The Indiana Advisory Committee to the United States Commission on Civil Rights is hosting an open community forum to hear your experiences voting in your community, state, and country. We are particularly interested if you or someone you know has experienced any challenges with obtaining documents to vote, access to voting or getting to your polling location.

This meeting is open to the public. No appointment or registration necessary. However, you must sign up onsite to speak. Please come share your experiences with the Committee.

This is the final in a four-part series on this important topic. To hear testimony, the Committee met via web conference on February 12, in Evansville on February 17, and in Indianapolis on March 2.

Please contact the Regional Programs Unit for more information or the local host committee member Tammi Davis at tammi.a.davis@gmail.com.
