT REPORTER: Your full name again?

5 MS. MARSHA JOANETTE VOHS: Marsha,  
6 M-a-r-s-h-a; Joannette, J-o-a-n-e-t-t-e; Vohs, V-o-h-s.

7 Okay. Anything else?

8 THE CHAIRPERSON: I don't believe there is  
9 any more questions. Thank you.

10 MS. MARSHA JOANETTE VOHS: Thank you very  
11 much. I appreciate it, Madam Chairperson. Thank you.

12 THE CHAIRPERSON: So this comes to the  
13 conclusion of our fact-finding meeting. I want to again  
14 express appreciation to all of you that gave statements,  
15 gave testimony. And even if you didn't have a statement  
16 or if you were just here on your own in support of the  
17 situation here, I want to thank you. And anytime that  
18 somebody gives up their time for food to eat, you have to  
19 be dedicated to the cause. And so I want to thank the  
20 Committee members here. They gave up their time also for  
21 lunch, and that shows dedication on their part.

22 I think we can go off record here.

23 (End of proceedings at 2:55 p.m.)
